BONNIE

good enough to eat?

Hey, it's Lindsey. Beautiful Bonnie has been here two times before: The first time (July 2010), she had a bald coochie, and the second time (April 2011) she had a bush that she grew out especially for *you*, our readers! Well, she still has the bush—but now she also has a dilemma.

Hey, Bonnie! So, what did you think of the reader response to your furry pussy? They sure ate it up. LOL!

Yes, but would they eat it *really*?

What do you mean?

Well, I have this one boyfriend who doesn't like my bush, but I don't want to shave it off, so now he's all, Okay, I'm just never eating you out again. And he hasn't!

Why doesn't he like your fur?

He says he doesn't want pubes getting in his mouth and sticking to his tongue, and that all guys feel the same way. Is that true?

I don't know—let's ask the readers: Guys, would you eat Bonnie's pussy even though it's hairy?

I really, really need to know if I should shave. I like my bush, but cunnilingus is too big a sacrifice to make!

Is getting your pussy licked *that* important to you?

Yes! Maybe it's selfish, but I love it. I come *so* hard.

Do you prefer it to fucking?

No, they're two different things. I want both. Can't I have both? LOL!

What's your favorite way to fuck?

From behind, so I can rub my clit at the same time I'm being penetrated. I always come if I do that.

Where do you like guys to come?

Inside me is nice. But I also like it if a guy comes on my pussy and I can see the cum all sticking to my bush like little dew drops.

Wow, you are *really* into your bush.

I know! I can't help it—it makes me feel sexy.

But you keep your butthole smooth—why?

That's different. I like it to be neat. And definitely lickable!

Oh, yeah—I forgot you're way into a tongue down there.

Omigod, I turn to putty when a guy eats my asshole!

Do you like actual anal sex, too?

Of course! If you lick me down there, I don't even need lube. I'm, like, completely open.

Hot! So, any final words for the readers?

You guys, I'm a little nervous to hear what you have to say, but I'm excited, too. My bush is in your hands!★

DEAR BARELY LEGAL

WE LOVE WHEN YOU GUYS WRITE TO US!

Send your cards and letters to Dear BARELY LEGAL, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211, or e-mail us at barelylegal@lfp.com.

AUGUST 2011 PANTY CONTEST WINNER

R.S., you sound right up Sophia Jade's kinky alley! We hope you enjoy wearing her panties. Congratulations!

Sophia,

Let me start by saying I enjoyed your interview. I hope your dream of owning a design business comes true. You will be the sexiest owner ever. Second, although I agree that your waist is beautiful, I think it's your eyes that get me. With or without glasses, the brown beauties do more than just turn me on—they make my heart race. Third, I am also an avid reader and poet.

Finally, I would love to win your panties. I really enjoyed reading that you like posing in lingerie, because I would never get tired of seeing you in a beautiful setting wearing sexy undies or some latex. I have a panty fetish and would be willing to explore others, especially while I wore your panties. A night with a candlelight dinner, a walk on the beach, and an amateur art festival would be wonderful. I would wear your sexy bikini panties, and when we got home you could introduce me to the latex and ropes.

Your fetish friend,
R.S.
Iowa

Dear Lindsey,

Just a few thoughts about the last few issues of BARELY LEGAL. First, John (*Dear BARELY LEGAL*, May 2011) is a Neanderthal. He basically ORDERED you to get "bigger tits, a bigger ass and hole, with lots of hair between your legs." Ignore him!! You are beautiful just the way you are.

Some things I must thank you for:

• Information in the introduction of each model telling us other publications (*Hustler*) she has appeared in.

• The full-page pussy photos (Bonnie and Ellen, April 2011; Alyssa Branch, June 2011).

• The full-page photos of the models' faces (Bonnie, April 2011; Alyssa Branch, June 2011; Bree Daniels, July 2011). Gaze into their eyes, follow their nose to the curves of their lips—you just fall in love with them.

About Aubrey Lee's question (*To Shave or Not to Shave?* July 2011): Some girls have a woolly forest of hair that covers everything. Aubrey has the best of both worlds—hair plus her pussy lips are visible. Don't shave, Aubrey! Leave it the way it is.

One minor complaint: toys. I see they're making a comeback. Yes, I understand some people like to see them. If BL is going to keep including them in the photos of the models, please continue to do what you're doing now. Have them in the middle part of the photos, not at the end.

Well, there are my thoughts for this time. You are doing a good job, Lindsey.

K.H.
Utah

*Thank you for the positive feedback, K.H.! (Also for saying I'm beautiful. *Blush*) I appreciate your complaint, too, and I totally agree with you. From now on, we won't have any girl using a toy in her closing photo.*

As for Aubrey's question, wow, did we get a ton of letters! See below for a small sample. ***—Lindsey***

Dear Lindsey,
I am writing to you about the interview you did with Aubrey Lee about "to shave or not to shave." You informed her you would ask the readers what they thought. Well, I am definitely voting for NOT TO SHAVE!!! I am *sooo* tired of all these hot women and when they drop their panties it is *sooo* boring and unoriginal because it all looks the same, just like a military haircut.

I actually have started preferring older women just for the fact that when I get their panties off I might get to see a thick ol' hairy bush—*mmm*!! I wish women would go back to sporting some muff, and I would love to see more pictures of hairy pussy in your magazine. In fact the whole reason I bought this issue was because on the cover it said, "*Psst*—there's BUSH underneath!" and "More Hairy Hotties!" That is what caught my attention.

K.K.
Kansas

Dear Aubrey Lee,
Please do not shave your pussy. It looks great with fur on it. I think far too many girls in the industry shave their pussy. And I think your first movie should be either an internal cum-shot or a pussy cum-shot. And I would love to be your co-star in it. I would love to see my cum either on or coming out of your pussy. Oh, yeah—you have beautiful tits, too.

