UPFRONT

BLACK IS BACK!

We're never surprised when one of our girls goes on to conquer the industry (and our track record is pretty good there), and we knew that it would only be a matter of time before Tori Black went on to become one of the hottest performers in adult movies. How could she not? With her lean, fuckable form and voracious sexual appetite, it was just a matter of time. You'll see what we mean in her feature layout, "Tori! Tori! Tori!" (page 42). This issue is packed with plenty of other hotties to keep you warm, too. Penthouse Pet Breanne Benson gets down to "Business as Usual" (page 10), 2010 Pet of the Year Runner-Up Veronica Ricci opens up to fans in in our first-ever Twitter interview (page 16) and super-horny starlet Ash Hollywood takes a dicking in "Hollywood Babylon" (page 34). Welcome to all the girls of Penthouse!—*The Editors*

BLAME IT ON RENO!

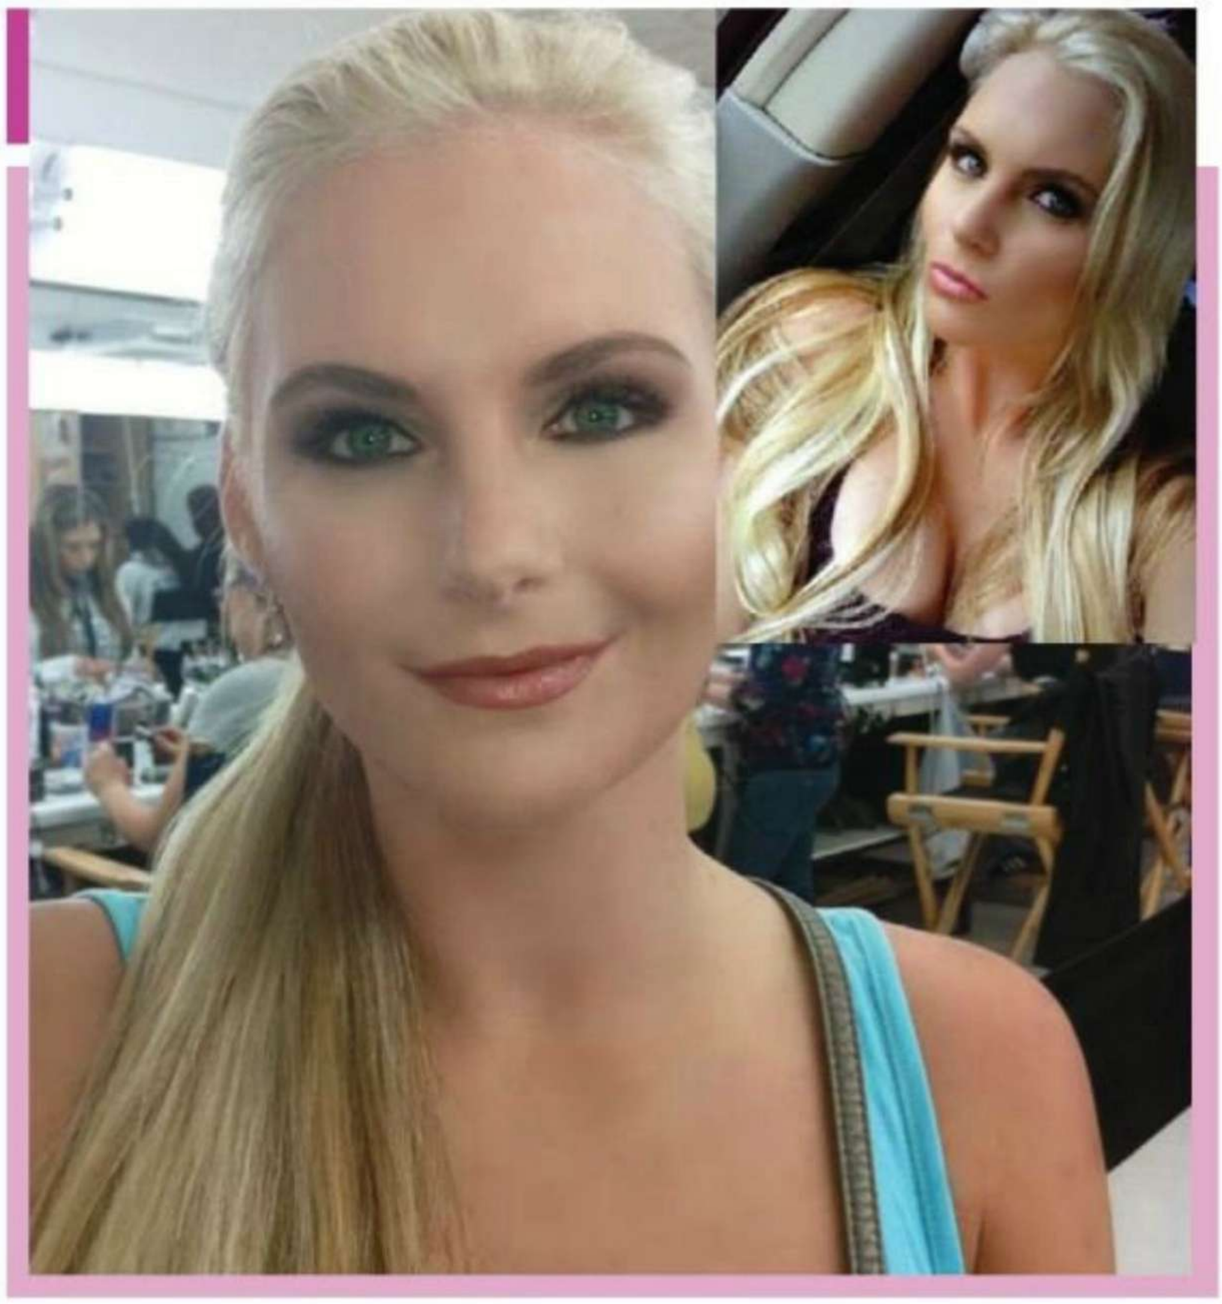

PHOTOS BY CHERYL GOMEZ

When Pets gather for a party, it's always a good time, but when **Taylor Vixen**, **Nikki Benz**, **Heidi Baron** and **Sabrina Maree** hosted the opening of the Penthouse Club in Reno, Nevada, things took a wilder turn. The four ladies—who had never worked as a quartet before—couldn't keep their hands (or lips) off each other. At one point, Taylor and Nikki, our most recent Pets of the Year, had an impromptu erotic wrestling match right in the middle of the Penthouse Club. "We got a little naughty, maybe even a little out of control," admitted Taylor with a smile, "but that's how it always is!"

MCKENZEE AND PHOENIX MAKEUP

It's not unusual to see two gorgeous Penthouse Pets making out in plain sight, but it is unusual for two Pets to be seen in class behaving like respectable students. **Mckenzee Miles** recently completed a hair and makeup course, and she was lucky enough to have her hot sister Pet **Phoenix Marie** volunteer to be her model. "I enhanced the