Aircraft Security Agreement

THIS AIRCRAFT SECURITY AGREEMENT ("Agreement") is made and entered into as of December 27, 2013 by and between FIFTH THIRD BANK, having an office at 38 Fountain Square Plaza, Cincinnati, Ohio 45263 ("Secured Party") and THORAIR, LLC, a limited liability company organized and existing under the laws of the State of Minnesota and having its chief executive offices located at 2520 South Campbell Street, Sandusky, OH 44870 ("Grantor"). Capitalized terms not otherwise defined herein have the meanings given in Article 9 hereof.

RECITALS

A. Pursuant to a Note by the Grantor, in favor of Secured Party, the Secured Party has agreed to make a term loan to the Grantor (the "Loan").

B. As a condition precedent to the making of the Loan under the Note, the Grantor is required to execute and deliver this Agreement.

C. Grantor is duly authorized to execute, deliver and perform this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in order to induce the Secured Party to make the Loan pursuant to the Note, the Grantor agrees, for the benefit of the Secured Party, as follows:

ARTICLE 1 -- GRANT OF SECURITY INTEREST

Section 1.1 Grant of Security Interest. The Grantor, in consideration of the premises and other good and valuable consideration, receipt whereof is hereby acknowledged, and in order to secure the payment of the principal of and interest on the Loan according to its tenor and effect, and to secure the payment of all other indebtedness under the Loan Documents and the performance and observance of all covenants, agreements and conditions contained in the Loan Documents (collectively referred to as the "Obligations"; provided, however, any Excluded Swap Obligations are specifically excluded from the definition of Obligations), does hereby convey, warrant, mortgage, assign, pledge, and grant a security interest to the Secured Party, its successors and assigns, in all and singular of the Grantor's right, title and interest in and to the properties, rights, interests and privileges described below and all proceeds thereof (all of which properties, rights, interests and privileges hereby mortgaged, assigned, pledged and granted or intended so to be, together with all proceeds thereof, are hereinafter collectively referred to as the "Collateral") and agrees that the foregoing grant creates in favor of the Secured Party an International Interest in the Aircraft (including the Airframe and each Engine):

a) all of the Grantor's rights, title and interests in the Equipment (including the Airframe, the Engines, and the Parts) and substitutions and replacements of any of the foregoing;

b) any and all service and warranty rights related to the Equipment, including the Engines, and claims under any thereof;

c) all proceeds of any or all of the foregoing, whenever acquired, including the proceeds of any insurance maintained with respect to any of the foregoing and all proceeds payable or received with respect to any condemnation, expropriation, requisition or other Event of Loss, or the proceeds of any warranty;

d) the Purchase Agreement, if any, and any bill of sale pursuant to which Grantor received title to the Aircraft, together with all rights, powers, privileges, options and other benefits of the Grantor under the Purchase Agreement and such bill of sale;

e) any and all present and future Rate Management Obligations, leases, subleases, management agreements, interchange agreements, charter agreements, purchase agreements and any other present and future agreements of any kind whatsoever relating to the Equipment or any part thereof, including any International Interest (and associated rights) therein or related thereto in favor of Grantor (but not any obligations, liabilities and/or duties of any kind whatsoever of Grantor or any other party, person or entity of any kind whatsoever in connection therewith or related thereto); provided, however, that the foregoing assignment and grant of a security interest and lien in this subclause (e) shall not be deemed in any way whatsoever as an agreement by the Secured Party to permit or allow the Grantor (or any party, person or entity of any kind whatsoever) to enter into any such leases, subleases, management agreements, interchange agreements, charter agreements, purchase agreements and any other present and future agreements of any kind whatsoever, and the Grantor (or any party, person or entity of any kind whatsoever) shall only be allowed to enter into any of

the foregoing in accordance with the terms of this Agreement. Grantor consents to the registration of the forgoing assignment of any International Interest (and associated rights) with the International Registry.

f) any and all present and future records, logs and other materials required by the FAA (and any other governmental authority having jurisdiction) to be maintained in respect of each item of Equipment including, without limitation, the tapes, disks, diskettes and other data and software storage media and devices, file cabinets or containers in or on which the foregoing are stored, including any rights of Grantor with respect to the foregoing maintained with or by any other person.

g) all of Grantor's right, title and interest in and to (whether the following described property or interests in property constitute accounts, chattel paper, documents, general intangibles, instruments or other property and whether now owned, existing, hereafter acquired, or arising, collectively, the "Engine Maintenance Collateral"): (a) that certain Total Assurance Program dated as of December 11, 2013 (the "Engine Maintenance Agreement") between Grantor and Williams International Co., LLC, as the engine maintenance service provider for the Aircraft and Equipment (the "Service Provider"), a true and correct copy of which is attached as Exhibit C here to and incorporated by reference herein, (b) all supporting obligations, and (c) all products, cash proceeds, and non cash proceeds of any and all of the assets and property described above.

Section 1.2 Grant Effective. The conveyance, warranty, mortgage, assignment, pledge and security interest created hereunder in all of the foregoing Collateral and International Interest created hereunder in and relating to the Airframe and each Engine are effective and operative immediately, and will continue in full force and effect until the Grantor has made such payments and has duly, fully and finally performed and observed all of its agreements and covenants and provisions then required hereunder and under the other Loan Documents.

Section 1.3 Filing of Financing Statements and Continuation Statements; Consent to Registration. Grantor hereby authorizes Secured Party to file UCC financing statements and amendments thereto, listing Grantor as debtor, and Secured Party and/or its assigns, as secured party, and describing the Collateral, and assignments thereof and amendments thereto. The Grantor, at the request of the Secured Party, will execute and deliver to the Secured Party for filing, if not already filed, such financing statements or other documents and such continuation statements with respect to financing statements previously filed relating to the conveyance, warranty, mortgage, assignment, pledge and security interest created under this Agreement in the Collateral and execute, deliver, consent to, register or file any other documents that may be required in order to comply with the Act, the Cape Town Treaty or other applicable law or as may be specified from time to time by the Secured Party. The Grantor hereby consents to the registration by the Secured Party of each International Interest in or relating to the Aircraft (including the Airframe and each Engine) assigned or created pursuant to this Agreement (including any Prospective International Interest with respect thereto) with the International Registry and covenants to effect the registration of such consent with the International Registry on the date of such assignment or creation.

Section 1.4 Delivery and Acceptance. SECURED PARTY WILL HAVE NO OBLIGATION TO ADVANCE ANY FUNDS TO GRANTOR UNLESS AND UNTIL SECURED PARTY HAS RECEIVED A GRANTOR'S ACKNOWLEDGMENT (Certificate of Acceptance) RELATING TO THE EQUIPMENT EXECUTED BY GRANTOR. Such Grantor's Acknowledgment will constitute Grantor's acknowledgment that such Equipment (a) was received by Grantor, (b) is satisfactory to Grantor in all respects, (c) is suitable for Grantor's purposes, (d) is in good order, repair and condition, (e) operates properly, and (f) is subject to all of the terms and conditions of the Loan Documents. Grantor's execution and delivery of a Grantor's Acknowledgment will be conclusive evidence as between Secured Party and Grantor that the Equipment described herein is in all of the foregoing respects satisfactory to Grantor, and Grantor will not assert any claim of any nature whatsoever against Secured Party based on any of the foregoing matters; provided, however, that nothing contained herein will in any way bar, reduce or defeat any claim that Grantor may have against the seller or supplier of the Aircraft or any other person (other than Secured Party).

Section 1.5 Additional Documents, Information. Grantor will deliver to Secured Party (a) such organizational documents for Grantor as requested by Secured Party, (b) a certificate or certificates executed by an authorized representative of Grantor certifying that the execution, delivery and performance of this Agreement and the transactions contemplated hereby have been authorized by all necessary action on the part of the Grantor, (c) an incumbency certificate of the Grantor containing the name(s), title(s) and specimen signatures of the person(s) authorized to execute and deliver such documents on behalf of Grantor, (d) if required by Secured Party, a certificate of good standing for Grantor from the state of its organization, (e) if required by Secured Party, an opinion of counsel for Grantor in form and substance reasonably satisfactory to Secured Party and its counsel; and (f) if requested by Secured Party, any and all Rate Management Agreements.

a) Grantor, at its own cost and expense, will cause the Aircraft to be duly registered in the name of Grantor as owner and subject only to Secured Party's first priority security interest and International Interest, and at all times thereafter to remain duly registered, in the name of the Grantor as owner with the FAA pursuant to the Act.

b) Grantor will not use the Aircraft in violation of any law or any rule, regulation or order (including those concerning alcoholic beverages or prohibited substances) of any governmental authority having jurisdiction (domestic or foreign) or in violation of any airworthiness certificate, license or registration relating to any item of Equipment issued by any such authority, except to the extent such violation is not material or the validity or application of any such law, rule, regulation or order is being contested in good faith and by appropriate proceedings (but only so long as such proceedings do not, in the Secured Party's opinion, involve any material danger of the sale, forfeiture or loss of such item of Equipment, or any interest, including the Secured Party's security interest or International Interest, therein or related thereto).

c) Grantor will operate the Aircraft solely in the conduct of its business and/or for commercial purposes (and not for consumer, home or family purposes) and in such configuration as authorized by the FAA. Grantor will not operate the Aircraft or permit the Aircraft to be operated (i) at any time or in any geographic area when or where insurance required by this Agreement is not in effect, (ii) in a manner or for any time period such that a Person other than Grantor will be deemed to have "operational control" of the Aircraft except with the prior written consent of Secured Party, (iii) for the carriage of persons or property for hire except with the prior written consent of the Secured Party or (iv) transport of mail or contraband. Possession, use and maintenance of the Aircraft will be at the sole risk and expense of Grantor and the Aircraft will be based at the Primary Hangar Location. Grantor will deliver to Secured Party a written waiver of any Lien or claim of Lien against the Aircraft that is or could be held by any landlord (other than a governmental entity) or mortgagee of any hangar or storage facility where the Aircraft is or will be located. Grantor will not permit the Aircraft to be based away from its designated Primary Hangar Location for a period in excess of thirty (30) days without Secured Party's prior written consent. Grantor will cause the Aircraft to be operated at all times by duly qualified pilots who (x) are supplied by Grantor, (y) hold at least a valid commercial airman certificate and instrument rating and any other certificate, rating, type rating or endorsement appropriate to the Aircraft, purpose of flight, condition of flight or as otherwise required by the Federal Aviation Regulations or other applicable law or regulation, and (z) meet the requirements established and specified by the insurance policies required hereunder and by the FAA. GRANTOR WILL NOT OPERATE, USE OR LOCATE THE AIRCRAFT, OR PERMIT OR ALLOW THE AIRCRAFT TO BE OPERATED, USED OR LOCATED, OUTSIDE THE CONTINENTAL UNITED STATES, ALASKA OR CANADA WITHOUT THE PRIOR WRITTEN CONSENT OF THE SECURED PARTY. Grantor will execute and deliver and file with the FAA on or prior to the date hereof an Irrevocable De-Registration and Export Request Authorization with respect to the Aircraft in the form attached hereto as Exhibit A.

Section 2.2 Records and Reports. The Grantor will cause all records, logs and other materials required by the FAA and any other governmental authority having jurisdiction to be maintained, in the English language, in respect of each item of Equipment. Grantor will promptly furnish or cause to be furnished to the Secured Party such information as may be required to enable the Secured Party to file any reports required to be filed by the Secured Party with any governmental authority because of the Secured Party's interests in any item of Equipment.

Section 2.3 Maintenance. Grantor, at its own cost and expense, will fly, maintain, inspect, service, repair, overhaul and test the Aircraft (including each Engine of same), or will cause the Aircraft to be flown, maintained, inspected, serviced, repaired, overhauled and tested, under an approved FAA maintenance program and in accordance with (a) all maintenance manuals initially furnished with the Aircraft, including any subsequent amendments or supplements to such manuals issued by the manufacturer from time to time, (b) all mandatory "Service Bulletins" issued, supplied, or available by or through the manufacturer and/or the manufacturer of any Engine or part with respect to the Aircraft having a compliance date during the term of the Note and up to twelve (12) months thereafter, and (c) all airworthiness directives issued by the FAA or similar regulatory agency having jurisdictional authority, and causing compliance with such directives or circulars to be completed through corrective modification or operating manual restrictions, having a compliance date during the term of the Note and twelve (12) months thereafter. Grantor will maintain the Aircraft in good and safe working order and in substantially the same condition as when originally delivered to Grantor, ordinary wear and tear excepted. Grantor will cause the Aircraft to be subject to an FAA Airworthiness Certificate at all times other than when the Aircraft as a whole is the subject of an Event of Loss. Grantor will maintain, or will cause to be maintained, in the English language, all records, logs and other materials required by the manufacturer thereof for enforcement of any warranties or by the FAA. All maintenance procedures required hereby will be undertaken and completed in accordance with the manufacturer's recommended procedures, and by properly trained, licensed and certified maintenance sources and maintenance personnel, so as to keep the Aircraft and each Engine in as good operating condition as when originally delivered to Grantor, ordinary wear and tear excepted, and so as to keep the

Aircraft in such operating condition as may be necessary to enable the airworthiness certification of such Aircraft to be maintained in good standing at all times under the Act.

