

### **WARRANTY**

The Gonset Company warrants this product to be free from defective material and workmanship when new, and will remedy any defect or replace any defective part other than the vibrator unit free of charge for a period of 3 months from date of original purchase, provided warranty registration card is filled in and mailed to us. This warranty does not apply to units which have in any way been abused or misused, either deliberately or accidentally, or have been altered.

The defective unit or part must be returned to us transportation charges prepaid, after first getting authorization to return.

No dealer or other person is authorized to assume any further liability on our behalf when selling this unit.

### **OPERATOR LICENSE REQUIRED FOR TRANSMISSION**

Operation of the *transmitter* in this equipment requires a Federal Communications Commission license. Operation without a license is illegal and is subject to penalty.

### **DANGER, HIGH VOLTAGE**

The voltages employed in this unit are sufficient to cause fatal shock under some conditions. Do not attempt to work on the unit out of the cabinet unless you are qualified to the extent of knowing what precautions to observe with regard to avoiding electrical shock. Take especial note that plate voltage appears on the plate cap of the 2E26 at all times the power supply is on, regardless of the position of the transmit-receive switch and the switch which disables the transmitter heaters.