Thomas from Ohio

Dear BARELY LEGAL,
To shave or not to shave? In my opinion a woman's body is God's most beautiful creation. Why hide it under hair? I'm a naughty 70-year-old man, and I've always loved to kiss, lick, tongue, and suck a shaved pussy. Aubrey is a pretty young woman, has a well-built, beautiful body, and a beautiful pussy. The only hair I like to see is on her head. If I liked to lick hair I could always lick her on her head. I'll say to Aubrey, Yes, shave your pussy! That's my vote.

Cordially,
R.L.P.
Louisiana

Dear Aubrey,
I'm sure that you will get at least 100 letters and e-mails. But since you asked, I want you to shave your pussy. I prefer a woman with a shaved pussy.

M.W.
by Internet

Dear Lindsey,
In the July 2011 issue, Aubrey Lee asks if her bush is hot or not. I'm not really a bush guy, but she makes me rethink about liking ladies with a bush.

M.B.
Nebraska

P.S. Us inmates at the Nebraska State Penitentiary really love your magazine.

Miss Aubrey Lee,
You should grow your pubic hair out like Miss Bonnie [April 2011 and this issue]. Keep the hair that long for at least two weeks, so you will know what long pubic hair feels like. After the two weeks, you shave your pubic hair completely off. After two weeks of shaving, then you can decide if you like it or not. If you have a boyfriend, ask him for his opinion. You might not want to ask him for his opinion, because it is your decision to shave your pubic area.

A.C.
by Internet

A.C., you're right, I guess it is my decision—but I'm glad I asked anyway, because all you guys have given me a lot to think about. Thank you! Lindsey says I can pose for BL again in a few months. Then you can see which way I decided. ;) ***—Love, Aubrey***

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I don't like to dwell on negative things, but sometimes I still think about that letter we ran in our May 2011 issue—the one where the person said that I should "get bigger tits, a bigger ass and hole"—and I feel bad. But then I remember how a whole bunch of you wrote to me after and were all, "Don't ever change," which makes me think positive again!

Thanks to you guys, BARELY LEGAL is an awesome place to be a girl. Like, Olivia doesn't ever have to be sad about her mosquito-bite boobs—'cause tons of BL readers *love* teeny titties. Tristan didn't have to run out and dye her hair blond to be in the mag—lots of you guys *prefer* brunettes. And curvy Scarlett *likes* her "big and round" butt. Why shouldn't she? She knows she's not alone!

I know every guy doesn't like every girl. Everybody has their own taste—that's what makes us unique! But even when you guys think we're not perfect, you accept us girls the way we are, and see the hotness shining through. And that's why we love getting naked for you! ;)

TRISTAN LEE

more than ready

Hey, it's Lindsey. College freshman Tristan just got her heart broken—sad for her, good for *us*.

Hey, Tristan! Did you like posing nude?
Yes, I felt totally natural taking my clothes off in front of a camera. I kind of shocked myself.
Why were you shocked?
Because I'm usually pretty modest. I mean, I don't go around dressed all hoochie and, like, flaunting my sexy parts.
Well, you *way* flaunted your main sexy part.
Oh, I know! I can't wait to see how my pussy looks in print. I hope it's pretty!
It is. What made a modest girl like you want to pose?
Honestly? My boyfriend dumped me and I was feeling really unsexy and unattractive. But now I feel hot!
Yay! Are you ready to get out there again and have sex?

I am more than ready. I've been masturbating, like, every day.

What's your favorite method?

I use anything that's handy—my vibrator, the shower head, my fingers.

How do you like to be fucked?

I like being fucked hard from behind.

Where do you like a guy to come?

On my stomach or chest.

What makes you come?

Getting my pussy licked. It just feels so amazing.

What is the wildest thing you've ever done?

One time I stripped naked and gave a girl a lap dance so she would have a threesome with me and my ex-boyfriend.

That's a good girlfriend!

I know! So how come he dumped my ass?

Stupidity. What kind of guy are you looking for?

A foreign guy with not too big of a dick.

Why foreign?

Because accents are *so* sexy.

And why not too big of a dick?

Because my pussy is tight!

What do you fantasize about doing with your next boyfriend?

Having sex in a public place and making it kinky. But Lindsey, I'm not looking for a boyfriend.

Don't you want to be in love again?