Section 2.4 Replacement of Parts. The Grantor, at its own cost and expense, will promptly cause the replacement of all Parts which may from time to time become worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or permanently rendered unfit for use for any reason whatsoever. In addition, the Grantor, at its own cost and expense, may permit the removal in the ordinary course of maintenance, service, repair, overhaul or testing of any Parts, whether or not worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or permanently rendered unfit for use; provided, however, that the Grantor, at its own cost and expense, will cause such Parts to be replaced as promptly as possible. All replacement Parts must be free and clear of all Liens (except for Permitted Liens), will be in as good operating condition as, and will have a value and utility at least substantially equal to, the Parts replaced, assuming such replaced Parts were in the condition and repair required to be maintained by the terms hereof. The Grantor's rights, title and interests in all Parts at any time removed from any item of Equipment will remain subject to the Lien of this Agreement no matter where located, until such time as such Parts are replaced by Parts which have been incorporated in such item of Equipment and which meet the requirements for replacement Parts specified above. Immediately upon any replacement Part becoming incorporated or installed in or attached to any item of Equipment as above provided, without further act, (a) the Grantor's rights, title and interests in such replacement Part will become subject to the Lien of this Agreement, and such replacement Part will be deemed part of such item of Equipment for all purposes hereof to the same extent as the Parts originally incorporated in such item of Equipment, and (b) the Grantor's rights, title and interests in the replaced Part will be released from the Lien of this Agreement and the replaced Part will no longer be deemed a Part hereunder. The Grantor will, not less often than once during each calendar year, provide to the Secured Party written confirmation, in form and content acceptable to the Secured Party, that the Grantor has complied with the provisions of this Section 2.4.

Section 2.5 Alterations, Modifications and Additions. The Grantor, at its own cost and expense, will cause such alterations and modifications in and additions to the Equipment to be made as may be required from time to time to meet the standards of the FAA and of any other governmental authority having jurisdiction and to maintain the certificate of airworthiness for the Aircraft; provided, however, that the validity or application of any such law, rule, regulation or order may be contested in good faith by appropriate proceedings (but only so long as such proceedings do not, in the Secured Party's reasonable opinion, involve any material danger of sale, forfeiture or loss of any item of Equipment, or any interest, including the Secured Party's security interest or International Interest, therein or related thereto). In addition, the Grantor, at no cost or expense to the Secured Party, may, from time to time, cause such alterations and modifications in and additions to any item of Equipment to be made as the Grantor may deem desirable; provided, that no such alteration, modification and addition will (a) materially diminish the value, utility or condition of such item of Equipment below the value, utility or condition thereof immediately prior to such alteration, modification or addition, assuming the item of Equipment was then of the value and utility and in the condition required to be maintained by the terms of this Agreement, or (b) cause the airworthiness certification of the Aircraft to cease to be in good standing under the Act. The Grantor's rights, title and interests in all Parts added to the Aircraft, the Airframe, or an Engine as the result of such alteration, modification or addition will, without further act, be subject to the Lien of this Agreement. Notwithstanding the foregoing sentence of this Section 2.5, so long as no Event of Default has occurred and is continuing, the Grantor may remove any Part added to the Aircraft, Airframe, any or an Engine as contemplated in this Section 2.5 if (x) such Part is in addition to, and not in replacement of or substitution for, any Part originally incorporated in such item of Equipment at the time of delivery thereof or any Part in replacement of or substitution for any such Part, (y) such Part is not required to be incorporated or installed in or attached or added to such item of Equipment pursuant to the terms of this Article 2, and (z) such Part can be removed from such item of Equipment without causing any material damage thereto. Upon the removal of any Part as above provided, such Part will be released from the Lien of this Agreement.

Section 2.6 Maintenance of Other Engines. Each engine which does not constitute an Engine, but which is installed on the Airframe from time to time, will be maintained, operated, serviced, repaired, overhauled, altered, modified and tested in accordance with Section 2.3 to the same extent as if it were an Engine.

Section 2.7 Payment of Obligations. The Grantor hereby agrees that it will promptly pay or cause to be paid when due all taxes, assessments and other governmental charges imposed with respect to the Collateral (except to the extent being contested in good faith and by appropriate proceedings which do not involve any material risk of loss or forfeiture).

Section 2.8 Change of Name or Location. Grantor will give Secured Party thirty (30) days prior written notice of any relocation of its chief executive office and of any change in its name, identity or state of organization. At least 10 Business Days prior to the occurrence of any such change or relocation, Grantor will (a) duly file appropriate financing statements in all applicable filing offices and (b) deliver to Secured Party copies of the form of such financing statements. Grantor will hangar the Aircraft at N/A ("Primary Hangar Location"). Grantor will supply Secured Party with a waiver of any Lien or claim of Lien against the Aircraft which could be held by any landlord or mortgagee of

the hangar or future aircraft storage facility. Grantor will not remove the Aircraft, or permit the Aircraft to be removed, from its designated home airport for a period in excess of thirty (30) days, without the prior written consent of Secured Party.

Section 2.9 Inspection. Secured Party will have the right, but not the duty, to inspect the Aircraft, any component thereof, and the Records at any reasonable time and from time to time, wherever the same may be located, upon reasonable prior written notice to Grantor unless a Default or Event of Default has occurred and is continuing, in which case no prior notice will be required. At Secured Party's request, Grantor will confirm to Secured Party the location of the Aircraft and will, at any reasonable time and from time to time, make the Aircraft and/or the Records available to Secured Party for inspection.

Section 2.10 Aircraft Registration; International Registry. Grantor will not change the United States Registration Number of the Aircraft without Secured Party's prior written consent. Grantor will cause to be filed with the FAA an FAA Bill of Sale, the Agreement, an FAA application for aircraft registration and such other documents as may be required under the Act or as otherwise necessary or prudent to cause the Aircraft to be and remain duly registered at all times with the FAA in the name of Grantor as owner and subject only to Secured Party's first priority perfected security interest. Grantor will, at all times, keep on board the Aircraft a current and valid Registration Application or Certificate of Aircraft Registration. Grantor will cause each International Interest in favor of the Secured Party in or relating to the Aircraft (including in the Airframe and each Engine) created by this Agreement and, if the Aircraft is acquired by Grantor on or after March 1, 2006, the contract of sale (i.e. the bill of sale) transferring title in the Aircraft to Grantor, in each case, to be validly registered with the International Registry with such International Interests having priority over all other registered or un-registered International Interests in the Airframe and Engines. Grantor will discharge or cause to be discharged any International Interest or Prospective International Interest in or relating to the Aircraft (including the Airframe and the Engine) not consented to in writing by Secured Party. Further, Grantor will not consent to any International Interest or Prospective International Interest in or relating to the Aircraft unless prior approval is obtained from the Secured Party in writing.

Section 2.11 Financial and Other Data. During the term of the Note and so long as any amounts are outstanding thereunder, Grantor agrees to furnish Secured Party:

a) a copy of Grantor's federal income tax return with all schedules attached thereto at the time such return is filed with the Internal Revenue Service and in any event within 120 days of the end of each calendar year;

b) promptly, such additional financial and other information as Secured Party may from time to time reasonably request.

All such financial statements shall be prepared in accordance with generally accepted accounting principles, consistently applied. So long as Grantor is a reporting company under the Securities Exchange Act of 1934 and is timely filing the reports required thereunder to the Securities Exchange Commission, Grantor will have no obligation to furnish its financial statements as provided above.

Section 2.12 Late Payments. If Grantor fails to pay any amount due hereunder, after the expiration of any applicable grace period, Grantor shall pay to Secured Party a late payment fee equal to five percent (5%) of the amount unpaid. Such fee shall be payable on demand and shall constitute part of the Obligations. In addition, if Grantor fails to perform any of its obligations contained herein, Secured Party may (but will not be obligated to) itself perform such obligations, and the amount of the reasonable costs and expenses of Secured Party incurred in connection with such performance, together with interest on such amount from the date said amounts are expended at the Default Rate, will be payable by Grantor to Secured Party upon demand. No such performance by Secured Party will be deemed a waiver of any rights or remedies of Secured Party or be deemed to cure any Default of Grantor hereunder. Upon the occurrence and during the continuance of an Event of Default, or if the Note is accelerated in accordance with the terms of this Loan Agreement, the outstanding principal and all accrued interest, as well as any other charges due Lender hereunder, shall bear interest from the date on which such amount shall have first become due and payable to Lender to the date on which such amount shall be paid to Lender (whether before or after judgment), at a default rate, to be determined by Lender in its sole discretion from time to time, equal to up to six percentage points (6.0%) in excess of the otherwise applicable rate of interest, not to exceed the maximum rate permitted by applicable law (the "Default Rate").

Section 2.13 Transaction Expenses. Grantor will pay all actual and reasonable fees, costs and expenses incurred by Secured Party in connection with this Agreement and the other Loan Documents, whether or not the transactions contemplated hereby are consummated, including appraisal fees, Secured Party's counsel fees and expenses, FAA counsel fees and expenses, FAA, International Registry and UCC title and lien searches, reports, filing, registration and recording fees, charges and taxes. Grantor also agrees to pay all fees and expenses of Secured Party's counsel, FAA counsel and all other third parties who are engaged by Secured Party to update any FAA, International

Section 2.14 Reserved.

Section 2.15 Engine Maintenance. (a) Both Engines shall at all times be covered by the Engine Maintenance Agreement, or another service and maintenance contract in form and substance reasonably satisfactory to Secured Party (i.e., taken as a whole, substantially as protective as the referenced agreement) which provides for the maintenance or overhaul of such property. (b) Grantor will execute and deliver, and cause to be executed and delivered, to Secured Party, an aircraft interest holder's agreement among Grantor, Secured Party, and Service Provider with respect to the Engine Maintenance Agreement, such agreement in form and substance reasonably acceptable to Secured Party. (c) Grantor will accurately and promptly report to Service Provider the applicable hours pursuant to, and in accordance with, the power by the hour provisions of the Engine Maintenance Agreement. (d) Without Secured Party's prior written consent, Grantor will not seek, agree to or permit, directly or indirectly, (i) the cancellation or termination of the Engine Maintenance Agreement or (ii) the amendment, waiver or other change to any material term of or applicable to the Engine Maintenance Agreement. For the purposes of this Section 2.15 (d), "material" means any modification, waiver, or amendment of the Engine Maintenance Agreement which, in the judgment of Secured Party, would (A) adversely affect any of Secured Party's rights or remedies under the Loan Documents or Secured Party's security interest in or other Lien on the Collateral (including the priority of Secured Party's interests) or (B) create or result in an Event of Default.

Section 2.16 Continued Subordination. Grantor will continue to subordinate the payment of any note(s) payable obligations in the amount of $2,500,000.00 owed to ThorSport, Inc. by Grantor until such time as the Obligations of Grantor to Secured Party are paid in full. Interest only payments are permitted without Secured Party's consent, but principal payments require the consent of Secured Party, which consent shall not be unreasonably withheld.

ARTICLE 3 -- EVENTS OF LOSS

Section 3.1 Event of Loss with Respect to the Aircraft. Grantor will deliver to Secured Party written notice of the occurrence of any Event of Loss with respect to the Aircraft within five (5) days after the occurrence thereof. On the next Note Payment Date following such Event of Loss Grantor will pay to Secured Party an amount equal to the sum of (A) all amounts then due hereunder, under any other Loan Documents, and under the Note, plus (B) the Loss Value of the Aircraft determined as of such Note Payment Date. Upon payment in full by the Grantor of all such amounts, the Aircraft having suffered the Event of Loss will be released from the lien of this Agreement and the Secured Party will execute and deliver, at the Grantor's cost and expense, such instruments as may be reasonably required to evidence such release.

Section 3.2 Event of Loss with Respect to an Engine. Grantor will deliver to Secured Party written notice of the occurrence of any Event of Loss with respect to an Engine under circumstances in which there has not occurred an Event of Loss with respect to the Airframe within five (5) days after the occurrence thereof. Within thirty (30) days after the occurrence of such Event of Loss, Grantor will convey to Secured Party, as replacement for the Engine with respect to which such Event of Loss occurred, a security interest to and International Interest in an engine that is (a) the same make and model number as the Engine suffering the Event of Loss, (b) free and clear of all Liens other than Permitted Liens, (c) of a value, utility, and useful life equal to, and in as good an operating condition as, the Engine suffering the Event of Loss, assuming such Engine was of the value and utility and in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss. Grantor, at its sole cost and expense, will furnish Secured Party with such documents to evidence the conveyance and the International Interest and shall make such filings and registrations with the FAA and the International Registry (and hereby consents to such registrations with the International Registry) with respect thereto, in each case, as Secured Party reasonably requests. Upon full compliance by Grantor with the terms of this paragraph, Secured Party will release Secured Party's right, title and interest, if any, in and to the Engine suffering the Event of Loss. Each replacement engine will, after such conveyance, be deemed an "Engine" as defined herein and will be deemed part of the same Aircraft as was the replaced Engine. No Event of Loss with respect to an Engine will result in any reduction or delay in the payment of any amounts due under the Note or hereunder, or otherwise relieve Grantor of any obligation under this Agreement.

Section 3.3 Application of Payments from Governmental Authorities or other Persons. Any payments (other than insurance proceeds, the application of which is provided for in Article 4), received at any time by the Secured Party or Grantor from any governmental authority or other Person with respect to any Event of Loss, or from a governmental authority with respect to an event which does not constitute an Event of Loss, will be applied as follows:

a) Such payments will be applied in reduction of the Grantor's obligation to pay the Loss Value, if not already paid by the Grantor, or, if already paid by the Grantor, will be applied to reimburse the Grantor for its

payment of such amounts. The balance, if any, of such payment remaining thereafter, and after payment of all amounts then due and payable under the Loan Documents, will be paid to the Grantor.

b) If such payments are received with respect to a requisition for use by the government which does not constitute an Event of Loss, such payments may be retained by the Grantor.

c) Notwithstanding the foregoing provisions of this Section 3.3, any payments (other than insurance proceeds, the application of which is provided for in Article 4) received at any time by the Secured Party from any governmental authority or other Person with respect to any Event of Loss, which are payable to the Grantor, will not be paid to the Grantor if at the time of such payment an Event of Default or Default has occurred and is continuing, in which event all such amounts will be paid to and held by the Secured Party as security for the Obligations or, at the Secured Party's option, applied by the Secured Party toward the payment of such Obligations at the time due in such order of application as the Secured Party may from time to time elect. At such time as no Event of Default or Default has occurred and is continuing, all such amounts at the time held by the Secured Party in excess of the amount, if any, the Secured Party elected to apply as above provided will be paid to the Grantor.

