Subject: My whereabouts

Hi Jay – I am headed home. If a document is ready to be reviewed later today, can you send a copy to me and also to Rolando (who is stepping in for Andy). Please send to my home e-mail address - [REDACTED] and give me a call on my cell [REDACTED] so I can be ready for some discussions tomorrow. If anything else comes up, please don't hesitate to call.

Thanks,
Marie