Someday. For now, I'm just looking for lust! ★

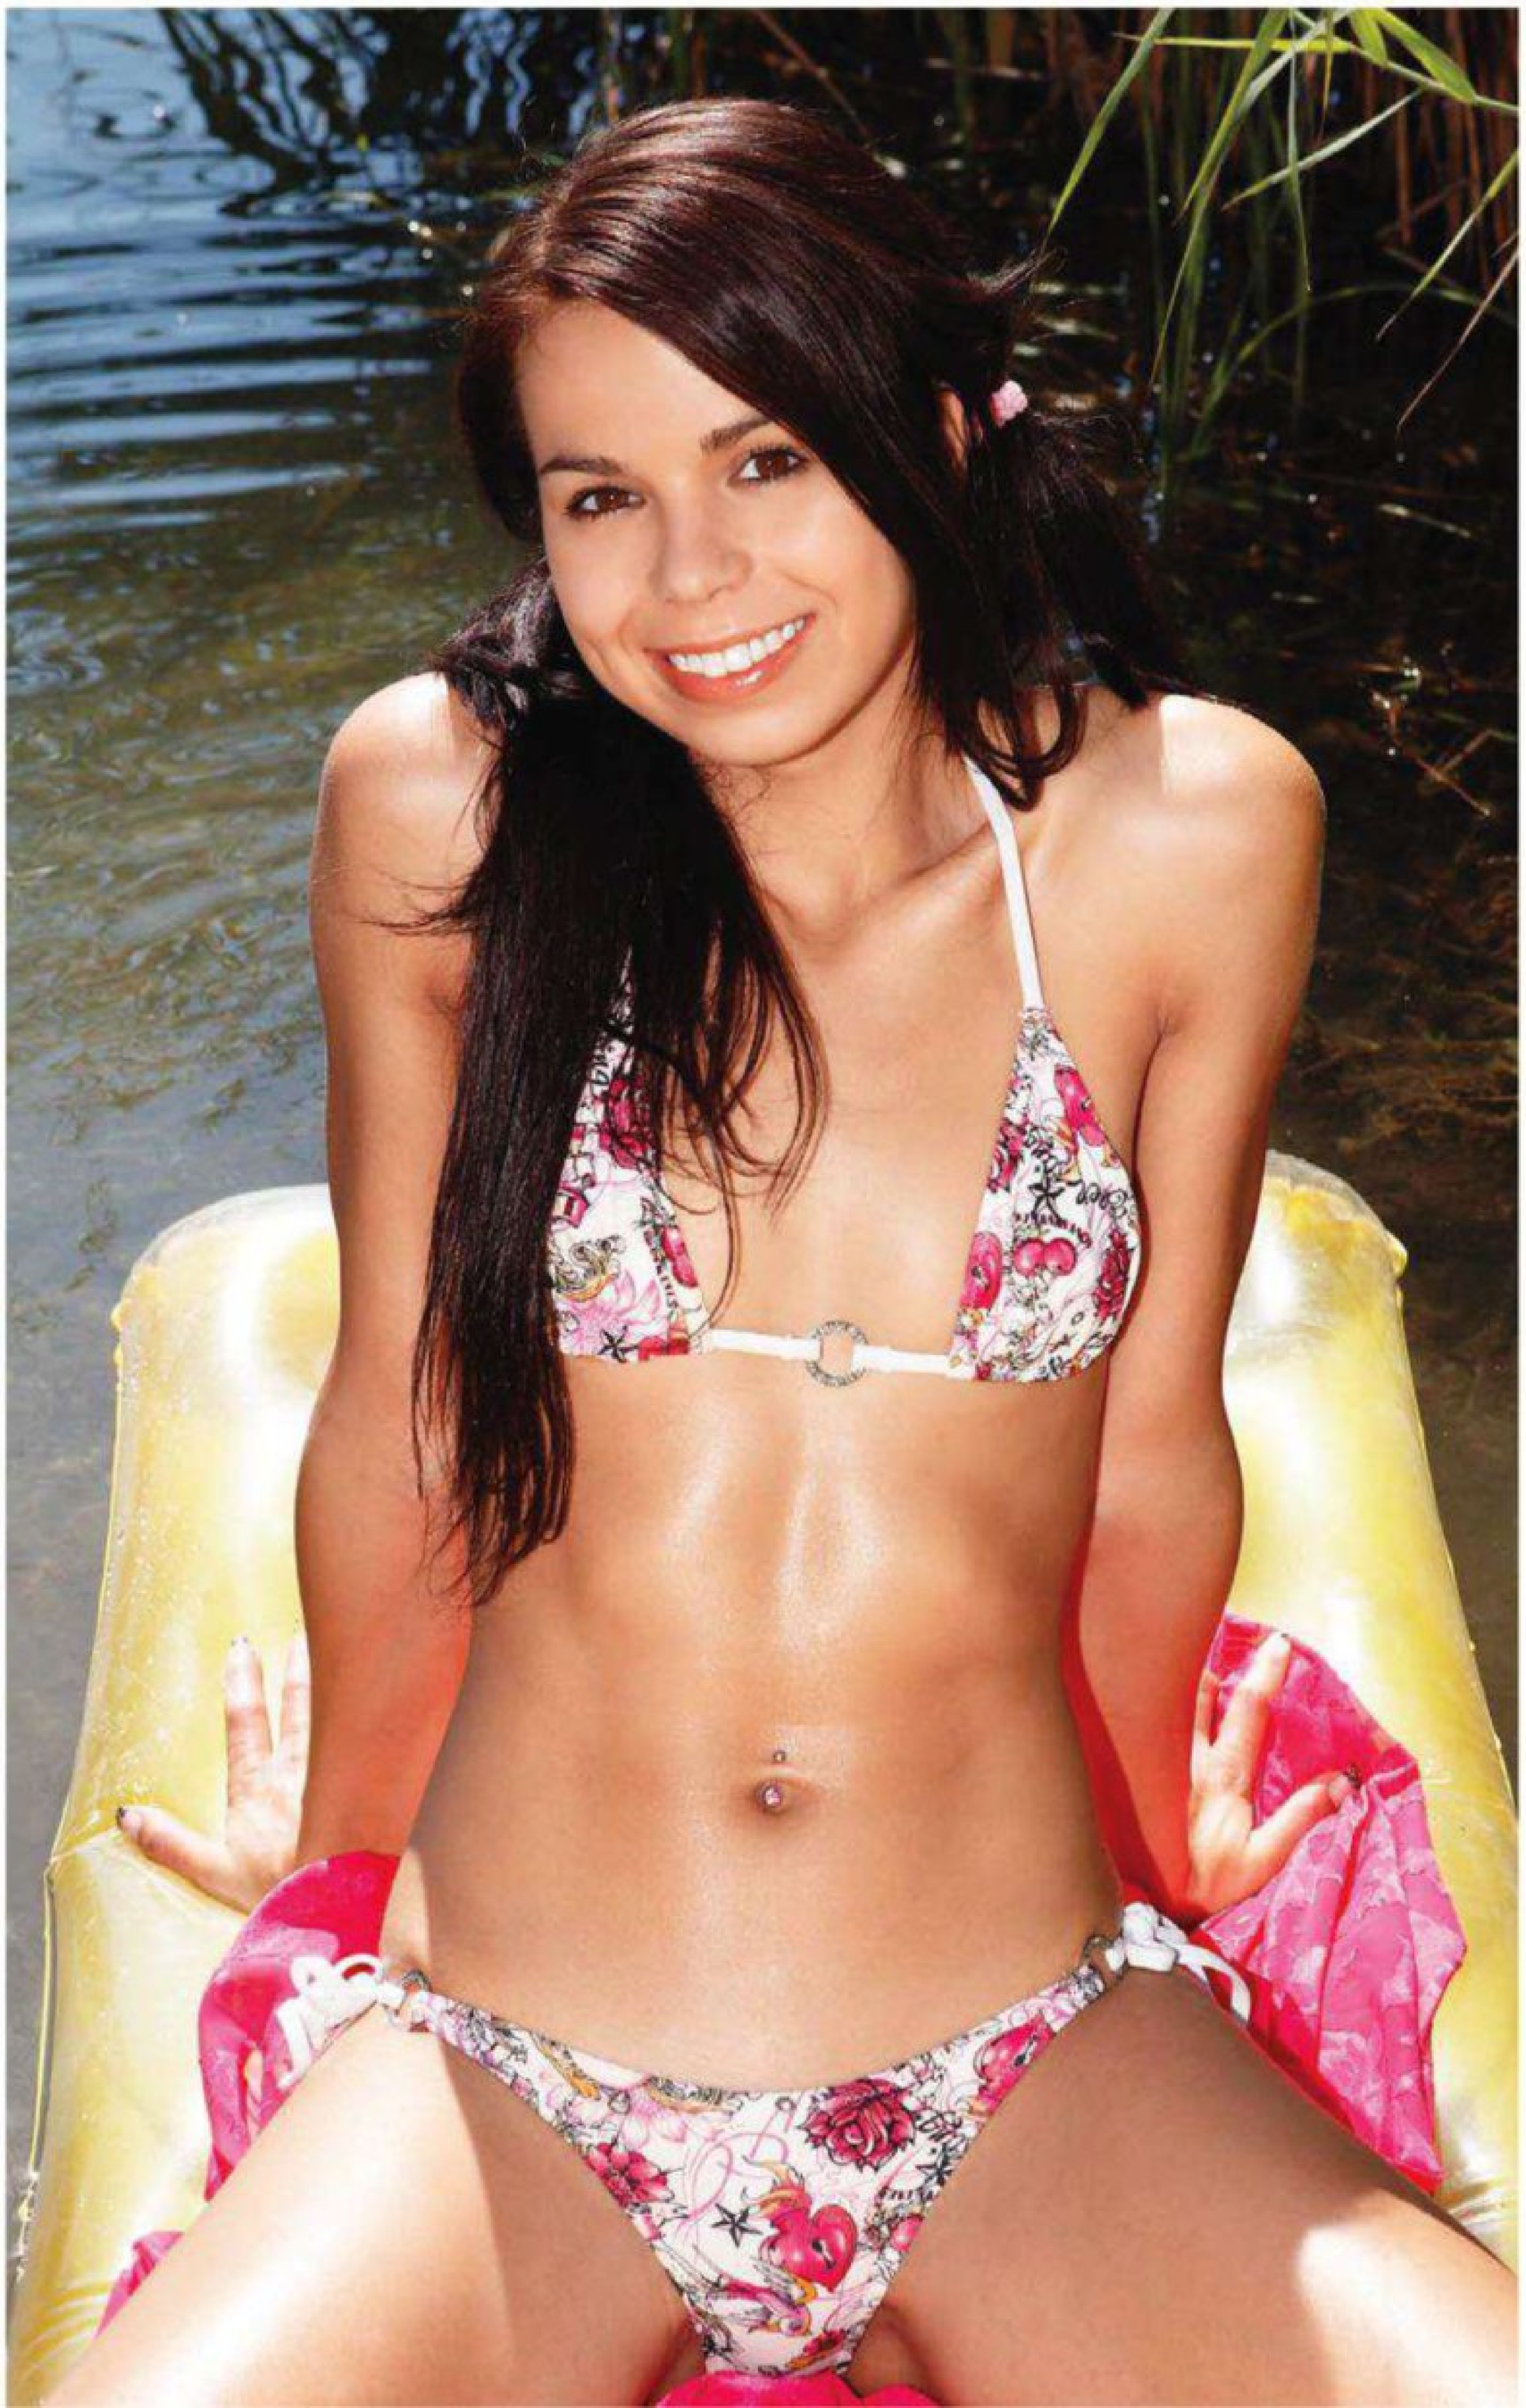
OLIVIA
nature's finest



Hi! Stacy the intern in the house hanging with college freshman Olivia. Is she fine or what?

Hi, Olivia! I won't beat around the bush: Your photos turn me on. Yes, I'm bi. What about you?

I'm curious. Girls are beautiful. I like the idea of watching a hot chick lick my pussy. I just haven't tried it. Yet.

You should. Is this your first time posing naked?

First time if you don't count when I shot a pic of my pussy and e-mailed it to a boyfriend.

I love that your photos were taken outside.

Me, too! I am a nature girl. I love to get naked and stretch out in the grass. Preferably with a guy. Outdoor sex is the best!

Do you have a favorite position?

Hmm...I love them all, but if I had to choose I'd go for being on top. It feels *sooo* good to ride a guy.

What about blowjobs?

Love. There's nothing like a hard dick in my mouth. It's so hot to turn a man on like that, to make him come.

Spit or swallow?

Swallow, no question. But I also like for a guy to come on my tits.

What's your ultimate sexual fantasy?

Two guys. Outside.

What's a guy need to do to get with you?

Have a sense of humor. I love to laugh!

What about anal? Have you tried it?