Section 3.4 Rights Assigned. In furtherance of the foregoing, the Grantor hereby irrevocably assigns, transfers and sets over to the Secured Party all rights of the Grantor to any award or payment received by or payable to the Grantor on account of an Event of Loss.

ARTICLE 4 -- INSURANCE

Section 4.1 Insurance. Grantor, at its sole cost and expense, will maintain or cause to be maintained:

a) aircraft liability insurance covering claims arising from the use or operation of the Aircraft in or over any area (including contractual liability and bodily injury and property damage liability) in an amount not less than the greater of (i) $50,000,000 per occurrence, or such higher amounts as are required by law in the geographic location or country in or over which the Aircraft is flown, operated or located; and (ii) the amounts of aircraft liability insurance from time to time applicable to aircraft operated by Grantor (whether owned or leased) of the type of the Aircraft;

b) cargo liability insurance sufficient to cover the maximum value of cargo on the Aircraft at any one time if Grantor is engaged in transporting property of others;

c) all-risk aircraft physical damage insurance covering the Aircraft in motion and not in motion, in flight and on the ground, and the Engine and all Parts while attached to or removed from the Airframe, in an amount not less than the lesser of the full insurable value of the Aircraft or the then Loss Value;

d) for all locations which the Aircraft travels to and through: war and allied perils insurance to cover the perils of (i) war, invasion, acts of foreign enemies, hostilities (whether war be declared or not), civil war, rebellion, revolution, insurrection, martial law, military or usurped power or attempts at usurpation of power, (ii) strikes, riots, civil commotions of labor disturbances, (iii) any act of one or more persons, whether or not agents of a sovereign power, for political or terrorist purposes and whether the loss or damage resulting therefrom is accidental or intentional, (iv) any vandalism, malicious act or act of sabotage, (v) confiscation, naturalization, seizure, restraint, detention, diversion, appropriation, requisition for title or use by or under the order of any government (whether civil, military or de facto) or public or local authority and (vi) hijacking, or any unlawful seizure or wrongful exercise of control of the crew in flight; and

e) such other insurance against such other risks as is usually carried by similar companies owning or leasing and operating aircraft similar to the Aircraft. All such insurance will be maintained with insurers of recognized reputation and responsibility (reasonably satisfactory to Secured Party) having a rating not less than A-: from A.M. Best, or other rating approved by Secured Party. All insurance policies will be in a form acceptable to Secured Party.

f) If Grantor fails to maintain insurance as herein provided, Secured Party may, at its option, provide such insurance, and Grantor will, upon demand, reimburse Secured Party for the cost thereof.

Section 4.2 Requirements. All insurance policies required hereunder will: (a) require 30 days' prior written notice to Secured Party of cancellation, non-renewal or material change in coverage (any such cancellation, non-renewal or change, as applicable, not being effective until the thirtieth (30th) day after the giving of such notice) except, in the case of cancellation for non-payment of premium, only 10 days' prior written notice shall be required and in the case of cancellation of the coverages described under Section 4.1(d), notice as established under the applicable endorsements; (b) name the Additional Insureds (as hereinafter defined) as an additional insured under the liability coverage and name Additional Insureds as sole loss payee under the physical damage insurance coverage; (c) not require contributions from

other policies held by the Additional Insureds; (d) waive any right of subrogation against the Additional Insureds; (e) in respect of any liability of any of the Additional Insureds, except for the insurers' salvage rights in the event of a loss or damage, waive the right of such insurers to setoff, to counterclaim or to any other deduction, whether by attachment or otherwise, to the extent of any monies due the Additional Insureds under such policies; (f) permit but not require that any of the Additional Insureds pay or be liable for any premiums with respect to such insurance covered thereby; (g) provide for coverage in all areas in which the Aircraft is permitted to fly under the terms hereof; (h) provide that all of the provisions thereof, except the limits of liability, will operate in the same manner as if there were a separate policy covering each Additional Insured; and (i) contain breach of warranty provisions providing that, in respect of the interests of the Additional Insureds in such policies, the insurance will not be invalidated by any action or inaction of Grantor or any other person (other than an Additional Insured, as to itself only) and will insure the Additional Insureds regardless of any breach or violation of any warranty, declaration or condition contained in such policies by Grantor or by any other person (other than an Additional Insured, as to itself only). As used herein, the term "Additional Insureds" means "Fifth Third Bank and its subsidiaries and affiliated companies including The Fifth Third Leasing Company, and their respective successors and/or assigns."

Section 4.3 No Right to Self-insure. Grantor will not self-insure (by deductible, premium adjustment, or risk retention arrangement of any kind) the insurance required to be maintained hereunder, except to the extent of deductibles usually and customarily maintained by companies engaged in the same or similar business as Grantor and operating the same or similar aircraft and approved by Secured Party.

Section 4.4 Notice of Loss or Damage; Application of Proceeds. Grantor will give Secured Party prompt notice of any damage to or loss of, the Aircraft, or any part thereof. Insurance proceeds for partial loss or damage to the Aircraft or any part thereof will be applied as Secured Party in its sole discretion determines.

Section 4.5 Reports, Policies, Certificates. Prior to the Closing Date, Grantor will deliver to the Additional Insureds certificate(s) of insurance and copies of the lienholder's endorsement evidencing that the insurance coverage required hereunder has been obtained beyond such expiration date, together with a certificate certifying that such insurance complies with the terms hereof, accompanied, if requested by Secured Party, by the applicable policies and report(s) of insurance broker(s) or underwriter(s) as to the conformity of such coverage with such requirements; *provided, however*, that the Additional Insureds will be under no duty either to ascertain the existence of or to examine any certificates or reports or to advise Grantor if such insurance does not comply with the requirements of this section. Not less than fifteen (15) days prior to the expiration dates of the policies obtained by Grantor pursuant to this Section, Grantor will deliver to the Additional Insured certificate(s) of insurance and copies of the lienholder's endorsement evidencing that the coverage required hereunder has been obtained beyond such expiration date, together with a certificate certifying that such insurance complies with the terms hereof, accompanied by any additional documentation regarding such insurance requested by Secured Party.

Section 4.6 Attorney-in Fact. Grantor irrevocably appoints Secured Party (and any assignee, mortgagee and/or lender of the Secured Party) its attorney-in-fact to file, settle, or adjust, and receive payment of, claims under any insurance policy required hereby and to endorse Grantor's name on any checks, drafts or other instruments in payment of such claims, and to otherwise act in Grantor's name and on its behalf to make, execute, deliver and file any instruments or documents necessary in connection therewith, and to take any action as Secured Party (and any such assignee, mortgagee and/or lender) deems necessary or appropriate to obtain the benefits intended to inure to Secured Party under this Section 4. To the extent appropriate or permissible under applicable law, such appointment is coupled with an interest, is irrevocable, and will terminate only upon payment in full of the obligations set forth in this Agreement and/or any agreements, documents or instruments related thereto. Notwithstanding the foregoing, unless a Default or Event of Default has occurred and is continuing hereunder, Secured Party agrees that it will not exercise its powers as attorney in fact with respect to claims for damages in amounts payable under such policies of insurance which are less than the lesser of (i) $100,000.00, or (ii) ten percent (10%) of the principal amount of the Note if the original principal amount of the Note is under one million dollars ($1,000,000).

ARTICLE 5 -- EVENTS OF DEFAULT AND REMEDIES

Section 5.1 Events of Default; Remedies. As used herein, the term "Event of Default" means any of the following events:

a) Grantor fails to pay any installment of principal or interest on the Note or any amount due hereunder within ten (10) days after the same has become due;

b) Grantor fails to keep in full force and effect any of the insurance required under this Agreement, or operates the Aircraft at a time when, or at a place in which, such insurance is not in effect;

k) if Grantor is a publicly held corporation, there is a change in the ownership of Grantor's stock such that Grantor is no longer subject to the reporting requirements of the Securities Exchange Act of 1934 or no longer has a class of equity securities registered under Section 12 of the Securities Act of 1933;

l) Grantor, if an individual, dies or, if a legal entity, is dissolved;

Section 5.2 Remedies. Upon the occurrence of an Event of Default, Lender may, (i) at its option, declare all of the Obligations, including the entire unpaid principal of all Notes, all of the unpaid interest accrued therein, and all of the other sums (if any) payable by Borrower under this Agreement, any Notes, or any of the other Loan Documents, to be immediately due and payable, plus three percent (3%) of the unpaid principal of all Notes declared due by Lender (as compensation for reinvestment costs and not as a penalty), and (ii) proceed to exercise any one or more of the following remedies and any additional rights and remedies permitted by law (none of which shall be exclusive), all of which are hereby authorized by Borrower. In addition, Secured Party may exercise any one or more of the following remedies, as Secured Party in its sole discretion elects:

a) Proceed by appropriate court action, either at law or in equity, to enforce performance by Grantor of this Agreement or to recover damages, including incidental and consequential damages, for the breach hereof.

b) Cause Grantor, at its expense, promptly to return the Aircraft to Secured Party at such place as Secured Party designates.

c) Enter upon any premises where the Aircraft is located and, without notice to Grantor, take immediate possession of and remove the same, together with any Engines and Parts, by self-help, summary proceedings or otherwise without any liability of any kind whatsoever on the part of Secured Party for or by reason of such entry or taking of possession.

d) Sell or otherwise dispose of the Aircraft by public or private sale, with or without notice to the Grantor, and without having the Aircraft present at the place of sale and in such manner as it deems appropriate. Secured Party may elect to purchase the Aircraft at such sale for a price not less than the highest bona fide bid given by a Person unrelated to Grantor. Grantor waives all of its rights under laws governing such sale to the extent permitted by law. Grantor hereby agrees that ten working days' prior notice to Grantor of any public sale or of the time after which a private sale may be negotiated will be conclusively deemed commercially reasonable notice.

e) Hold, keep idle, lease, de-register, export or use or operate all or part of the Aircraft without any liability whatsoever and store the Aircraft on Grantor's premises pending lease or sale or hold a sale on such premises without liability for rent or costs whatsoever. Enter upon any premises where the Aircraft is located and, take immediate possession of and remove the same, together with any Engines and Parts, by any legal means.

f) By offset, recoupment or other manner of application, apply any security deposit, monies held in deposit or other sums then held by Secured Party or any affiliate of Secured Party, and with respect to which Grantor has an interest, against any obligations of Grantorr arising under this Agreement, any Notes or any other Loan Document, whether or not Grantor has pledged, assigned or granted a security interest to Secured Party in any or all such sums as collateral for said obligations.

g) Exercise any other right or remedy available to Secured Party under applicable law.

In addition, Grantor will be liable for all costs, charges and expenses, including reasonable legal fees and disbursements, incurred by Secured Party by reason of the occurrence of any Event of Default or in enforcing Secured Party's rights under the Agreement, before or in connection with litigation and for any deficiency in the disposition of the Aircraft.

Section 5.3 Remedies Cumulative. Each and every right, power and remedy herein specifically given to the Secured Party or otherwise in this Agreement or the other Loan Documents are cumulative and are in addition to every other right, power and remedy herein or therein specifically given or now or hereafter existing at law, including upon an Event of Default any applicable remedies specified under the Cape Town Treaty available to Secured Party, in equity or by statute, and each and every right, power and remedy whether specifically herein or therein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by the Secured Party, and the exercise or the beginning of the exercise of any power or remedy will not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Secured Party in the exercise of any right, power or remedy or in the pursuit of any remedy will impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Grantor to be an acquiescence therein.

Section 5.4 Grantor's Waiver of Rights. To the extent permitted by applicable law, the Grantor hereby waives any rights, now or hereafter conferred by statute or otherwise, which might limit or modify any of the rights or remedies of the Secured Party under or in connection with this Article 5, including any right to require Secured Party to sell, lease or otherwise use the Aircraft in mitigation of Secured Party's damages as set forth herein.

Section 5.5 Power of Attorney. The Grantor hereby appoints the Secured Party or its designated agent as such Grantor's attorney-in-fact, irrevocably, with full power of substitution, to collect all payments with respect to the Collateral due and to become due under or arising out of this Agreement or any other Loan Document, to receive all moneys (including proceeds of insurance) which may become due under any policy insuring the Collateral and all awards payable in connection with the condemnation, requisition or seizure of the Collateral, or any part thereof, to execute proofs of claim, to endorse drafts, checks and other instruments for the payment of money payable to the Grantor in payment of such insurance moneys and to do all other acts, things, take any actions (including the filing of financing statements or other documents) or institute any proceedings which the Secured Party may deem to be necessary or appropriate at any time to protect and preserve the interest of the Secured Party in the Collateral, or in this Agreement or the other Loan Documents.