hell out of those cheeks!" proclaimed newly brunette Mckenzee when she sent us these photos. Although Mckenzee hasn't left the glamorous world of Penthouse completely, she's been employing her new skills. "I've been doing hair and makeup for weddings, and I was hired for a few music videos, too. I worked on Avril Lavigne and Owl City. I'm loving it!"

TAKING A SEXY STAND

Nikki Benz went to New York City to promote all the great goodies on www.PenthouseStore.com, like the Party With Your Pole kit, her new 3D movie *The Real Porn Stars of Chatsworth* and her adorable life-sized stand-up, which was proudly displayed at the Sirius XM studio of *The Covino and Rich Show*. Nikki first met the duo—who are long-time friends of the Penthouse family—in Dallas during 2011 Superbowl weekend, and the three quickly became members of their own Mutual Admiration Society. "They're funny and smart and quite good looking, too!" Nikki told us. "I wonder if either one of them are single?" We're not sure, but until they meet again, they can always admire Nikki's carbon copy.

ADULT EDUCATION

Ryan Keely, author of the *Penthouse Forum* sex advice column "The Dirty Details," delighted and educated students at Weslyan College when she joined adult-film director Candida Royalle and sex educator Jamye Waxman for "Unlocking Porn," a seminar about women who work in the male-dominated world of adult entertainment. Ryan got plenty of laughs and drew lots of cheers from the crowd when she described a day in the life of a young porn star, but she also told students about the pitfalls of piracy and why online theft should be prevented. "I only went to college when I was in high school, and that was to party, so I'm extremely proud to be a part of this seminar with both of these great ladies," said Ryan graciously. "My dad sent me a text message before I went on stage and told me, 'You go, girl!' so I think he's proud of me, too."