No—I'm kind of chicken about it. But I do wonder. I think I'd be down for it with the right man. He needs to be gentle.

So, what's in the future for Olivia?

I want to earn a degree in environmental sciences so I can help, like, preserve the planet. Nature is *so* important. And it's my favorite place to get naked!★

"If these cheeks could talk," Toya teases, turning her silky moons to the camera, "certain of my daddy's friends would turn red with embarrassment."

Toya previously graced the pages of BARELY LEGAL in the January 1997 edition *(Toya: Want to Play?)*. She still lives in the Garden View apartments with her father and is currently working on her résumé to appear on an afternoon talk show.

"I fucked my dad's three best friends," brags Toya. "I think that would make an excellent title for the show I'm hoping to appear on.

"I really shouldn't say anything," Toya starts, "but our romance began on poker night. It was hilarious. Daddy passed out and accidentally set his beard on fire. Ernie, Pop's old roommate from prison, extinguished the blaze, using the fire hose in his jeans. Ernie's quick thinking saved Pop's life.

"I gratefully kissed Ernie on the top of his head. He buried it in my mouth all the way to the balls. I had sipped a few beers myself and scarcely noticed Dad's two other chums tugging down my skirt.

"Not to complain, but my first gang-bang would have been slightly more pleasant if I hadn't been lying on the table that Ernie had drenched while putting out my old man's beard fire.

"If these cheeks could talk, Daddy would probably kick a few butts when he sobers up." ★

a whole new world

a BARELY LEGAL confession

by rhyan kennedy

photography by steven andres

Hi, everybody! Rhyan here. Remember me from a few months ago ("Baby-sitter Wanted," April 2011)? I'm so happy to be back! Lots has changed in my life since then. Maybe you remember from before—I had a crazy affair with the dad of the kids I baby-sat. My heart got broken in the end, but I guess that's no surprise. I mean, he was married and all that. At least we never got caught!

Anyway, things are great these days. I moved to Tallahassee, Florida, for college and I love it! I'm majoring in theater and dance. My dream is to move to New York after graduation and make it to Broadway. My parents are like, Why can't you study something practical? And I'm like, I am following my heart because dreams come true!

School is great. I've made lots of amazing friends. Theater people are really fun and open-minded. I'm having all kinds of wonderful new experiences. Such as, I finally tried lez! Girls, if you've never gone gay for a minute, I highly recommend it.

Anyway, so, we just did a production of *Steel Magnolias*. *Sooo* fun. Being in a play is a major bonding experience. You spend practically all your time together, and half the time you're naked 'cause of all the costume changes—LOL! I got really close to all the girls in the cast, but one girl was extra special.

Her name is Eva. She's very talented, not to mention gorgeous. Like, January Jones gorgeous. I really admire her. I started crushing on her, like, as soon as we met. I've never felt that way about a girl before. It's not like being in love exactly, not like with a man. I don't know. It's like having a BFF, but sexy.

Our first time was the week of dress rehearsals. A lot of times, the cast would hang out after rehearsal. I loved our get-togethers, but on this night I just wasn't feeling it.

"I think I'll just chill tonight," I said. Eva was in the same mood. Everybody was all, Your loss, bitches!

Eva and I hung out backstage on what we all joked was the "casting couch." We talked about her problems with her boyfriend.

"He doesn't get me," she said. "Like you and me. We can talk for hours."

"Too bad I'm not a guy."

Eva laughed. "Yeah."

We looked at each other like, Yeah? Then we crashed into each other and totally started Frenching. Eva slid her hand up my shirt and squeezed my tit. My clit puffed up. She pulled my shirt over my head, ripped off my bra.

"I love your tits."

She cupped my boobs and sucked them one by one, back and forth. She pulled them deep into her mouth. My pussy was soaking wet.

"Stick your fingers inside me," I whispered, my mouth pressed to her ear. She slid her hand down my pants.

"Omigod, you're wet." She pulled my pants off. Now I was 100 percent naked. She kneeled between my legs, pushed my thighs open, and plunged her tongue in.

StoreMags.com - Free Magazines Download In True PDF format

"You taste so good," she mumbled. She sucked my clit.

"Fuck," I moaned. "You're gonna make me come too fast."

"Okay. You lick me."

We traded places. She wiggled out of her jeans. Eva never wears panties. Her pussy was wet and pink and gorgeous.

"Take off your shirt," I said. "I want to see your tits."

She pulled off her tee. She has the most awesome tits—grapefruit-sized with rosy little nips. I squeezed them, licked them. She tasted like vanilla. Omigod, she turned me on. I could hardly stand it. I stuck my tongue into her pussy.

"You taste like candy," I said. I had secretly wondered sometimes what pussy tastes like. Did all girls taste this good? I sucked it all into my mouth.

"Let's do it together," she moaned. "At the same time."

We fell onto the floor and 69d. You guys, licking and being licked all at once, it's almost too much. Like, you're so turned on from both sides. It is mind-blowing!

"I can't hold it," I moaned.

"Do it," Eva gasped. "I'm coming, too!"

We climaxed at, like, the exact same moment. Her juice filled my mouth. Crazy delicious. I was almost in love for a minute. But the feelings, they're just not the same as being with a guy. They can't last. When the play ended, so did my thing with Eva.

Now I have a new crush. He's my Acting for Film prof. Guess I haven't lost my taste for older men. LOL!

Mr. Kern is just plain sexy. He has a beard and big green eyes and he's *so* passionate about theater. Sometimes I get wet just listening to his lectures. Am I a weirdo? I get even wetter during acting exercises. Sometimes he touches me. He puts his hands on my back and shoulders, like, Be aware of your posture, Rhyan, and I'm like, Omigod, please keep going!