Section 5.6 Distribution of Amounts Received After an Event of Default. All payments received and amounts realized by the Secured Party with respect to the Collateral after an Event of Default has occurred and is continuing (whether realized from the exercise of any remedies pursuant to this Article 5 or otherwise), as well as payments or amounts then held by the Secured Party as part of the Collateral, will be distributed by the Secured Party in the following order of priority:

a) First, so much of such payments and amounts as are required to pay the expenses paid by the Secured Party pursuant to this Article 5 (to the extent not previously reimbursed) will be paid to the Secured Party;

b) Second, so much of such payments or amounts as are required to pay the amounts payable to any Indemnified Party (to the extent not previously reimbursed) will be paid to such Indemnified Party;

c) Third, so much of such payments or amounts remaining as are required to pay in full the aggregate unpaid principal amount of the Loan, the accrued but unpaid interest thereon to the date of distribution, indemnification for funding losses, if any, and all other Obligations, will be paid to the Secured Party; such payments or amounts to be applied to the amounts so due, owing or unpaid in such order of application as the Secured Party may from time to time elect; and

d) Fourth, the balance, if any, of such payments or amounts remaining thereafter will be paid to the Grantor.

Section 5.7 Suits for Enforcement. In case of any default in payment of the Loan beyond any applicable grace period, then, regardless of whether or not the Loan has then been accelerated, the Secured Party may proceed to enforce the payment of the Loan. The Grantor agrees that, in the case of any default in the payment of the Loan, it will pay the Secured Party such further amount as is sufficient to pay the costs and expenses of collection, including reasonable attorneys' fees and expenses.

ARTICLE 6 -- REPRESENTATIONS AND WARRANTIES

Section 6.1 Representations, Warranties and Covenants of Grantor. Grantor represents, warrants and covenants that:

d) No approval, consent or withholding of objections is required from any governmental body, agency, authority or instrumentality or any other entity with respect to the entry into, or performance by, Grantor of any of the Loan Documents, except such as have already been obtained;

e) The entry into, and performance by, Grantor of the Loan Documents will not (i) violate any of Grantor's organizational documents or any judgment, order, law or regulation applicable to Grantor, or (ii) result in any breach of, constitute a default under, or result in the creation of, any lien, claim or encumbrance on any of Grantor's property (except for liens in favor of Secured Party) pursuant to, any indenture mortgage, deed of trust, bank loan, credit agreement, or other agreement or instrument to which Grantor is a party;

Grantor irrevocably consents to service of any summons and/or legal process by first class, certified United States air mail, postage prepaid, to Grantor at the address set forth herein, such method of service to constitute, in every respect, sufficient and effective service of process in any such legal action or proceeding. Section 8.6 Assignment. GRANTOR WILL NOT SELL, TRANSFER, ASSIGN, CHARTER, LEASE, CONVEY, PLEDGE, MORTGAGE OR OTHERWISE ENCUMBER THE AIRCRAFT OR THIS AGREEMENT, AND ANY SUCH ATTEMPTED SALE, TRANSFER, ASSIGNMENT, CHARTER, LEASE, CONVEYANCE, PLEDGE, MORTGAGE OR ENCUMBRANCE, WHETHER BY OPERATION OF LAW OR OTHERWISE, SHALL BE OF NO FORCE OR EFFECT WITHOUT THE PRIOR WRITTEN CONSENT OF SECURED PARTY. Following such Secured Party Transfer, the term "Secured Party" will be deemed to include or refer to each Secured Party Assignee. Grantor will provide reasonable assistance to Secured Party to complete any transaction contemplated by this subsection. Subject to the restriction on assignment contained in this subsection, this Agreement inures to the benefit of, and is binding upon, the successors and assigns of the parties hereto.

Section 8.7 Benefit of Parties, Successors and Assigns; Entire Agreement. All representations, warranties, covenants and agreements contained herein or delivered in connection herewith will be binding upon, and inure to the benefit of, the Grantor and the Secured Party and their respective legal representatives, successors and assigns. Section 8.8 Further Assurances. At any time and from time to time, upon the reasonable request of the Secured Party, the Grantor will promptly and duly execute and deliver any and all such further instruments and documents and take such action (including providing any necessary consents) with the International Registry as may be reasonably specified in such request, and as are reasonably necessary to perfect, preserve or protect the security interests, International Interests and assignments created or intended to be created hereby, or to obtain for the Secured Party the full benefit of the specific rights and powers herein granted and assigned, including the execution and delivery of Uniform Commercial Code financing statements and continuation statements with respect thereto, or similar instruments relating to the perfection of the mortgage, security interests, International Interests or assignments created or intended to be created hereby.

Section 8.11 Amendments. Neither this Agreement, nor any of the terms hereof, may be terminated, amended, supplemented, waived or modified orally, but only by an instrument in writing which is signed by the party against whom the enforcement of the termination, amendment, supplement, waiver or modification is sought.

Section 8.12 Waiver of Jury Trial. SECURED PARTY AND GRANTOR HEREBY EACH WAIVE THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF OR RELATED TO THE AIRCRAFT OR THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. THIS WAIVER IS MADE KNOWINGLY, WILLINGLY AND VOLUNTARILY BY SECURED PARTY AND GRANTOR, WHO EACH ACKNOWLEDGE THAT NO REPRESENTATIONS HAVE BEEN MADE BY ANY INDIVIDUAL TO INDUCE THIS WAIVER OF TRIAL BY JURY OR IN ANY WAY TO MODIFY OR NULLIFY ITS EFFECT. THIS WAIVER APPLIES TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO. GRANTOR AGREES THAT IT WILL NOT ASSERT ANY CLAIM AGAINST THE SECURED PARTY OR ANY OTHER PERSON INDEMNIFIED UNDER THIS AGREEMENT ON ANY THEORY OF LIABILITY FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES.

Section 8.13 Counterpart Execution; Joint and Several Liability. This Agreement and any amendments to this Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when so executed and delivered, will be an original, but all such counterparts will together constitute but one and the same instrument. Fully executed sets of counterparts will be delivered to, and retained by, the Grantor and the Secured Party. If this Agreement is executed by more than one Person as Grantor, the obligations of all such signers hereunder will be joint and several and all references to "Grantor" will apply both jointly and severally.

FIRST AMENDMENT TO AIRCRAFT SECURITY AGREEMENT (S/N RK-244)

THIS FIRST AMENDMENT TO AIRCRAFT SECURITY AGREEMENT (S/N RK-244) (this "Amendment") is made as of January 10, 2013, by and between FLIGHT OPTIONS, LLC, a Delaware limited liability company ("Borrower") and THE PRUDENTIAL INSURANCE COMPANY OF AMERICA, as collateral agent ("Agent") for the Lenders (as defined in the Security Agreement defined below).

RECITALS

A. Borrower has executed an Aircraft Security Agreement (S/N RK-244) dated as of November 16, 2011 (as amended and assigned from time to time, the "Security Agreement"), in favor of Agent as more fully described on Exhibit A attached hereto and made a part hereof. Pursuant to the Security Agreement, Borrower has granted Agent for the benefit of Lenders a first priority security interest, security assignment and lien, in, against, under and with respect to all of Borrower's right, title and interest in, to and under certain collateral, including, without limitation, a Raytheon Aircraft Company model 400A aircraft bearing manufacturer's serial number RK-244 and U.S. Registration No. N493LX, as more fully described on Exhibit A hereto (the "Aircraft").

B. Borrower and Agent have agreed to modify certain provisions of the Security Agreement.

C. All capitalized terms used but not otherwise defined herein shall have the meaning ascribed to them in the Security Agreement.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

1. Security Agreement Amendments. From and after the date of this Amendment:

(a) The Security Agreement is hereby amended by deleting Section 2.4(i) in its entirety and replacing it with the following:

> "(i) Borrower may sell the Aircraft at any time after the Lien in the Aircraft has been released in accordance with Section 3.5 hereof; and"

(b) The Security Agreement is hereby amended by deleting Section 3.5 thereof in its entirety and replacing it with the following:

> "3.5 Release of Lien. Upon receipt by Lenders on or before the date set forth on Annex H hereto of the Release Payment (to be allocated among Lenders based on their respective pro rata share of the Obligations) in immediately available funds, together with interest thereon through such date, if applicable, so long as no Default or Event of Default then exists, Lenders shall release the aircraft identified on such Annex corresponding to such Release Payment from the Lien of the applicable security agreement in favor of Lender. For purposes hereof, "Release Payment" means, for any Aircraft or group of Aircraft, the payment specified by reference to Annex H hereto. Notwithstanding the foregoing, to the extent at any time that the Release Payment exceeds the aggregate unpaid Obligations, then the aggregate Release Payment for any and all remaining aircraft indicated on Annex H at such time shall equal the aggregate unpaid Obligations."

(c) The Security Agreement is hereby amended by deleting Annex D to the Security Agreement in its entirety and replacing it with Annex D in the form set forth on Exhibit B attached hereto and made a part hereof.

RECITALS

A. The Prudential Insurance Company of America ("PICA") and/or Ferry Street I LLC ("Ferry"; and together with PICA, "Lenders") are parties to certain loan and aircraft security agreements, promissory notes (the "Notes") and other loan documents securing, evidencing or relating to loans financing the Financed Aircraft (the "Existing Documents").

B. The Borrower has requested that Lenders amend certain of the Existing Documents, and Lenders are willing to do so, provided that the Borrower secure the Obligations by granting Agent a Lien on the Additional Aircraft and related collateral.

NOW, THEREFORE, in consideration of the mutual agreements contained herein, and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Borrower agrees as follows:

Capitalized terms used but not otherwise defined in this Agreement shall have the meanings ascribed to them in Annex A attached hereto and made a part hereof.

SECTION 1. Representations and Warranties. In order to induce Lenders to amend the Existing Documents, Borrower represents and warrants to Agent and Lenders, and agrees with Agent and Lenders, that:

(a) Borrower (i) is duly qualified to do business in each jurisdiction in which the conduct of its business or the ownership or operation of its assets requires such qualification, including the jurisdiction of the primary hangar location of the Aircraft, other than any such jurisdiction as to which the failure to be so qualified could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect; (ii) has the necessary limited liability company authority and power to own and operate the Aircraft and its other material assets and to transact the business in which it is engaged; (iii) is a "citizen of the United States" within the meaning of the Transportation Code; and (iv) has full limited liability company power, authority and legal right to execute and deliver this Agreement, to perform its obligations hereunder and thereunder and to grant the security interest, security assignment and Lien created by this Agreement;

(b) (i) Borrower's name as shown in the preamble of this Agreement is its exact legal name as shown on its certificate of formation or limited liability company agreement, each as amended and in effect as of the Closing Date; (ii) Borrower has the form of business organization set forth in Annex B attached hereto and made a part hereof and is and will remain duly organized, validly existing and in good standing under the laws of the state of its organization set forth in Annex B hereto; (iii) Borrower's federal taxpayer identification number, state-issued organizational identification number (if any) and chief executive office and principal place of business address are all as set forth on Annex B hereto; and (iv) Borrower is "situated" in a country that has ratified or acceded to the Cape Town Convention within the meaning of Article 4 of the Convention;

(c) this Agreement (i) has been duly authorized by all necessary action on the part of Borrower consistent with its form of organization and does not require the approval of or notice to any other Person

SECTION 2. Covenants. Borrower covenants and agrees that from and after the Closing Date and so long as any of the Obligations are outstanding:

2.1 Notices and Further Assurances. Borrower will, at its sole expense:

(a) promptly give written notice to Agent of (i) the occurrence of any Default or Event of Default; (ii) the occurrence of any Event of Loss; (iii) the commencement or threat of any Proceeding; (iv) any dispute between Borrower and any governmental regulatory body or other Person that involves the Aircraft or that might materially interfere with the normal business operations of Borrower; (v) any Material Damage concurrently with its report of same to the applicable governmental authority, and if no such report is required, within ten (10) days of the occurrence of such Material Damage, together with any damage reports provided to the FAA or any other governmental authority, the insurers or supplier of the Aircraft, and any documents pertaining to the repair of such damage, including copies of work orders, and all invoices for related charges; (vi) any Lien that attaches to the Aircraft and the full particulars of the Lien, within ten (10) days after Borrower becomes aware of such Lien; (vii) any change of the primary hangar location from that set forth in Annex B hereto, at least ten (10) days prior to any such change; (viii) any accident involving the Aircraft causing bodily injury or property damage to third parties, within five (5) days of such accident; (ix) the renewal or replacement of the insurance coverage required by this Agreement, at least ten (10) days prior to the policy expiration date for such insurance; and (x) any material change in the appearance or coloring of the Aircraft; and

(b) promptly execute and deliver to Agent such further instruments, UCC and FAA filings and other documents, make, cause to be made and/or consent to all registrations with the International Registry and take such further action, as Agent may from time to time reasonably request in order to further carry out the intent and purpose of this Agreement and the other Loan Documents and to establish and protect the rights, interests and remedies created, or intended to be created, in favor of Agent hereby and thereby. Borrower hereby irrevocably authorizes Agent and any employee, officer or agent thereof, in such jurisdictions where such action is authorized by law, to effect any such recordation or filing without the signature of Borrower thereto. Borrower hereby further agrees that (i) it shall not change its presently existing legal name or its form or state of organization on or at any time after the date of this Agreement without Agent's prior written consent, (ii) if its presently existing state organizational identification number changes on or at any time after the date of this Agreement, Borrower shall immediately notify Agent thereof, and (iii) it shall not change its presently existing mailing, chief executive office and/or principal place of business address on or at any time after the date of this Agreement without giving Agent fifteen (15) days' prior written notice of the same. Borrower will pay, or reimburse Agent for, any and all fees, taxes, insurance premiums, costs and expenses of whatever kind or nature incurred in connection with the creation, preservation and protection of the Collateral and the perfection and first priority of Agent's security interest, security assignment and Lien therein.

performance of its obligations under this Agreement and the other Loan Documents to which it is a party or necessary for the conduct and operation of the Aircraft and its business; (g) cause the Aircraft to remain duly registered, in its name, under the Transportation Code; (h) pay and perform all of its obligations and liabilities when due; and (i) not discharge or allow to be discharged any international interest or other Registerable Interest created in favor of Agent.

