Unopposed Letter Motion Seeking Extension of Time to Respond to Letter Motion
for Pre-Motion Conference and to Adjourn Pre-Motion Conference (ECF 179, 181)

Dear Judge Netburn:

By Order of the Court, counsel for Ms. Maxwell was to file a response by today's date concerning Plaintiff's request for a pre-motion conference (ECF 179), a conference which this Court scheduled for Thursday, December 20, 2018 (ECF 181).

This letter motion is to advise the Court that the parties have reached a resolution of the case and are awaiting notarized signatures of the parties. It is therefore likely that no response or hearing will be necessary.

In the interest of conserving judicial resources, the parties hereby request a one-week adjournment of the time for Ms. Maxwell to respond to the allegations made in Plaintiff's letter motion and an indefinite adjournment of the hearing scheduled for Thursday. The parties request leave to contact the Court within a week if resolution is not finalized to re-schedule the conference consistent with the Court's calendar.

Respectfully submitted,

HADDON, MORGAN AND FOREMAN, P.C.
