Dear Friend,

It would be a very simple matter indeed to provide to you a very long page of information detailing the ways **Our Ultimate Reality** will make a tremendously positive change for the better in your life and the life of those close to you in many different and profoundly positive ways, just as it already has for numerous other happy readers, as I am delighted to see every day in the messages I receive.

Instead I will simply present you with the facts you need to know about this unique book.

Our Ultimate Reality, Life, the Universe and the Destiny of mankind is a 614 page book resulting from my own 40 years of seeking, finding and receiving the truth, and from my own many life experiences, including applying The Law of Attraction to attract considerable wealth, a near death experience, and many profound "Higher" or "Inner" experiences that eventually led me to writing this book for **you**.

**Here are just a few of the valuable abilities you will learn from Our Ultimate Reality:**

- **How to heal any disease, illness or ailment, however serious it might seem**
- **How to attract anything at all that you need, wish for or desire into your life**
- **How to achieve Astral Projection and OBE's; learn the 3 best methods for each**
- **How to visit where you will go to after "death" and visit "deceased" people**
- **How to contact your Inner-Self to find the true answers to important questions**

**Our Ultimate Reality** truly is the single reference guide for everything you need to know to enjoy a happy, healthy and fulfilling life while understanding your own reality and true reason for being here. Find out why many other readers of this book have experienced such profoundly positive benefits

**Here is what you will discover the 614 pages and 114 chapters of Our Ultimate Reality:**

## **Our Ultimate Reality Part 1: Our Infinite Universe**

**Chapter 1, The Nature of the Universe:** In this chapter you will discover the true nature of the Universe in which we live. This is absolutely nothing to do with the so called "big bang theory"!

**Chapter 2, Definition of God:** This is the true definition of God, as opposed to the religious one

**Chapter 3, Hinduism:** This is the first in a series of chapters that compare, contrast and analyse the major non-dogmatic belief systems of the world and how they agree with our ultimate Universal reality

**Chapter 4, Taoism:** Another of the great and ancient traditions encompassing great wisdom

**Chapter 5, Buddhism:** Buddhism enjoys a considerable number of followers around the world and not without reason. Discover the "paths" forming the basis of this ancient culture

I scanned through the various chapters and couldn't believe just how much detailed information there is, which is written in an intelligent, articulate and very easy to understand manner just as though you are speaking directly to the person who is reading this.

You have covered everything. I am truly blown away with the sheer magnitude of this and I fully resonate with everything you have written about because much of what you talk about I have experienced myself.

The subject matter is awesome and exhilarating.

**Margaret Hill, Paisley, Scotland**

**Chapter 6, The Wisdom of the West:** Aside from the popular dogmatic Western religions, there are also great wisdoms of the Western hemisphere that everyone should understand

**In The Next Few Chapters You Will Discover The Great Universal Laws And Principles That Maintain Balance, Harmony and Stability In The Universe And How They Profoundly Affect Your Life. This is Absolutely Vital Information!**

**Chapter 7, The Principle of Mentalism:** This is one of the great Universal Laws always present within our lives. Discover how it is responsible for many so called "psychic phenomena"

**Chapter 8, The Principle of Correspondence:** Another extremely important Universal principle, teaching the truth that there is direct correspondence between all of the great planes of reality

**Chapter 9, The Principle of Vibration:** Learn the important truth about Vibration and its relationship to the Energy which constitutes all things in the Universe

**Chapter 10, The Principle of Polarity:** Find out how Polarity manifests in the Universe

This is a book that can change your life, no doubt about it. It's a goldmine of information that would be a bargain at many times the price. The book takes you by the hand and walks you through the world of spiritual knowledge, from ancient history through to present day.

The book is extensive, it runs to nearly 700 pages in all, but the layout is very easy to follow and a web-forum is available if additional help is needed. For those wishing for a wide-ranging overview of spiritual knowledge AND some highly effective modern-day methods and techniques, together with all manner of hints, tips and pointers to help you set off on your very own spiritual journey, then I would highly recommend this book.