2.3 Taxes. Borrower will file with all appropriate taxing authorities all Federal, state and local income tax returns that are required to be filed and all registrations, declarations, returns and other documentation with respect to any personal property taxes (or any other taxes in the nature of or imposed in lieu of property taxes) due or to become due with respect to the Aircraft. Borrower will (i) pay on or before the date when due all taxes as shown on said returns (other than any of the foregoing being contested in good faith by appropriate and diligent legal proceedings and for which appropriate reserves are maintained in accordance with GAAP) and all taxes assessed, billed or otherwise payable with respect to the Aircraft directly to the appropriate taxing authorities; (ii) pay when due all license and/or registration or filing fees, assessments, governmental charges and sales, use, property, excise, privilege, value added and other taxes (including any related interest or penalties) or other charges or fees now or hereafter imposed by any governmental body or agency upon Borrower or the Aircraft with respect to the landing, airport use, manufacturing, ordering, shipment, purchase, ownership, delivery, installation, leasing, chartering, operation, possession, use or disposition of the Aircraft or any interest therein; and (iii) pay when due all stamp, documentary, registration or other like duties or taxes now or hereafter imposed by any governmental authority on or in connection with this Agreement or the other Loan Documents (the items referred to in (i), (ii) and (iii) above being referred to herein collectively, as "Impositions").

2.4 No Disposition of Collateral or Liens; Title and Security Interest; Sale of Aircraft. Borrower shall not sell, assign, enter into any Third Party Agreement, convey, mortgage, exchange or otherwise encumber, transfer or relinquish possession of or dispose of the Airframe, Engines (including all associated rights associated with or secured thereby and the related international interests), proceeds, any part thereof or any of the other Collateral or attempt or offer to do, or suffer or permit any of the foregoing until the Obligations shall have been indefeasibly paid in full. The foregoing shall not be deemed to prohibit the delivery of possession of the Aircraft, any Engine or Part to another Person for testing, service, repair, maintenance, overhaul or, to the extent permitted hereby, for alteration or modification. Borrower will not create, assume or suffer to exist any Liens on or with respect to the Aircraft, any Engine, APU, Part or any of the other Collateral, or Borrower's interest therein other than Permitted Liens. Borrower will promptly take such action as directed by Agent to duly discharge any such Lien. Borrower will warrant and defend its good and marketable title to the Aircraft, free and clear of Liens other than Permitted Liens, and the perfection and first priority of Agent's security interest, security assignment and Lien in the Collateral, against all claims and demands whatsoever.

Notwithstanding anything contained herein to the contrary, so long as no Event of Default or Default then exists:

(i) upon thirty (30) days' prior written notice to Agent, Borrower may sell the Aircraft, provided that (x) on the sale date Agent receives in immediately available funds the Minimum Payment set forth on Annex G hereto corresponding to the month in which such sale occurs, together with any principal installment then due and payable under the Obligations and all interest accrued on the Obligations through the date of payment to Agent (collectively, the "Sale Payment"), *first*, to be applied to the payment in whole or in part of the Obligations in such order and manner as Agent may elect, and *second*, any excess remaining after such application, to be disbursed to Borrower; and (y) if the unpaid principal balance of any of the Notes is reduced by such Minimum Payment, the principal installments set forth in Exhibit A to such Note shall be deemed amended from and after the payment date immediately following the sale date to reflect the amortization of the then unpaid principal balance of such Note over the remaining payment dates as determined by Agent in its sole discretion; and

(ii) Borrower may charter the Aircraft to any customer of Borrower from time to time, in each case, subject, however, to the satisfaction of the following conditions: (A) Borrower shall hold a current and valid Air Carrier Certificate and Air Taxi Certificate (Part 298 Certificate) issued by the FAA; (B) Borrower shall

be and remain in compliance with any and all Applicable Laws with respect to any such charter or any use and operation of the Aircraft under any charter agreement; (C) Borrower maintains appropriate insurance with regard to the operation of the Aircraft under Part 135 of the FARs (which insurance shall be in form and substance satisfactory in all respects to Agent in the exercise of its reasonable credit judgment); and (D) no charter exceeds thirty (30) days in duration; and

(iii) Borrower may make the Aircraft temporarily available to a fractional share owner participating in Borrower's fractional share program pursuant to a master interchange agreement between Borrower and such fractional share owner (the "Interchange Agreement"), in each case, subject, however, to the following conditions: (A) Borrower shall hold a current and valid Air Carrier Certificate and Air Taxi Certificate (Part 298 Certificate) issued by the FAA and shall at all times be in full compliance with any and all applicable FARs and any other Applicable Laws with respect to the use and operation of the Aircraft under the Interchange Agreement and in Borrower's fractional share program; (B) the Interchange Agreement entered into with such fractional share owner shall (1) not contain provisions that are inconsistent with the provisions of any of the Loan Documents or cause Borrower to breach any of its representations, warranties or agreements under any of the Loan Documents, (2) not convey any Lien on or any property right, title or other interest in the Airframe, the Engines or any of the other Collateral, other than the right to have the Aircraft made available to such fractional share owner pursuant to such Interchange Agreement, (3) be and remain subject and subordinate to Agent's Lien in and with respect to the Collateral and Agent's rights and remedies under the Loan Documents, and (4) not permit any further disposition of or Lien on the Airframe, the Engines or any of the other Collateral; and (C) such other terms and conditions as Agent deems reasonably necessary and appropriate; and

(iv) upon thirty (30) days' prior written notice to Agent, Borrower may lease the Aircraft, subject, however, to the satisfaction of the following conditions (which conditions shall be satisfied prior to, and at all times during, any leasing of the Aircraft pursuant to the terms of this paragraph): (A) the lessee is and remains a solvent, domestic company; (B) any such lease shall be in full and complete compliance with Part 91 of the FARs or any other Applicable Standards with respect to any such lease or to the use and operation of the Aircraft under such lease; (C) a copy of any proposed lease is delivered to Agent and is in form and substance satisfactory in all respects to Agent; (D) Borrower and lessee duly execute and deliver to Agent, the Consent to Lease (the terms of which are hereby incorporated by their reference); (E) any such lease (1) constitutes a "true" lease under the UCC and other applicable commercial law and for the purposes of the Cape Town Convention, and not a grant of a "security interest" as such term is used in Section 1-201 (37) of the UCC, (2) expressly, and at all times remains, subject and subordinate to this Agreement and the rights of Agent hereunder and in and to the Aircraft, including, without limitation, any rights of Agent to repossess the Aircraft and to terminate such lease pursuant to Section 5 hereof, (3) does not permit any further leasing or other disposition, (4) does not permit any de-registration of the Aircraft from the FAA registry or registration of the Aircraft in the registry of the aviation authority or other governmental authority of any other nation, (5) does not contain provisions that are inconsistent with the provisions of this Agreement or cause Borrower to breach any of its representations, warranties or agreements under or in connection with this Agreement, (6) automatically terminates upon the occurrence of any Event of Default under this Agreement, and (7) otherwise conforms to the Consent to Lease; (F) Borrower does not convey any interest (except for any leasehold interest expressly permitted in this paragraph) in, or Lien on, the Aircraft; and (G) Borrower (1) shall not file or record, or permit or consent to the filing or recordation of, any such lease with the FAA, except for truth in leasing purposes under 14 CFR Section 91.23, and (2) shall not register, or consent to the registration of, any international interests or prospective international interests in connection with any such lease and/or the Aircraft with the International Registry or under the Cape Town Convention.

In no event shall the foregoing permitted chartering, leasing or other undertaking contemplated in this Section 2.4 reduce any of the obligations of Borrower or the rights of Agent or either Lender under this Agreement, and all of the obligations of Borrower shall be and remain primary and shall continue in full force and effect as the obligations of a principal and not of a guarantor or surety.

(a) Borrower will operate the Aircraft under and in compliance with Part 135 of the FARs, subject to the terms hereof. The Aircraft at all times will be operated by duly qualified pilots having satisfied all requirements established and specified by the FAA, the Transportation Security Administration, any other applicable governmental authority and the insurance policies required under this Agreement.

(b) Borrower will operate the Aircraft in a careful and proper manner in compliance with all Applicable Standards, including, without limitation, its operation, maintenance and security. The Aircraft shall not be operated, used or located outside the continental United States, except that it may be flown temporarily to any country in the world for any purpose expressly permitted under this Agreement. Notwithstanding the foregoing, the Aircraft shall not be flown, operated, used or located in, to or over any such country or area (temporarily or otherwise), (i) that is excluded from the insurance required hereunder (or specifically not covered by such insurance), (ii) with which the United States does not maintain favorable diplomatic relations, (iii) in any area of recognized or threatened hostilities, (iv) to the extent that payment of any claim under the insurance required hereunder directly or indirectly arising or resulting from or connected with any such flight, operation, use or location would be prohibited under any trade or other economic sanction or embargo by the United States of America, or (v) in violation of this Agreement or any Applicable Standards, including any U.S. law or United Nations Security Council Directive.

(c) Borrower will, at its own expense, (i) maintain, inspect, service, repair, overhaul and test the Airframe, each Engine, any APU and each Part in accordance with Applicable Standards; (ii) make any alteration or modification to the Aircraft that may at any time be required to comply with Applicable Standards, to cause the Aircraft to remain airworthy or to maintain the Aircraft's airworthiness certification; (iii) furnish all parts, replacements, mechanisms, devices and servicing required therefor so that the condition and operating efficiency of the applicable Airframe, Engine, APU or Part will at all times be no less than its condition and operating efficiency as and when delivered to Borrower, ordinary wear and tear from proper use alone excepted; (iv) promptly replace all Parts that become worn out, lost, stolen, taken, destroyed, damaged beyond repair or permanently rendered or declared unfit for use for any reason whatsoever; (v) maintain (in English) all Records in accordance with Applicable Standards; and (vi) enroll and maintain the Airframe in a Computerized Maintenance Monitoring Program and the Engines in the Engine Maintenance Program. All repairs, parts, replacements, mechanisms and devices so furnished shall immediately, without further act, become part of the Aircraft and subject to the security interest created by this Agreement. All maintenance procedures shall be performed by properly trained, licensed, and certified maintenance sources and maintenance personnel utilizing replacement parts approved by the FAA and the manufacturer of the applicable Airframe, Engine, APU or Part. Without limiting the foregoing, Borrower shall comply with all mandatory service bulletins and airworthiness directives by causing compliance to such bulletins and/or directives to be completed through corrective modification in lieu of operating manual restrictions. Borrower shall not discriminate in its maintenance of the Aircraft between the Aircraft and any other aircraft that Borrower may lease, own, operate or maintain.

(d) On or before the tenth (10th) day after each annual anniversary of the Closing Date, Borrower shall provide to Agent a report specifying the number of flight hours on the Airframe at the start of said year of operation and the number of flight hours on the Airframe at the end of said year of operation, in each case as determined by the Aircraft's Hobbs meter. If the number of flight hours on the Airframe in any year of operation (based on a 12-month period commencing on the Closing Date and each 12-month period thereafter) is in excess of the flight hours limitation set forth on Annex B hereto, then Borrower shall pay Agent an amount equal to the per hour charge set forth on Annex B hereto for each flight hour during such 12-month period in excess of such flight hours limitation. Agent shall apply such payment as a partial prepayment of the Obligations without any prepayment penalty. Such payment shall be made to Agent on or before the thirtieth (30th) day after each annual anniversary of the Closing Date.

(e) Borrower will not make or authorize any improvement, change, addition or alteration to the Aircraft that will impair the originally intended function or use of the Aircraft, diminish the value of the Aircraft as it existed immediately prior thereto, or violate any Applicable Standard; and any Part,

mechanism, device or replacement added to the Aircraft in connection therewith shall immediately, without further act, become part of the Aircraft and subject to the security interest, security assignment and Lien created by this Agreement.

(f) Borrower shall prominently display on the Aircraft the FAA Registration number specified in Annex C hereto. If requested by Agent in writing, Borrower shall, at its expense, attach to the Aircraft a notice satisfactory to Agent disclosing Agent's security interest in the Aircraft.

(g) In the event any Engine is damaged and is being repaired, or is being inspected or overhauled, Borrower, at its option, may temporarily substitute another engine of the same make and model as the Engine being repaired or overhauled (any such substitute engine being hereinafter referred to as a "Loaner Engine") during the period of such repair or overhaul; provided no Event of Default or Default then exists and (i) installation of the Loaner Engine is performed by a maintenance facility certified by the FAA and manufacturer with respect to an aircraft of this type, (ii) the Loaner Engine is removed, and the repaired or overhauled original Engine is reinstalled on the Airframe promptly upon completion of the repair or overhaul but in no event later than the earlier of ninety (90) days after removal or the occurrence of an Event of Default, and (iii) the Loaner Engine is free and clear of any Lien that might impair Agent's rights or interests in the Aircraft and is maintained in accordance herewith.

(h) Borrower shall implement all security measures and systems required by any governmental authority, or by any insurance policies or that are necessary or appropriate for the proper protection of the Aircraft (whether on the ground or in flight) against theft, vandalism, hijacking, destruction, bombing, terrorism or similar acts. Upon Agent's request (but without Agent having any obligation with respect to Borrower's compliance with the provisions of this Section 2.5(h)), Borrower shall provide Agent with evidence of Borrower's compliance with its obligations under this Section 2.5(h).