I never thought anything would actually happen. I mean, I couldn't just, like, hit on my prof, 'cause he could be all, This is entirely inappropriate. The rest of the semester would be the most awkward thing ever, and he might give me a shitty grade. But it turned out Mr. Kern had the hots for me.

It was a Friday after class. He stopped me on my way out the door. I was sure he was about to tell me how bad my monologue sucked or something.

"I'd like to talk to you about your work." I was like, Oh, God, here it comes. He shut the classroom door. I was freaking.

"Every once in a while, a student comes along who's very special. You, Rhyan, are one of those rare gems."

Was I hallucinating?

"I'd like to spend some one-on-one time with you." He ran his hand down my back and over my ass. He pulled me close. He had a big boner. It pressed against my belly.

"So talented, and such a beautiful body." He slid his hands under my dress, over my stomach. He squeezed my tits. My heart was pounding.

"I want to feel your mouth." He pressed my shoulders gently.

I dropped to my knees and unzipped his fly. His dick was so big! Pre-cum dripped from the tip. I licked it. It was yummy. I circled his tip with my tongue.

"Oh, God," Mr. Kern moaned, wrapping his fingers in my hair. "You tease."

I slid my tongue down the underside of his cock and sucked his balls into my mouth. His breath was heavy. He pulled my hair harder. It is such a turn-on to make a guy feel that way. I love BJs!

"Suck it," he said.

I jerked him off for a sec, just to tease a little more. Then I plunged his cock into my mouth. The head pressed against my throat. I kept it there and sucked. Mr. Kern moaned again and my pussy gushed. I sucked harder.

He grabbed my hair and slid my mouth up and down. Up and down, faster and faster.

"I'm gonna come in your mouth," he wheezed. "*Augghhh*!"

Jizz shot down my throat. Man, do I love swallowing.

"Jeez," he panted, holding himself up with his desk. "Wow. Grade A."

I was walking on clouds all weekend. Am I in love? I wondered. Then I'd get anxious for a minute—what if that was it, if that was all he wanted? But that was not the case.

He stopped me after class again on Monday.

"Can I see you tonight?"

"Sure." OMG, OMG, YAY!

"Meet me in the costume shop at eight."

I couldn't concentrate on anything for the rest of the day. Time was standing still—would it ever be 8:00? It was making me crazy! But it finally came.

Mr. Kern was waiting for me. My pussy got wet the second I walked in the room.

"Lock the door," he said. It's hot when a man commands you. Not, like, mean or anything. Just enough to be sexy.

"Come here." He sat in a chair by a sewing machine. "Take off your clothes."

He was turning me on something crazy. I pulled off my T-shirt and unbuttoned my denim skirt. It fell to my feet. I kicked off my sandals, unfastened my bra, slipped out of my panties.

"Fuck," he huffed, pulling his cock out of his pants and stroking his cock. "Get on the floor, on your back. Spread your legs."

I obeyed.

"My God, look at that pussy."

I spread it open with my fingers.

"Show me how you masturbate," he said.

I slid my fingers between my lips. Not to be conceited, but I love how my pussy feels. It's all slick and velvety. Sometimes I masturbate in the mirror so I can see.

I rubbed my mound, tickled my clit, slid two fingers inside my hole. I was getting really hot.

"I gotta be careful or I'll come too quick," I breathed.

"Okay," he said. "Turn around. Get on your hands and knees. Spread your ass and your pussy."

I crouched, spread my knees wide, and stuck my butt in the air.

"I'm going to fuck you from behind," he said.

"Yes, please."

He dropped his pants and kneeled behind me. He slapped his hard cock against my wet pussy. He spread my lips.

"First I'm going to taste it."

He licked me up and down, all the way up to my tootie. He stuck his tongue in my ass.

StoredMags.com

StoreMags.com

"Fuck. You taste so good. I could come just from licking you. But no way. I'm gonna fuck that hot pussy."

I wiggled my ass. "Go ahead. Fuck me. Please."

He dug his fingers into my butt cheeks. I dug my fingers into the carpet. He plunged into me.

"*Ah-oh*!" I moaned. His dick went so deep, and it was *so* thick. It filled me up. He thrust in and out, spanking my ass. My body tingled all over.

"Christ, you're tight," he panted. "Fucking mercy."

He pulled out and slid his cock between my cheeks.

"You ever taken it in the ass?"

"No. I haven't."

A part of me was nervous—would it hurt? But I was wet and horny. I was ready to be initiated. I love to experience new things!

"I think I'm ready to try it."

Mr. Kern spit on my butthole and rubbed it slowly with his thumb. My pussy dripped. I rocked my butt.

"Will you stick your thumb in me?" I said.

He pressed it against me. Slowly, he pushed it inside. I breathed deep. This was a strange, new feeling. I liked it!

He slid his thumb in and out of my asshole.

"You like that? You ready for my cock?"

"Yes, please, I'm ready!"

He circled my butthole with the tip of his dick.

"Here it comes," he said, slowly pushing his cock into me.

Oh. My. God. You guys, it was, like, instantly amazing. There's something deep inside your ass. When it's touched, there's nothing like it in the world.

"You love it, don't you?" Mr. Kern groaned. "You love my dick in your ass."

"I do. God, I do. Omigod, I'm going to come in my butt!"

"Good girl." He pumped harder.

"I never knew...oh, fuck, I had no idea...*ahhh-wahhhh-eeeeee*!"

"I'm gonna come all over your ass," he growled. He gripped my waist and yanked his cock out of me. Hot cum spattered my ass. It felt like a gallon of jizz. It made me feel so sexy.

"*Auughhh*." Mr. Kern flipped me onto my back and collapsed. "You're so bad. You're so dirty."

"Good," I said. "I like to be."

