

WARRANTY

GLOBE ELECTRONICS warrants each new product manufactured by it to be free from defective material and workmanship and agrees to remedy any such defect or to furnish a new part in exchange for any part of any unit of its manufacture which under normal installation, use and service discloses such defect, provided the unit is delivered by the owner to our authorized wholesaler from whom purchased, intact, for examination, with all transportation charges prepaid within ninety days from the date of sale to original purchaser and provided that such examination discloses in our judgement that it is thus defective.

This warranty does not extend to any of our products which have been subjected to misuse, neglect, accident, incorrect wiring not our own, improper installation, or to use in violation of instructions furnished by us, nor extend to units which have been repaired or altered outside of our factory, nor to cases where the serial number thereof has been removed, defaced or changed, nor to accessories used therewith not of our own manufacture. We do not authorize the purchase of any replacement for any faulty component that may be found in this unit. Under no circumstances will GLOBE ELECTRONICS re-imburse the purchaser of this unit for any such purchase.

Any part of a unit approved for remedy or exchange hereunder will be remedied or exchanged by the authorized wholesaler without charge to the owner.

This warranty applies only to the original purchaser and is not transferable. This warranty is in lieu of all other warranties expressed or implied and no representative or person is authorized to assume for us any other liability in connection with the sale of our products.

GLOBE ELECTRONICS reserves the right to make circuit or component changes, or incorporate new features at any time without incurring any obligation to owners of its products previously sold.