2.6 Insurance.

(a) Borrower agrees to maintain at all times, at its sole cost and expense, with insurers of recognized reputation and responsibility satisfactory to Agent (but in no event having an A.M. Best or comparable agency rating of less than "A-"):

(i) (A) comprehensive aircraft and general liability insurance against bodily injury or property damage claims including, without limitation, contractual liability, premises damage, public liability, death and property damage liability, public and passenger legal liability coverage, and sudden accident pollution coverage, in an amount not less than $150,000,000.00 for each single occurrence, and (B) personal injury liability in an amount not less than $25,000,000.00;

(ii) "all-risk" ground, taxiing, and flight hull insurance on an agreed-value basis, covering the Aircraft, provided that such insurance shall at all times be in an amount not less than the full replacement value of the Aircraft (as determined by Agent in its reasonable judgment) (such amount re-determined as of each anniversary of the Closing Date for the next succeeding year throughout the term of this Agreement); and

(iii) war risk and allied perils (including confiscation, appropriation, expropriation, terrorism and hijacking insurance) in the amount of $50,000,000 for liability insurance and in the amount required in paragraph (b) above for hull insurance.

(b) Any policies of insurance carried in accordance with this Section 2.6 and any policies taken out in substitution or replacement of any such policies shall (i) be endorsed to name Agent and Lenders as additional insureds as their interests may appear (but without responsibility for premiums), (ii) provide, with respect to insurance carried in accordance with Section 2.6(a)(ii) or (a)(iii) above, that any amount payable thereunder shall be paid directly to Agent as sole loss payee and not to Agent and Borrower jointly, (iii) provide for thirty (30) days' (seven (7) days' in the case of war, hijacking and allied perils) prior written notice by such insurer of cancellation, (iv) include a severability of interest clause providing that such policy shall operate in the same manner as if there were a separate policy covering

each insured, (v) waive any right of set-off against Agent and/or Lenders, and any rights of subrogation against Agent and/or Lenders, (vi) provide that in respect of the interests of Agent and Lenders in such policies, that the insurance shall not be invalidated by any action or inaction of Borrower or any other Person operating or in possession of the Aircraft, regardless of any breach or violation of any warranties, declarations or conditions contained in such policies by or binding upon Borrower or any other Person operating or in possession of the Aircraft, and (vii) be primary, not subject to any co-insurance clause and shall be without right of contribution from any other insurance. Notwithstanding clause (ii) of the preceding sentence, so long as no Default or Event of Default then exists and no Event of Loss with respect to the Aircraft has occurred, any amount payable to Agent pursuant to clause (ii) above shall be paid if (A) $200,000.00, or more, in the aggregate, to Agent and Borrower, jointly, as their interests may appear, and released by Agent to Borrower or other appropriate Persons in payment of the costs actually incurred with respect to repairs made to the Aircraft so as to restore it to the operating condition required by this Agreement, or shall be disbursed by Agent as otherwise required by this Agreement, or (B) less than $200,000.00 in the aggregate, to Borrower (and such amounts shall be applied by Borrower to pay the costs of such repairs). Borrower shall consult with Agent prior to agreeing to any settlement or adjustment of any claim in respect of damage, repair or other loss to the Aircraft, including, without limitation, the Airframe, Engines and any Part, where the cost of replacement or fair market value of the damage, repair or other loss to the Aircraft, including, without limitation, the Airframe, Engines and any Part, is in excess of $200,000.00.

(c) All of the coverages required herein shall be in full force and effect worldwide throughout any geographical areas to, in or over which the Aircraft is operated. Borrower shall not self-insure (by deductible, premium adjustment, or risk retention arrangement of any kind) the insurance required to be maintained hereunder. All insurance proceeds payable under the requisite policies shall be payable in U.S. Dollars. Borrower agrees that it shall obtain and maintain such other insurance coverages, or cause adjustments to be made to the scope, amount or other aspects of the existing insurance coverages, as promptly as practicable upon Agent's request, as and when Agent, in the exercise of its good faith credit discretion, deems such additional insurance coverages or modifications to be appropriate in light of any changes in Applicable Standards, the insurance market, Borrower's anticipated use of the Aircraft or other pertinent circumstances.

(d) Annually on or before the anniversary of the policy expiration date, Borrower shall furnish to Agent evidence of insurance coverage in form and substance reasonably satisfactory to Agent evidencing that Borrower has obtained the insurance coverages required herein for a twelve (12) month or greater period commencing from and after such anniversary date, and, if Agent shall so request, a copy of the applicable policies. In the event Borrower shall fail to maintain insurance as herein provided, Agent and/or Lenders may, at their option, provide such insurance, and Borrower shall, upon demand, reimburse Agent and/or Lenders for the cost thereof, together with interest at the highest default rate of interest provided for in the Loan Documents from the date of payment through the date of reimbursement.

2.7 Event of Loss.

(a) Upon the occurrence of any Event of Loss with respect to the Airframe and/or the Aircraft, Borrower shall notify Agent of any such Event of Loss within five (5) Business Days of the date thereof. Borrower shall pay Agent, within forty-five (45) days after the occurrence of such Event of Loss, in immediately available funds the greater of (i) all insurance proceeds received by Borrower in connection with such Event of Loss, and (ii) the Minimum Payment set forth on Annex G hereto corresponding to the month in which such payment occurs, together with any principal installment then due and payable under the Obligations and all interest accrued on the Obligations through the date of payment to Agent, *first*, to be applied to the payment in whole or in part of the Obligations in such order and manner as Agent may elect, and *second*, any excess remaining after such application, to be disbursed to Borrower; and (y) if the unpaid principal balance of any of the Notes is reduced by such Minimum Payment, the principal installments set forth in Exhibit A to such Note shall be deemed amended from and after the payment date immediately following the sale date to reflect the amortization of the then unpaid principal balance of such Note over the remaining payment dates as determined by Agent in its sole discretion. Upon indefeasible payment in full of such amounts and so long as no Event of Default has occurred and is continuing, the

Aircraft shall be released from the security interest of this Agreement, and Agent shall discharge all registrations with the International Registry with respect to the Aircraft.

(b) Upon an Event of Loss with respect to any Engine or APU under circumstances in which there has not occurred an Event of Loss with respect to the Airframe, Borrower shall, within thirty (30) days after the occurrence of such Event of Loss, replace such Engine or APU, as applicable, and grant to Agent a first priority security interest and security assignment in a similar or better engine or auxiliary power unit, as applicable. Such engine or auxiliary power unit, as applicable, shall be of the same make and model number as the Engine or APU suffering the Event of Loss and shall be free and clear of all Liens and shall have a value, utility and useful life at least equal to, and be in as good an operating condition as, the Engine or APU suffering the Event of Loss, assuming such Engine or APU was in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss. Borrower, at its own cost and expense, shall furnish Agent with such documents to evidence such conveyance and make such filings as Agent shall request to subject such engine or auxiliary power unit, as applicable, to the lien of this Agreement. Each such replacement engine or auxiliary power unit, as applicable, shall, after such conveyance be deemed an "Engine" or "APU" (as defined herein), as applicable, and shall be deemed part of the same Aircraft as was the Engine or APU replaced thereby.

(c) Agent shall be entitled to receive and retain all proceeds payable by any insurer with respect to an Event of Loss, by any manufacturer with respect to a Return to Manufacturer or by any governmental authority with respect to any Requisition of Use, as the case may be; provided, however, that so long as no Default or Event of Default then exists and Borrower has complied with the provisions of this Section 2.7, then Agent shall remit such proceeds to Borrower.

(d) If the Airframe, any Engine, APU or major Part has suffered any damage requiring the FAA to be notified of such damage by use of an FAA Form 337 or otherwise, then within ten (10) days of such notification to the FAA, Borrower shall notify Agent of such damage, and Agent and Borrower shall consult for the purpose of determining the diminished value of the Aircraft resulting from such damage history. The diminished value of the Aircraft shall be the amount by which the fair market sales value of the Aircraft without such damage history exceeds the fair market sales value of the Aircraft with such damage history. For purposes hereof, fair market sales value shall be determined on the following basis: (i) the value shall be the amount which would be obtained in an arm's length transaction between an informed and willing buyer (who is not a used aircraft dealer), and an informed and willing seller under no compulsion to sell; (ii) the costs of removal of the Aircraft from its then location shall not be a deduction from such value; and (iii) in determining any such value, it shall be assumed (whether or not the same be true) that the Aircraft has been maintained by Borrower and is in the condition in which it is required to be in accordance with this Agreement and that the total number of Airframe flight hours (including any component with hourly overhaul schedules) accumulated from the Closing Date to the date of such damage do not exceed the product of the flight hours limitation set forth in Annex B hereto times the number of twelve month periods and any portion thereof from the Closing Date to such date.

Within ten (10) days after Borrower and Agent agree upon the diminished value of the Aircraft, Borrower shall pay Agent the amount of such diminished value, which payment Agent shall apply as a partial prepayment of the Obligations without any prepayment penalty. If Borrower and Agent cannot agree on the diminished value of the Aircraft within ten (10) days after notification of such damage to the FAA, then Agent shall appoint an independent appraiser (reasonably acceptable to Borrower) to determine such value. Borrower agrees to pay the costs and expenses of any such determination and appraisal. The independent appraiser shall be required to complete such determination as promptly as practicable, but in any event, not later than forty (40) days after the date on which it is appointed. A final determination by the independent appraiser regarding the extent of any diminished value of the Aircraft shall be binding on Borrower and Agent. Within ten (10) days after the independent appraiser's determination of the diminished value of the Aircraft, Borrower shall pay Agent the amount of such diminished value, which payment Lenders shall apply as a partial prepayment of the Obligations without any prepayment penalty.

SECTION 3. Security Interest; Power of Attorney; Inspection; Release of Lien.

3.1 Grant of Security Interest. As collateral security for the prompt and complete payment and performance as and when due of all of the Obligations and in order to induce Lenders to amend the Existing Documents, Borrower hereby grants, pledges and assigns to Agent (for the benefit of Lenders) a first priority security interest, security assignment and Lien, in, against, under and with respect to all of Borrower's right, title and interest in, to and under all of the following collateral, whether now existing or hereafter acquired (collectively, the "Collateral"): (i) the Aircraft, including the Airframe, each of the Engines, the APU and the Records; (ii) the Parts; (iii) any and all present and future Third Party Agreements; (iv) any and all other associated rights secured by or associated with the Airframe and/or the Engines, together with any related international interests; and (v) all proceeds of the foregoing. The foregoing shall not be deemed in any way whatsoever as an agreement by Agent or Lenders to permit or allow Borrower to enter into any Third Party Agreements, and Borrower shall only be allowed to enter into any of the foregoing in accordance with the terms of this Agreement. Notwithstanding anything to the contrary contained herein or otherwise, neither Agent nor either Lender assumes, by virtue of this Agreement or otherwise, any obligations, liabilities and/or duties of any kind whatsoever of Borrower (and/or of any other Person) under, or with respect to, the Collateral, and neither Agent nor either Lender shall be responsible in any way whatsoever for the performance of any obligations, liabilities and/or duties of any kind whatsoever by Borrower (and/or by any other Person) in connection with, relating to, or arising under, the Collateral.

3.2 Agent Appointed as Attorney-in-Fact. Borrower hereby irrevocably constitutes and appoints Agent and any employee, officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full power and authority in the place and stead of Borrower and in the name of Borrower or in its own name, from time to time in Agent's sole discretion, for the purpose of carrying out the terms of this Agreement, and Borrower hereby further irrevocably authorizes Agent and any employee, officer or agent thereof to take any and all appropriate action and to make, execute, deliver, file and/or record any and all instruments or documents (including, without limitation, any FAA filings, UCC financing statements or UCC amendments or any control agreements) and to make, cause to be made and/or consent to all registrations with the International Registry that may be necessary or desirable to accomplish the purposes of this Agreement or any of the other Loan Documents. This appointment is coupled with an interest, is irrevocable and shall terminate only upon indefeasible payment and performance in full of all of the Obligations. Without limiting the generality of the foregoing, Borrower hereby further agrees that (i) Agent shall have authority, during the continuance of an Event of Default, to endorse Borrower's name on any checks, notes, drafts or any other payments or instruments relating to the Collateral and constituting Collateral that come into Agent's or either Lender's possession or control and to settle, adjust, receive payment and make claim or proof of loss and (ii) Borrower shall not file or record any corrective or termination statements with respect to any UCC financing statements, amendments or assignments or control agreements filed or recorded by or for the benefit of Agent with respect to any of the Collateral and shall not discharge or allow to be discharged any international interest or other Registerable Interest created in favor of Agent hereunder or under the Loan Documents prior to the indefeasible payment in full of the Obligations and termination of this Agreement and the other Loan Documents. The powers conferred on Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its officers, directors, employees or agents shall be responsible to Borrower for any act or failure to act.

3.3 Consent to Registration of International Interest. Borrower hereby (a) consents to the registration of any international interest or other Registerable Interest arising in connection with this Agreement, any of the other Loan Documents and any subordination, amendment, discharge or undertaking permitted by the Cape Town Convention with respect thereto, and (b) authorizes its professional user entity to consent to such registration (including all final consents thereto), upon request therefor by Agent. At closing, Borrower hereby agrees to further authorize its professional user entity to consent to any and all such registrations.

3.4 Inspection. Agent or its authorized representatives shall have the right, but not the duty, to inspect the Aircraft, any part thereof and/or the Records, at any reasonable time and from time to time, wherever located, upon reasonable prior written notice to Borrower; except that no advance notice shall be necessary prior to any inspection conducted, and such inspection may be conducted at any time, after the occurrence of an Event of Default. Upon request of Agent, Borrower shall promptly provide Agent with notice of the location of the Aircraft and with all Records. Borrower shall be responsible for the reasonable cost of any inspection conducted after the occurrence of an Event of Default and shall pay Agent such amount promptly upon demand. Notwithstanding anything to the contrary herein, if no Default or Event of Default shall then exist, Agent shall be permitted to conduct not more than two (2) such inspections during any fiscal year of Borrower.