I really do! Just one of the many things I'm learning about myself. It's a whole new world!★

ASHLEE

TEEN QUEEN OF THE MONTH

Hey, it's Lindsey. Ashlee believes that the main way to be happy in life is to make other people feel good. I think she's going to be very happy very soon!

About me: Right now I'm in cosmetology school studying to be an esthetician. I want to help girls and women feel beautiful even if they aren't.

Romantic status: I'm single, but I really want a boyfriend. I like being part of a couple.

Best physical feature: My boobies, because they're big even though I'm skinny. I'm lucky.

Biggest turn-on: A long, hot bath for two with bubbles and lots of candles.

Biggest turn-off: Selfish behavior.

Fave way to masturbate: In the shower with the massager. It's total bliss.

Sexual personality: I think I'm pretty tame, but one guy told me I was a wildcat. I guess I did scratch him pretty good!

Fave position: With the man on top, overpowering me with his big, hairy body. *Swoon.*

Best sex talent: It's not really a talent, it's just something that happens, which is, my pussy gets *really* wet. Like, the littlest thing will turn me on, and all of a sudden I'll be dripping down there. I always have to wear panties, or I'd ruin all my clothes!

Favorite sexual activity: Definitely giving head. When I'm sucking a guy's cock and I hear him moan, that's the best sound in the world.

Spit or swallow: I will swallow, but I love when guys come in my face. Jizz is *awesome* for your skin. It's, like, the best mask.

To bi or not to bi: I like to cuddle with my girlfriends, but I'm 100% into men.

Anal, yay or nay: I always say nay when a guy brings it up, but then if he licks my butthole, all of a sudden I'm like, Yay! Fuck my ass! It's like I'm hypnotized.

Ultimate goal: To own my own spa someday and to be the most awesome girlfriend or wife ever. ★

Hey, everybody—it's Stacy the intern. Kayla is not only hot, she's from England—how cool is that? Her accent is a serious turn-on.

Hey, Kayla! You have such a unique style—I love it.
Thanks! I'm quite a fan of 1960s girl bands like The Supremes and The Ronettes. Their hair was amazing, not to mention their music!
How cool! I don't know anything about that stuff.
I'll have to educate you.
Oooh, that sounds dirty.
Well, I *am* a little bi. ;)
Nice! What's your favorite thing about being with a girl?
Licking pussy. Pussy and tits.
Mmm...
It's lovely. But nothing compares to penis.
Do you love BJs?
With a passion. And if I may say so, I'm rather good at giving head. I have virtually no gag reflex. And I love swallowing jizz.
What about fucking? Do you have a favorite position?
All of them! But if I had to choose, I'd go for being on top. I love riding dick.
How about masturbation? Do you do a lot of it?
Oh God, yes! I think I'm addicted. I masturbate four, five times times a week at least—sometimes every day. I also like when guys watch me do it. It makes me come even harder.

What's your favorite fantasy?
Sex with a stranger. I imagine seeing a guy in a pub. We go outside and he presses me against a wall and fucks me. Hard. Even better, we get caught by another guy and he watches and jerks off.

Kinky! You're so adventurous. Is this your first photo shoot?
My first published one. Posing naked turns me on. I've had some boyfriends take pictures of me. Not to sound vain, but I love looking at my own body.

I don't blame you. Do you have a feature you consider your best?
I'm a fan of my breasts. And lips—both pairs!

Do you have a particular "type" of guy?
Not really. I'm open-minded and I'm not concerned with how much money a guy makes or how big his biceps are. Sense of humor and a good heart are what's important.

What do you think of American guys?
I love them. They're so free-spirited and adventurous.

Just like you. Think you'll settle down with someone special one day?
Absolutely. But no time soon. I have way too much to experience.★

MILANA

my first time

photography by e.i.p. studios

Hi guys! Stacy the intern here hanging out with high school senior Milana. She's never posed before and, believe it or not, she was worried she wasn't pretty enough!

Hey, Milana! How did it feel to pose naked?

I felt sexy. Especially 'cause, truthfully, I was gawky my first couple years of high school. Boys didn't pay me much attention. Modeling is really helping me overcome those, like, insecure feelings.

I can't believe you still feel insecure. Boys *must* pay attention to you *now*.

They're starting to, a little. Not enough! I'm hoping these photos will get them thinking about me.

I'm sure they will. So, what turns you on?

I like being undressed. I like having my pussy licked. And I absolutely *love* to give BJs.

Awesome. Spit or swallow?

I can't imagine not swallowing.

What about girls? Ever experimented?

No, but I'm open. Girls have beautiful bodies. I could definitely get into that. I'm interested in tasting pussy. And when I see a gorgeous pair of boobies, I just want to squeeze them! Lick them, too.

Stop trying to get me wet! For a "shy" girl, you don't really seem it.

I am! I'm bashful in my heart. I'm just finally coming out of my shell now.

What do you want to experience that you haven't yet?

Well, I haven't done that much. There are lots of things I'm curious about—like, I'd love to be done doggy. But there's one

thing especially, more than anything—I'm kind of embarrassed to say it.

Tell us. No prudes here!

Okay. Anal. I am so, like, drawn to it. I want to know what it feels like to be fucked in the ass.

Such a dirty mouth on such a nice girl! Well, if you want it, girl, go and do it.

I will. But not with just anyone. My first time has to be with the right guy.

Who's the right guy?

Someone strong and sexy and manly, but sweet. Where do you find a guy like that?

I know where! In fact, I think you'll be hearing from a *lot* of volunteers very soon! ★

Storeklagr.com

Hey, it's Lindsey. The last time Hayden was here (March 2011), she had three goals in life. One was to pose for BL again—and here she is! For the other two, see below...

Hey, Hayden! I like your new girly look. You were such a tomboy before.

I know. I used to think stockings and lace panties were corny, but now I love wearing them. I feel so sexy.

What else is new with you?

I'm finally starting to make movies.

