

IEC 60915
(Second edition – 2006)

**Fixed capacitors for use in electronic equipment –
Preferred dimensions of shaft ends, bushes and for the mounting of single-hole, bush-mounted,
shaft-operated electronic components**

CORRIGENDUM 1

Replace, on the cover page, page 3 and page 5, the title of this publication by the following new title:

“Fixed capacitors and resistors for use in electronic equipment – Preferred dimensions of shaft ends, bushes and for the mounting of single-hole, bush-mounted, shaft-operated electronic components”