3.5 Release of Lien. So long as no Default or Event of Default then exists or would result therefrom, Agent hereby agrees to release the Aircraft and other Collateral from the Lien of this Agreement upon the payment of the Sale Payment in connection with the sale of the Aircraft pursuant to Section 2.4 above.

SECTION 4. Events of Default. The term "Event of Default", wherever used herein, shall mean:

(a) Borrower shall fail to pay any Obligation within five (5) Business Days after the same shall become due and payable (whether at the stated maturity, by acceleration, upon demand or otherwise); or

(b) Borrower shall default in the payment or performance of any indebtedness, liability or obligation to (i) Agent or either Lender or any Affiliate of either Lender, the amount of which, whether accelerated or otherwise, is in excess of $250,000.00, or (ii) any other Person, the amount of which, whether accelerated or otherwise, is in excess of $500,000.00, and in each case any applicable grace period with respect thereto has expired; or

(c) Borrower shall fail to keep in full force and effect any of the insurance coverages required under this Agreement or shall operate the Aircraft at a time when, or at a place in which, such insurance shall not be in effect; or

(d) Borrower shall fail to maintain, use or operate the Aircraft in compliance with this Agreement; or

(e) Borrower shall (except as expressly permitted by the provisions of this Agreement) sell, assign, charter, lease, timeshare, pool, interchange, convey, mortgage, exchange or otherwise transfer or relinquish possession of or dispose of, or create, assume or suffer to exist any Liens (other than Permitted Liens) on or with respect to, the Aircraft, any part thereof or any of the other Collateral, or Borrower's interest therein, or attempt or offer to do any of the foregoing, or permit the same to occur; or

(f) Borrower shall fail to perform or observe any agreement (other than those specifically referred to in this Section 4) required to be performed or observed by it under this Agreement or in any of the other Loan Documents, and such failure shall continue uncured for thirty (30) days after written notice thereof from Agent to Borrower (but such notice and cure period will not be applicable unless such breach is curable by practical means within such notice period); or

(g) any representation or warranty made by Borrower in this Agreement or in any of the other Loan Documents or in any agreement, document or certificate delivered by Borrower in connection herewith or pursuant hereto shall prove to have been incorrect, misleading, or inaccurate in any material respect when such representation or warranty was made or given (or, if a continuing representation or warranty, at any time); or

(h) Borrower shall (i) generally fail to pay its debts as they became due, admit its inability to pay its debts or obligations generally as they fall due, or shall file a voluntary petition in bankruptcy or a voluntary petition or an answer seeking reorganization in a proceeding under any bankruptcy laws or other insolvency laws, or an answer admitting the material allegations of such a petition filed against Borrower in any such proceeding; or (ii) by voluntary petition, answer or consent, seek relief under the provisions of

any other bankruptcy or other insolvency or similar law providing for the reorganization or liquidation of companies, or providing for an assignment for the benefit of creditors, or providing for an agreement, composition, extension or adjustment with its creditors; or

(i) a petition against Borrower in a proceeding under applicable bankruptcy laws or other insolvency laws, as now or hereafter in effect, shall be filed and shall not be withdrawn or dismissed within sixty (60) days thereafter, or if, under the provisions of any law providing for reorganization or liquidation of companies that may apply to Borrower, any court of competent jurisdiction shall assume jurisdiction, custody or control of Borrower or of any substantial part of its property and such jurisdiction, custody or control shall remain in force unrelinquished, unstayed or unterminated for a period of sixty (60) days after the filing date; or

(j) any judgment, attachment or garnishment against Borrower with respect to aggregate claims in excess of $500,000.00 (after giving effect to any insurance available therefore) shall remain unpaid, unstayed on appeal, undischarged, unbonded or undismissed for a period of thirty (30) days; or

(k) the occurrence of any of the following events: (A) Borrower enters into any transaction of merger, consolidation or reorganization (unless Borrower is the surviving entity and, after giving effect to such event, is in compliance with the financial covenants set forth in the Loan Documents on a pro forma basis); (B) Borrower ceases to do business as a going concern, liquidates, or dissolves, or sells, transfers or otherwise disposes of all or substantially all of its assets or property; (C) Borrower becomes the subject of, or engages in, a leveraged buy-out that does not result in a change of ownership or control covered by clause (E) of this paragraph; (D) Borrower changes the form of organization of its business; or (E) there is any substantial change in the ownership or control of the membership interests of Borrower such that the holder(s) that own or control fifty percent (50%) or more of such membership interests as of the Closing Date no longer do so; or

(l) this Agreement shall cease to be in full force and effect or shall cease to give Agent the rights and interests purported to be created hereunder, including, without limitation, the failure of the interests granted hereunder to constitute a registered international interest in the Collateral subject to the Cape Town Convention (other than as a result of any failure in filing or otherwise on the part of Agent or its agents); or

(m) a Default or an Event of Default (as such terms are defined therein) shall occur under any of the other Loan Documents.

SECTION 5. Remedies.

5.1 Remedies. If an Event of Default occurs, in addition to all other rights and remedies granted to it in this Agreement and in the other Loan Documents, Agent may exercise all rights and remedies of a secured party under the UCC or of a creditor, including a security assignee, under the Cape Town Convention (including without limitation, the remedies contemplated by Article 13 of the Convention and/or Article IX of the Protocol) or under any other Applicable Law. Without limiting the generality of the foregoing, Borrower agrees that upon the occurrence of an Event of Default, Agent, without demand or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon Borrower or any other Person (all and each of which demands and/or notices are hereby expressly waived), in Agent's sole discretion, may exercise any one or more of the following remedies: (i) proceed at law or in equity, to enforce specifically Borrower's performance or to recover damages; (ii) terminate the right of any third party to use, possess or control the Aircraft; (iii) to the extent permitted by Applicable Law, enter the premises where the Aircraft is located and take immediate possession of and remove (or disable in place) the Aircraft (and/or any Engines, APU and/or Parts then unattached to the Aircraft) by self-help, summary proceedings or otherwise without liability if conducted in accordance with Applicable Law; (iv) use Borrower's premises for storage without liability, except for its own gross negligence or willful misconduct; (v) preserve the Airframe, Engines, APU and/or Parts, and their respective value (but without any obligation to do so), immobilize or keep idle the Airframe and/or any Engine, APU or Part, manage, sell, lease, assign or otherwise dispose of the Airframe and/or any

Engine, APU or Part or any of the other Collateral, whether or not in Agent's possession, in one or more parcels, at public or private sale or sales, with no less than ten (10) working days' prior notice to Borrower of any proposed sale or lease of the Airframe or any Engine, which Borrower acknowledges as constituting "reasonable prior notice" for the purposes of the Cape Town Convention, at such prices as Agent may deem best; (vi) apply any deposit, other cash collateral, or collect and apply proceeds to reduce any amounts due to Agent and/or Lenders; (vii) terminate any Third Party Agreement, without regard as to the existence of any event of default thereunder and recover, or cause Borrower and any party to any Third Party Agreement and any Person taking by or through any of them to relinquish possession and return the Aircraft, including the Engines, APU and Parts, pursuant to this Section 5, and/or exercise any and all other remedies under any Third Party Agreements, or in Borrower's stead, to the extent provided for under, or otherwise available to Borrower in connection with any Third Party Agreement; (viii) collect, receive, appropriate and realize upon the Collateral, or any part thereof; (ix) demand and obtain from any court speedy relief pending final determination available at law (including, without limitation, possession, control, custody or immobilization of the Aircraft or preservation of the Aircraft or its fair market value); (x) procure the deregistration (whether by utilizing the IDERA or otherwise) and/or export and physical transfer of the Aircraft from the territory in which it is then situated; and (xi) exercise any and all other remedies allowed by Applicable Law, including, without limitation, the Cape Town Convention and the UCC. Agent or either Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in Borrower, which right or equity of redemption is hereby expressly released. Borrower further agrees, at Agent's request, to assemble the Collateral, make it available to Agent at such places as Agent shall reasonably select, whether at Borrower's premises or elsewhere. Agent shall deliver to each Lender its pro rata share of the net proceeds of any such realization (after deducting all reasonable costs and expenses of every kind incurred in connection therewith) ("Net Proceeds") based on such Lender's pro rata share of the Obligations then outstanding *first*, to be applied to the payment in whole or in part of the Obligations in such order and manner as Lenders may elect, and *second*, any excess remaining after such application, to be disbursed to Borrower. To the extent permitted by applicable law, Borrower waives all claims, damages and demands against Agent and each Lender arising out of the repossession, retention, sale or other disposition of the Collateral, except any claims or damages related to or arising out of the gross negligence or willful misconduct of Agent or such Lender and any claims to any excess Net Proceeds remaining after the application of any Net Proceeds in accordance with the immediately preceding sentence. Borrower agrees that Agent need not give more than ten (10) working days' notice (as contemplated under the Cape Town Convention) of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matters. Borrower shall be liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay in full the Obligations.

5.2 Relief Pending Final Determination. Without limiting the generality of Agent's other remedies set forth in this Section 5, in the event Agent adduces evidence of an Event of Default by Borrower, Agent may, pending final determination of its claim, obtain from a court speedy (as defined in Article 20 of the Cape Town Convention) relief in the form of such one or more of the following orders as Agent requests:

(a) preservation of the Aircraft and its value;
(b) possession, control or custody of the Aircraft;
(c) immobilization of the Aircraft;
(d) lease or, except where covered by sub-paragraphs (a) to (c), management of the Aircraft and the income therefrom; and
(e) if at any time Borrower and Agent specifically agree, sale and application of proceeds therefrom.

In furtherance thereof, Agent and Borrower hereby agree to exclude the application of paragraph 4 of Article 20 of the Cape Town Convention. Nothing in this Section 5.2 shall limit the availability to Agent of other forms of interim relief.

5.3 No Waiver; Cumulative Remedies. No right or remedy is exclusive. Borrower hereby acknowledges that none of the provisions of this Section 5, including any remedies set forth or referenced herein, is "manifestly unreasonable" for the purposes of the Cape Town Convention. Each may be used successively and cumulatively and in addition to any other right or remedy referred to above or otherwise available to Agent and/or Lenders at law or in equity, including, such rights and/or remedies as are provided for in the UCC and/or the Cape Town Convention, but in no event shall Agent and/or Lenders be entitled to recover any amount in excess of the maximum amount recoverable under Applicable Law with respect to any Event of Default. No express or implied waiver by Agent and/or Lenders of any Default or Event of Default hereunder shall in any way be, or be construed to be, a waiver of any future or subsequent Default or Event of Default. The failure or delay of Agent and/or Lenders in exercising any rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or reoccurrence of any such contingencies or similar contingencies, and any single or partial exercise of any particular right by Agent and/or Lenders shall not exhaust the same or constitute a waiver of any other right provided for or otherwise referred to herein. After the occurrence of any Default or Event of Default, the acceptance by Agent and/or Lenders of any installment of principal and/or interest or of any other sum owing hereunder or under the other Loan Documents shall not constitute a waiver of such Default (unless such Default arose from the failure to pay such installment and such installment was paid in full) or Event of Default, regardless of Agent's and/or either Lender's knowledge or lack of knowledge thereof at the time of acceptance of any such payment and shall not constitute a reinstatement of this Agreement if Agent and/or either Lender has sent Borrower a notice of default, unless Agent shall have agreed in writing to reinstate this Agreement and waive the Default or Event of Default. To the extent permitted by Applicable Law, Borrower waives any rights now or hereafter conferred by statute or otherwise that limit or modify any rights or remedies of Agent and/or Lenders under this Agreement, including, without limitation, the provisions of Articles 11(2) and 13(2) of the Convention and Article IX(6) of the Protocol.

SECTION 6. Miscellaneous.

6.1 Notices. All communications and notices provided for herein shall be in writing and shall be deemed to have been duly given or made (i) upon hand delivery, or (ii) upon delivery by an overnight delivery service, or (iii) three (3) Business Days after being deposited in the U.S. mail, return receipt requested, first class postage prepaid, and addressed to Agent at the address set forth above or to Borrower at its address set forth under its signature hereto or such other address as either party may hereafter designate by written notice to the other, or (iv) when sent by telecopy (with customary confirmation of receipt of such telecopy) on the Business Day when sent or upon the next Business Day if sent on other than a Business Day.

6.2 Expenses and Fees; Indemnity; Performance of Borrower's Obligations.

(a) Borrower shall pay to Agent and each Lender upon demand all out-of-pocket fees, costs and expenses incurred by or on behalf of Agent or such Lender at any time in connection with (i) the negotiation, preparation, execution, delivery and enforcement of this Agreement and the other Loan Documents and the collection of the Obligations, (ii) the creation, preservation and protection of the Collateral and the perfection and first priority of Agent's security interest, security assignment and Lien thereon, including any discharges and subordinations required to maintain such first priority and to remove or discharge any Liens not constituting Permitted Liens, or (iii) Borrower's exercise of any right granted under, or any amendment or other modification to any of, the Loan Documents. Such fees, costs and expenses shall include, without limitation, appraisal and inspection fees, the fees and expenses of FAA Counsel and of Agent's and each Lender's counsel, consultants and brokers, UCC, FAA, International Registry and other applicable title, interest and Lien searches, and costs and expenses relating to recovery, repossession, storage, insurance, transportation, repair, refurbishment, advertising, sale and other disposition of the Aircraft. Borrower shall also pay all fees (including license, filing and registration fees), taxes, assessments and other charges of whatever kind or nature that may be payable or determined to be payable in connection with the execution, delivery, recording or performance of this Agreement or any of the other Loan Documents or any modification thereof.