One of your goals! What's your favorite scene you've done so far?

It was a lezzie scene with Tiffany Thompson [BARELY LEGAL June 2011 and September 2011]. I got to lick her pussy. It was *so* sweet. I can still taste it!

Don't try to make me jealous. Do you prefer girls to guys?

No! I love girls, but I love, love, LOVE men.

Do you have a boyfriend?

I have many guy friends who I can call on when I need sex.

How often do you need sex?

Every day—that's why I have so many friends!

What's the quickest way for a guy to turn you on?

Give me a massage and be sure to pay extra attention to my breasts. They're very tense. LOL!

What's your favorite way to turn a guy on?

Suck his cock. I love to feel it growing hard in my mouth.

You swallow, right?

Yes, but I also like if the guy comes in my face. It's so nasty!

What's your favorite way to have sex?

Getting fucked in the ass while I rub my clit like crazy.

Does that make you come the hardest?

Usually—but the hardest I *ever* came was when I had a threesome.

Your third goal!

Yeah, I finally did it! *So* amazing. At one point I had a cock in my mouth and in my ass at the same time, and I thought I was going to lose my mind.

How is *one* guy ever going to satisfy you now?

If he fucks my mouth, my pussy, and my ass, I'll be happy. ;)

So, at age 19 you've fulfilled your three goals—what's left?

Now I can retire. J/K! I want to be a star—that's all! ★

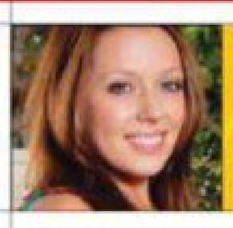
BARELY LEGAL BOX OFFICE



We girls at BARELY LEGAL think the best person to judge the realness and hotness of a legal-teen video is a real, hot legal teen. Here to review our latest release is this month's guest critic, Scarlett.

LAME, BUT BETTER THAN DOING HOMEWORK. ★

GOOD ENOUGH TO COME WITH THE HELP OF A FINGER. ★★★

DECENT, BUT FORGETTABLE, LIKE DRUNKEN MACKING WITH A CUTE STRANGER. ★★

THE BARELY LEGAL BOMB! ★★★★

BARELY LEGAL #119

★★★½

HUSTLER Video. Director: Otto Bauer. Starring: Victoria Rae Black, Missy Maze, Tiffany Gold, Becky Brielle, Trinity St. Clair, Lee Stone, Xander Corvus, Eric John, Ralph Long, and Otto Bauer.

They should have called this movie *BARELY LEGAL Total Exhibitionists*—all the girls have sex in public! In Victoria Rae Black's scene, you can actually see the heads of people walking by while Victoria gives a BJ on a balcony only one story up. *She* can see them, too—which makes her immediately start showing off by deep-throating (and choking!). I'll say it right now: Victoria is my favorite. When Lee Stone bones her from behind, she goes, "*Rightthererightthererightthere*" one million times, like she's possessed by a demon peen, and every time she comes (also one million times) her voice hits a note that only dogs can hear. She is adorable. Missy Maze is also pretty cute, with her gravelly Demi Moore voice and perfect (and perfectly *real*) tits. Her scene is *kind* of a cheat 'cause she has sex inside her house—but she stands in the window and spreads her pussy, which is very neighborly. Not cheating at all: Tiffany Gold, who has full-on sex on a hilltop. Tiffany looks a bit...distracted while boning, but the view of her big booty during doggy is incredible. Becky Brielle gets back to nature, too—and is attacked by bugs! The poor girl can hardly concentrate on sucking! But don't worry—she ends up with a big smile and a face full of cum. Finally there's total sex maniac Trinity St. Clair. That girl has, I'm not exaggerating, the tightest cooch I've ever seen. Seriously, Otto Bauer can *barely* cram his cock in. But once he does, *omigod*. Trinity slams her teeny body down and grinds away like it's the last dick she'll ever see—and then she lets Otto stuff it into an even tighter hole! Trinity quivers and growls like a puppy as her ass gets fucked *hard* three different ways. And all of this happens in the backseat of a car speeding down the freeway! Victoria's still my favorite, but Trinity's my new hero. Those two girls alone are worth the price of admission.

To order your copy, please go to page 104.

Trinity is a backseat driver.

Victoria's all, "Are you *sure* someone's watching?"

SCARLETT
pink panther

Stacy the intern here. Aspiring porn actress and model Scarlett says, "I live to suck and fuck!" What else do you need to know about her? ;)

Hey, Scarlett! Did you like posing nude?
Yes, it is sexy knowing people will be looking at my nude body and getting turned on.

What do you think is your best physical feature?
My ass, because it's nice and round.

How often do you masturbate?
Every day, two or three times a day.

What's your favorite method?
With toys or my fingers.

I heard you have a special nickname for your cooch.
Yes, I call it my "pink panther."

Omigod, so cute!
It's not cute, it's fierce! Well, it's both. ;)

What turns you on?
Sexy abs, ass, tits, and a great smile!

What turns you off?
Bad hygiene, bad breath, and a bad mood!

Do you like to give BJs?
Yes. I like to eat pussy, too. I love to please men and women.

Are you a spitter or a swallower?
Swallower. It tastes delicious and I wouldn't want to waste a drop.

What's your favorite position?
Doggy-style.

How do you like to be fucked?
Hard, hard, hard!

What's the best way for a guy to make you come?
By eating my pussy or fucking me and listening to what I tell him.

Do you like anal sex?
Don't know about anal sex. I have never tried it.

Where do you like a guy to come?
All over my body.

Have you ever had a threesome?
Yes, in high school. I was with two beautiful women and we all explored each other.

What's the absolute best sex you've ever had?
When I was in Montreal and had sex with a stranger. We never spoke again after. It was such a hot tryst. ---→