BREE'S VIOLENT TWEET OF TRUTH

Soon after **Bree Olson** decided she didn't want to be Charlie Sheen's goddess anymore, she did a slew of interviews to promote her appearance as cover girl for the May 2011 issue of *Penthouse*. Although there had been speculation about Bree retiring from the adult industry, after she heard that she was on the May issue, she had her manager purchase 500 copies, then proudly tweeted this photo. No matter where life leads Bree, we're happy to know that she'll always be *our* goddess.

@Veronica Ricci

Follow us at twitter.com/GrlsofPenthouse for the chance to have your favorite Pets answer your questions in an upcoming issue.

If you weren't a porn star, what would you be?

If I weren't a porn star, I would just be in school full-time, working toward a degree in some field of science. But I view this job as something I can only really do now, so I go to school part-time. I think I'll end up owning my own business.

Would you have sex as often as you do now if sex weren't your job?

I'd definitely have as much sex as I have now. I have an insanely high sex drive! Anyone who knows me well enough is very aware of this, and it's almost like a running joke.

What's the craziest thing you've ever done, and would you do it again?

I've done quite a few things in my life that could be considered crazy, like sky diving, having sex in a moving vehicle, flying an airplane over the Golden Gate Bridge (with an experienced pilot close by) and flying out of the country on a whim because I needed some adventure. I would do all of these again, no doubt about it. I'm sure I have regrets somewhere, but I tend to forget those!

You're my favorite ginger porn star, because I think you're the hottest of them all. Who's your favorite redhead in porn?

Well, I like quite a few gingers, so it's hard to pick one. I'll go with my buddy (and fellow Pet) Jayden Cole.

WorldMags.net

WorldMags.net

WorldMags.net

WorldMags.net

I think you're super funny, Veronica! Can you tell me a joke?

Are those space pants you're wearing? Because your ass is out of this world!

If you could only fuck in one position for the rest of your life, what would it be?

That's a hard question! It depends on who I'm stuck fucking for the rest of my life—but if I'm not allowed to know and still have to choose the position, then I'll go with doggie-style!

Have you ever faked an orgasm?

When I was younger I faked it a few times because I didn't understand how to make myself come as well as I do now. I thought it was normal to fake it. I faked it a few times in some of the first films I was in, too, because I was still shy about having the camera crew around me, filming the whole thing. I never fake it now, though, because I never need to.

What's your favorite kind of taco?

