

PENTHOUSE

The Secret Stash

A year's worth of devastatingly hot,
never-before-seen photos.

Y
ou already know that we choose only the hottest, most unforgettable photos to fill the pages of *Penthouse*. And you also know that our dedication to this mission is limited only by space. We can't possibly publish all the great photos we have for any given issue. So what happens to all those other photos? They get filed in the secret stash that we maintain for our private perusal. Now, in the spirit of brotherhood, we're giving you full access to these never-before-seen images from the past year—including Stormy Daniels, Pet of the Year Heather Vandeven, and many other beautiful models. You can thank us later.