**Frank J. Kepple, Consultant Engineer (retired)**  
**Nice, France**

**Chapter 11, The Principle of Rhythm:** Discover how Rhythm affects everything in the Universe including you and everyone and everything around you

**Chapter 12, The Principle of Cause and Effect:** The Law of Cause and Effect is one of the most important Universal Laws; discover why this is so and how it affects you

**Chapter 13, The Principle of Gender:** Discover how everything in the Universe, not just humans, flora and fauna has both masculine and feminine aspects

**Chapter 14, The Emerald Tablet of Hermes:** Discover the meaning and symbolism behind a very important and ancient text found inscribed on a green tablet, symbolically documenting the nature of the Universe and how the Universe itself came into being

**Chapter 15, The Kaballah:** A philosophy and tradition originating in ancient Judaism and an important Western source of Universal wisdom and principles based upon age-old knowledge

**[Click Here To Purchase Our Ultimate Reality Now](#)**

**Chapter 16, The Wisdom of Quantum Physics:** Quantum Physics has emerged over the last century or so as

an extremely important source of understanding of the nature of the Universe. This really is extremely important knowledge that everyone needs to know and understand

**Chapter 17, The Wisdom of the Ages:** Learn all about how, despite the many different religions, traditions and culture of the world, there is only one truth of the World and ages

**Chapter 18, The Wisdom of the Inner Planes:** Discover how [Astral Projection](#) and [Out of Body Experiences](#) are so very fundamental and valuable in discovering your own inner truths and reality

**Chapter 19, The Universe of Vibration:** Learn more about Vibration, which, together with Energy is absolutely fundamental to the entire Universe and everything within the Universe

**Chapter 20, The Law of Cause and Effect:** Find out more about the most exalted of the Universal Laws, Causation, and how this knowledge is [extremely](#) important to you

I have just completed my first read of "Our Ultimate Reality". If the Universe had given us all a manual for living when we arrived here I am sure "Our Ultimate Reality" would have been the choice.

Thank you for writing this material and making it available.

**Graham, London, United Kingdom.**

**Chapter 21, The Elements:** Learn the importance of the Universal Elements of Fire, Air, Water and Earth; these are nothing whatever to do with the familiar Earth substances of the same name

**Chapter 22, Vital Energy:** The entire Universe in all planes of life is conscious, intelligent Energy, known by many names. Discover more about this Energy and Its importance to all life

**Chapter 23, Psychic Phenomena:** In recent years so called "psychic phenomena" have become increasingly more high profile. Discover the reality behind these so called "phenomena"

### **The Science of Getting Rich**

Wallace D. Wattles

**Value \$9.97**

**The Science of Getting Rich**, is a timeless work on how to achieve and attract anything into your life, however large or small, simply by understanding and applying natural, immutable, perfect Universal principles.

Although many books have been written on these most important matters since **The Science of Getting Rich** was first published, it still remains a classic to this very day, and a work that has helped and inspired countless people to attract everything they truly desire.

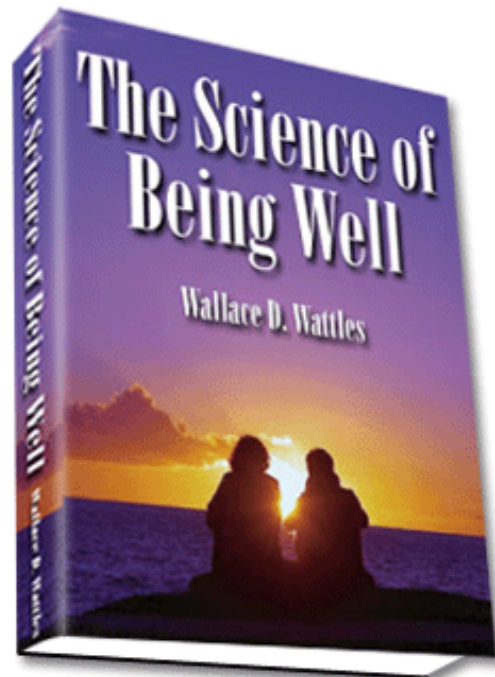

### **The Science of Being Well**

Wallace D. Wattles

**Value \$9.97**

When most people think of illness and medical treatment they usually think exclusively in terms of the physical body, doctors, medicines, clinics and other medical facilities. This of course is quite understandable as most illnesses appear to the physical senses to affect the physical body or mental state, and therefore afflictions appear to originate in those particular areas. **The Science of Being Well** reveals the origins of illness, ailments and diseases, and how to use natural Universal Laws to heal them.

### **The Science of Being Great**

Wallace D. Wattles

**Value \$9.97**

**The Science of Being Great** is another of three great works by Wallace Wattles, and one which is very difficult to find.