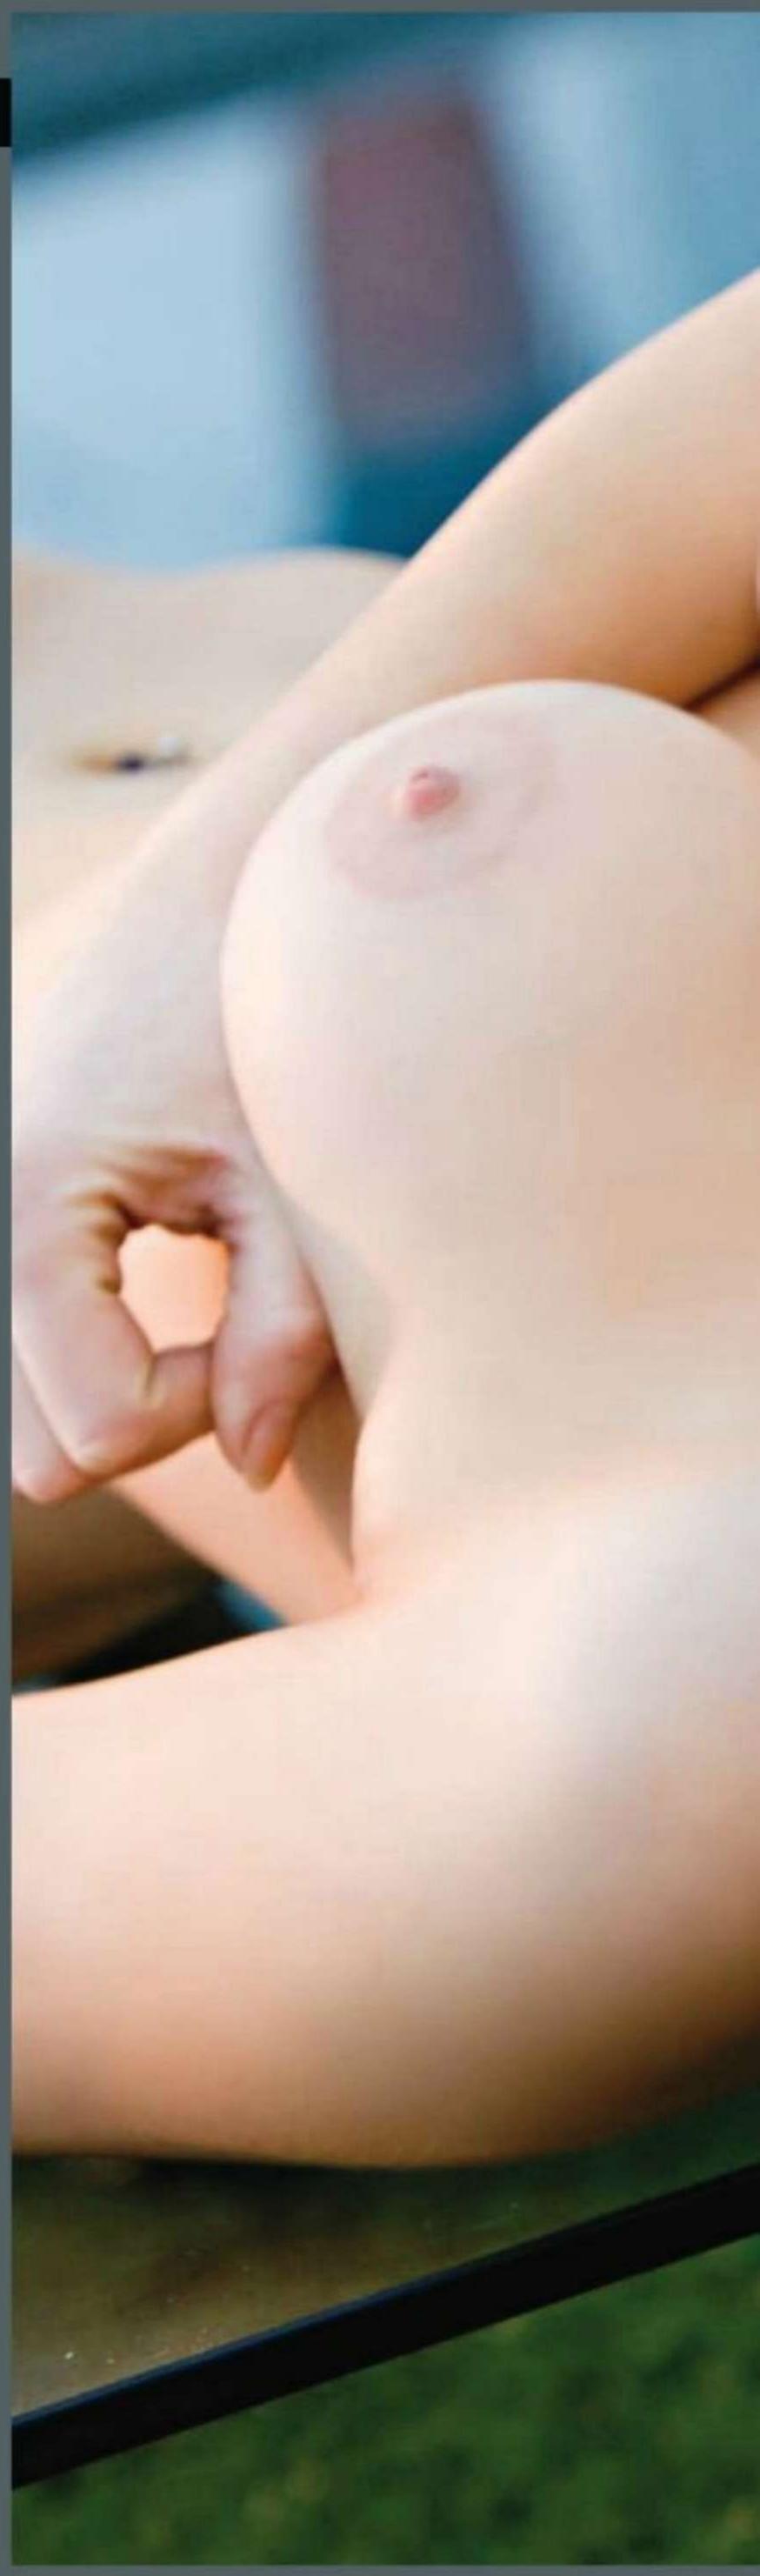

The pink kind of taco!

What's the worst pickup line a guy (or girl) has ever used on you? And what's the best?

"You are turning my floppy disk into a hard drive" is both the worst and best line that has been used on me.

You tweet a lot of pictures of yourself topless in public, like flashing your tits in the grocery store or driving topless. Do you ever get caught? What do you do then?

I probably have been caught at some time or another, but no one's ever confronted me about it in a negative way. If I did get caught and confronted, I would probably just say, "Oops!" and then walk away.

STEPHANIE PAGE

Stephanie appeared in all her headbanded, tulled and ponytailed glory in our September 1987 issue, which also had new nudes of Madonna. But she perhaps best summed up the very '80-ness of the issue by revealing her erotic fantasy: to make love on a deserted island with Rob Lowe. We would have chosen Brooke Shields ourselves, but to each his own.

ANY WAY YOU WANT IT

(Penthouse Features) Dir.: Kelly Holland

Cover girl and 2011 Penthouse Pet of the Year Nikki Benz plays it doubly dirty in her scene as an older man's mistress who, left unsatisfied, has no choice but to bang her lover's son (Seth Gamble) in the shower. Holland takes her time with their seduction and the ensuing action, and she gets extra points for the camerawork that starts off the scene. Nikki gets extra points for the nice blowjob she doles out, too. Phoenix Marie gives up her browneye as a soccer widow who finds another way to score with her boyfriend. Good stuff from two great gals.

ASIAN FUCKFEST

(Penthouse Features) Dirs.: Various

We see a lot of great stuff from our lofty perch behind the Girls of Penthouse Asian Invasion Desk, but this disk made even us sit up and take notice. Its 16 scenes are a regular Who's Cooze of Oriental porn starlets, including fan (and personal) favorites like Asa Akira, London Keyes, Charmane Star, shaven-headed sexpot Max Mikita, and our ultimate little bundle of Asian lust, Jessica Bangkok (Jesus Christ, just hearing her squeal "Oh, you're . . . in so . . . de-e-e-p!" gets us ready to blow every time). Penthouse Pet aficionados will want to check out Miko Sinz's scene with Veronica Ricci, a beautiful case of East meeting West. Very nice indeed.

BUSTY BRUNETTES

(Penthouse Forum) Dir.: Cisco Lamessi

Aliysa Moore's not quite what we'd call a brunette, but she's certainly busty enough to get cast in this one, and that's fine by us. Her scene with Danny Mountain is the last on the disk, but it's most certainly not the least. She sucks his long rod down as far as she can manage, then climbs on his face for a beautiful 69; she's especially captivating showing off her big, round hips as she bounces her ass up and down on his cock. The winner by a knockout, though, is Mason Moore, who throws down an absolute smoker with Dale Dabone—a sweaty, squirty session that has to be seen to be believed.

THE SEX SHOP

(Penthouse Forum) Dir.: Cisco Lamessi

There's a lot to love about this disk. The cast is great, including stunning blonde Brit Syren Sexton, who bangs Evan Stone in a dressing room while showing him her, uh, wares (she's incredible when she talks dirty to him with her hot British accent); the truly slutty looking Blue Angel, whose tits boast an exciting pair of hard, puffy nipples; and the ever-dependable India Summer, who pulls off a great one with Sean Michaels (the heat between them is palpable). The story of women working hard to make their lingerie shop a success will keep you interested, but the sex will keep you hooked.