In this book, **The Science of Being Great**, Wallace Wattles applies the same Universal principles as he does in his other works, but this time focussed on the principles of “being great”. Universal principles and laws constantly at work in the Universe, and indeed keeping the very structure of the Universe together, will work equally as well for anything that can be needed, desired and imagined.

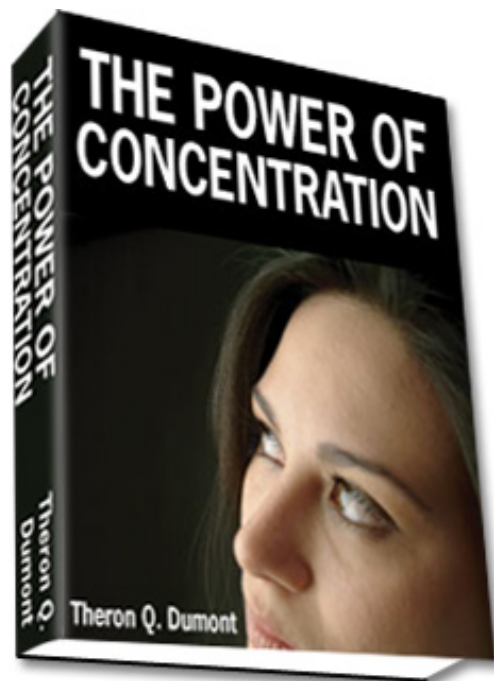

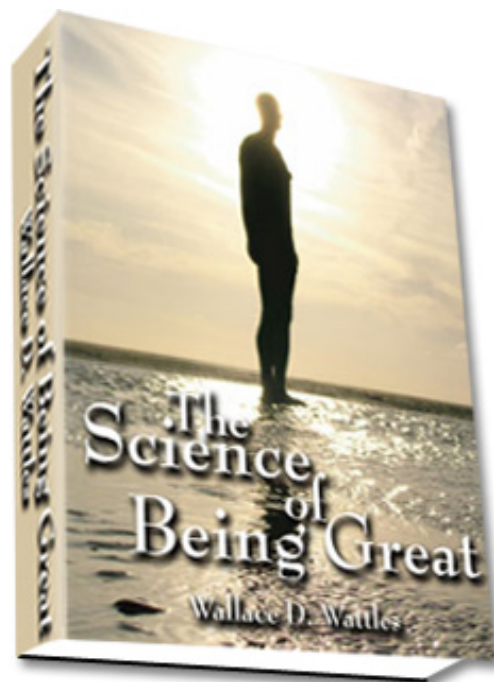

### **The Power of Concentration**

Theron Q. Dumont

**Value \$9.97**

Without adequate powers of concentration nothing worthwhile can be achieved or true progress accomplished; this is such an important truth that everyone should fully understand. On the other hand with the ability of complete powers of concentration quite literally anything is possible.

This excellent book, might have been written many years ago, but its knowledge, principles and teachings are timeless. Concentration is such a fundamental ability that it is practiced throughout the world and by many cultures for many self development purposes.

Over time your gifts will continue to increase until they are worth many times more than your original investment in Our Ultimate Reality

### Why am I offering this popular, highly acclaimed 614 page book of life for only \$37?

The reason is simple. After taking extensive advice from people involved in book publishing, and after making many comparisons with books of a comparable size and scope, I initially decided, based on all of the expert advice received to set the ongoing retail price of this 600+ page book at \$67.

However, due to the huge difference I know this book will make in the lives of all who read it, it is very important to me that **Our Ultimate Reality** is as affordable as possible. I wish for everyone to be able to enjoy the benefits of this book. **There Has Never Been A Better Time To Invest In Your Future!**

### 56 Day Guarantee

I am so completely confident that you will be nothing less than totally delighted with my book **Our Ultimate Reality, Life, the Universe and the Destiny of Mankind**, and that it will improve your life for the better that I am offering you this unconditional guarantee.

**If for any reason you are not satisfied with the book, contact me at any time within 56 days of purchasing Our Ultimate Reality to receive a full, unconditional refund.**

Remember; this book contains more genuine, valuable content than 5 or more normal sized books costing the same price or more. **Our Ultimate Reality** is much more than just another book, it is the complete definitive reference for everything you need to know