(b) Borrower hereby further agrees to pay, indemnify, and hold Agent and each Lender and their respective Affiliates and all of Agent's and each Lender's and such Affiliates' respective directors, shareholders, officers, employees, agents, predecessors, attorneys-in-fact, lawyers, successors and assigns (Agent, each Lender, their respective Affiliates and all of such other parties and entities sometimes hereinafter collectively, the "Indemnified Parties") harmless, on a net after-tax basis, from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, out-of pocket costs, expenses or disbursements of any kind or nature whatsoever arising with respect to or in connection with the Loan Documents or the Collateral, including, without limitation, the ownership, lease, possession, use, sale or other disposition of the Aircraft and the other Collateral or the execution, delivery, enforcement, performance or administration of this Agreement or any of the other Loan Documents (the foregoing being referred to as the "indemnified liabilities"), provided, that Borrower shall have no obligations thereunder with respect to indemnified liabilities arising from the gross negligence or willful misconduct of Agent or such Lender, as applicable.

(c) If Borrower fails to perform or comply with any of its agreements contained herein or in the other Loan Documents, including, without limitation, its obligations to keep the Aircraft free and clear of Liens, to comply with Applicable Standards or to obtain the requisite insurance coverages, Agent and/or either Lender shall have the right, but shall not be obligated, to effect such performance or compliance, with such agreement. Any expenses of Agent and/or either Lender incurred in connection with effecting such performance or compliance, together with interest thereon at the highest default rate of interest provided for in the Loan Documents from the date incurred until reimbursed, shall be payable by Borrower to Agent and/or such Lender promptly on demand and until such payment shall constitute part of the Obligations secured hereby. Any such action shall not be a cure or waiver of any Default or Event of Default hereunder.

(d) Without waiving any other rights or remedies of Agent, due to the often time intensive nature of reviewing complex reorganizations, if Borrower requests Agent's consent to the corporate or other entity reorganization of Borrower or any Affiliate of Borrower, Agent may require, at its option, a Two Thousand Dollar ($2,000.00) review fee; plus, Agent may, at Borrower's expense, retain outside counsel to aid in review of the reorganization documentation.

6.3 Entire Agreement; Modifications. This Agreement and the other Loan Documents constitute the entire understanding and agreement of the parties hereto with respect to the matters contained herein and shall completely and fully supersede all other prior agreements (including any proposal letter, commitment letter, and/or term sheet), both written and oral, between Agent and/or either Lender and Borrower relating to the Obligations. None of Agent, either Lender nor Borrower shall hereafter have any rights under such prior agreements but shall look solely to this Agreement and the other Loan Documents for the definition and determination of all of their respective rights, liabilities and responsibilities relating to the Obligations. Neither this Agreement, nor any terms hereof, may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party against which enforcement of a change, waiver, discharge or termination is sought.

6.4 Construction of this Agreement and Related Matters. All representations and warranties made in this Agreement shall survive the execution and delivery of this Agreement. Borrower's obligations contained in Section 6.2 hereof shall survive the payment and performance of the Obligations and the termination of this Agreement. This Agreement may be executed by the parties hereto on any number of separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. The headings of the Sections hereof are for convenience only, are not part of this Agreement and shall not be deemed to affect the meaning or construction of any of the provisions hereof. Time is of the essence in the payment and performance of all of Borrower's obligations under this Agreement. Any provision of this Agreement that may be determined to be prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective in such jurisdiction to the extent thereof without invalidating the remaining provisions of this Agreement, which shall remain in full force and effect.

6.5 Lender's Assignment. Each Lender, may at any time, with or without notice to Borrower, grant a security interest in, sell, assign or otherwise transfer (an "Assignment") all or any part of its interest in this Agreement and the other Loan Documents (including all associated rights associated with or secured thereby and the related international interests) or any amount due or to become due hereunder or thereunder, and Borrower shall perform all of its obligations under the Loan Documents, to the extent so transferred, for the benefit of the beneficiary of such Assignment (such beneficiary, including any successors and assigns, an "Assignee"); provided that no such Assignment shall be to any Person engaged in the operation of a fractional aircraft ownership program. Borrower hereby waives any right to assert, and agrees not to assert, against any Assignee any abatement, reduction, defense, setoff, recoupment, claim or counterclaim that Borrower may have against Agent or such Lender, other than defenses arising from fraudulent acts on the part of Assignee. Upon the express assumption by such Assignee of such Lender's obligations hereunder, such Lender shall be relieved of any such assumed obligations. Borrower hereby consents to any such assignment, grant, sale or transfer, including, without limitation, for purposes of the Cape Town Convention. If so directed in writing, Borrower shall pay all amounts due or to become due to the applicable Lender under the Loan Documents and/or any related associated rights and international interests directly to Assignee or any other party designated in writing by such Lender. Borrower acknowledges and agrees that such Lender's right to enter into an Assignment is essential to such Lender and, accordingly, waives any restrictions under Applicable Law with respect to an Assignment and any related remedies. Upon the request of such Lender or any Assignee, Borrower also agrees (a) to promptly execute and deliver to such Lender or to such Assignee an acknowledgment of assignment in form and substance satisfactory to the requesting party, an insurance certificate naming Assignee as additional insured and loss payee and otherwise evidencing the insurance coverages required hereby, a consent to the Assignment for International Registry purposes, as well as renew any authorization required by the International Registry in connection with such consent, such as renewing its transacting user entity status and re-designating a professional user entity, if necessary in Agent's or such Lender's judgment, and such other documents and assurances reasonably requested by Agent, such Lender or Assignee and make, or cause to be made, all registrations (including all assignments and subordinations) and all amendments, extensions and discharges with the International Registry reasonably requested by Agent, such Lender or Assignee (and give or obtain any necessary consent thereto, as well as renew any authorization required by the International Registry in connection therewith, including renewing its transacting user entity status and re-designating a professional user entity, if necessary in Agent's and/or such Lender's judgment), and (b) to comply with the reasonable requirements of any such Assignee in order to perfect such Assignee's Lien in the Airframe, Engines (including all associated rights associated therewith or secured thereby and the related international interests), proceeds and other Collateral.

6.6 Jurisdiction. Borrower hereby irrevocably consents and agrees that any legal action, suit or proceeding arising out of or in any way in connection with this Agreement or any of the other Loan Documents may be instituted or brought in the courts of the State of New York or the U.S. District Court for the Southern District of New York, as Agent may elect or in any other state or Federal court as Agent shall deem appropriate, and by execution and delivery of this Agreement, Borrower hereby irrevocably accepts and submits to, for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of any such court, and to all proceedings in such courts. Borrower irrevocably consents to service of any summons and/or legal process by first class, certified United States air mail, postage prepaid, to Borrower at the address set forth below its signature hereto, such method of service to constitute, in every respect, sufficient and effective service of process in any such legal action or proceeding. Nothing in this Agreement or in any of the other Loan Documents shall affect the right to service of process in any other manner permitted by law or limit the right of Agent and/or either Lender to bring actions, suits or proceedings in the courts of any other jurisdiction. Borrower further agrees that final judgment against it in any such legal action, suit or proceeding shall be conclusive and may be enforced in any other jurisdiction, within or outside the United States of America, by suit on the judgment, a certified or exemplified copy of which shall be conclusive evidence of the fact and the amount of the liability. Notwithstanding anything in the foregoing to the contrary, Agent and Borrower may bring a judicial proceeding against the Registrar of the International Registry in the Republic of Ireland, solely with respect to matters relating to the International Registry itself.

This Agreement shall be binding upon and inure to the benefit of Borrower, Agent, and each Lender and their respective successors and assigns, except that Borrower may not assign or transfer its rights hereunder or any interest herein.

6.9 Jury Waiver. BORROWER HEREBY KNOWINGLY AND FREELY WAIVES ITS RIGHTS TO A JURY TRIAL IN ANY ACTION, SUIT OR PROCEEDING RELATING TO, ARISING UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS.

(b) This Mortgage is in proper form to be duly filed for recordation in accordance with the Act against the Mortgage Collateral, and this Mortgage shall constitute a duly perfected lien on and prior perfected security interest in such Mortgage Collateral, subject to no other Liens (except for Permitted Liens).

(c) (i) No International Interest or Prospective International Interest (other than that of Mortgagee) is registered with the International Registry with respect to the Aircraft; (ii) Grantor shall not consent to the registration of any International Interest or Prospective International Interest with respect to the Aircraft (other than any such interest registered in favor of Mortgagee); and (iii) Grantor has not executed an IDERA with respect to the Aircraft in favor of any person (other than Mortgagee) which has not been discharged and removed from the Civil Aircraft Registry in Oklahoma City, Oklahoma.

serviced, repaired, overhauled and tested each Airframe, Engine, and Part, or other relevant Mortgage Collateral, so as to the good operating condition as when originally mortgaged hereunder, ordinary wear and tear excepted, and, in the case of each Aircraft, in such condition as may be necessary to enable the airworthiness certification of such Aircraft to be maintained in good standing at all times under the Act and to enable such Aircraft at all times to be operated in commercial cargo service in the United States; and (iii) maintain all records, logs and other materials required by the FAA and any other Governmental Authority having jurisdiction to be maintained in respect of such Mortgage Collateral. The Grantor will comply with all material rules and regulations of the FAA. The Grantor agrees that the Airframes, Engines and Parts and any other Mortgage Collateral will not be maintained, used or operated: (A) in violation of any material law, rule, regulation or order (as defined below) of any Governmental Authority having jurisdiction (domestic or foreign), or in violation of any airworthiness certificate, license or registration relating to any Mortgage Collateral issued by any such Governmental Authority, except for any violation which, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect; (B) in any area excluded from coverage by any insurance required by the terms of subsection 4.5 hereof, except in the case of a requisition for use by the United States of America, and then only if the Grantor obtains indemnity in lieu of such insurance from the United States of America against the risks and in the amounts required by said subsection 4.5 covering such area, or as to which the Grantor has otherwise obtained the written consent of the Mortgagee; or (C) in any recognized or threatened area of hostilities unless fully covered to the Mortgagee's satisfaction by war-risk insurance, or unless such Airframe, Engine, Parts or other Mortgage Collateral are operated or used under contract with the government of United States of America under which contract said government assumes liability for any other damage, loss, destruction or failure to return possession of such Airframe, Engine, Parts or Mortgage Collateral at the end of the term of such contract and for injury to persons or damage to property of others or unless the Aircraft is only temporarily located in such area as a result of an isolated occurrence attributable to a hijacking, medical emergency, equipment malfunction, weather conditions, navigational error or other similar unforeseen circumstances and the Grantor is using its good faith efforts to remove the Aircraft from such area. For purposes of this Section 4.1, a "material" law, rule, regulation or order of the FAA or any other Governmental Authority having jurisdiction (domestic or foreign) is one the violation of which may lead to an enforcement action by the FAA or such Governmental Authority or suspension, revocation or limitation of Grantor's authority to operate as a Certificated Air Carrier.

4.2 Liens. The Grantor will not create or suffer to exist any Lien, International Interests or Prospective International Interest upon or with respect to any of the Mortgage Collateral, except for Permitted Liens and any other Liens permitted by the terms hereof and by the Credit and Security Agreement.

4.3 Taxes. The Grantor will pay, and hereby indemnifies the Mortgagee and each Lender from and against, any and all fees and taxes, levies, imposts, duties, charges or withholdings, together with any penalties, fines or interest thereon (any of the foregoing being here called a "Tax") which may from time to time be imposed on or asserted against the Mortgagee or any Airframe, Engine or Part or other Mortgage Collateral or any interest therein by any Federal, state or local government or other taxing authority in the United States or by any foreign government or subdivision thereof or by any foreign taxing authority upon or with respect to: (i) any Airframe, Engine or Part, or any interest therein, (ii) the manufacture,

purchase, ownership, mortgaging hereunder, lease, sublease, use, storage, maintenance, sale or other disposition of any Airframe, Engine or Part, or any rentals or other earnings payable therefor or arising therefrom or the income or other proceeds received with respect thereto, or (iii) this Mortgage; provided, however, that, nothing in this subsection 4.3 shall require the payment of any Tax unless proceedings shall have been commenced to foreclose any Lien which may have attached as security for such Tax, so long as the validity thereof shall be contested in good faith by appropriate proceedings and that Grantor shall have set aside and maintained on its books adequate reserves with respect thereto.

4.4 Possession. The Grantor will not, without the prior written consent of the Mortgagee, except as permitted under the Credit and Security Agreement, lease or otherwise in any manner deliver, transfer, remove or relinquish possession or control of, or transfer any right, title or interest of the Grantor in, any Mortgage Collateral, including without limitation any Airframe, Engine or Part or install any Engine or permit any Engine to be installed, on any airframe other than an Airframe, or permit any Part to be installed on or attached to any airframe or engine other than to an Airframe or Engine.

4.5 Insurance.

(a) The Grantor at its own expense shall carry insurance with respect to the Mortgage Collateral as required pursuant to the terms and provisions of the Credit and Security Agreement, together with such endorsements in favor of the Mortgagee (or Lender) as are required by the Credit and Security Agreement.

(b) Upon the occurrence and continuance of an Event of Default, all insurance payments received by the Mortgagee (or Lender) or any Grantor with respect to the Mortgage Collateral shall be (if received by the Grantor, immediately paid to the Mortgagee (or Lender)) held and applied by the Mortgagee (or Lender) against the Obligations as provided under the Credit and Security Agreement, or be retained by the Grantor for application to the repair of damage to the Aircraft, Airframe, Engine, or Part for which such insurance was paid, all in accordance with the terms of the Credit and Security Agreement.

4.6 Modification and Additions. The Grantor, at its expense, shall make such modifications in and additions to the Airframes and the Engines as may be required from time to time to meet the standards of the FAA or other Governmental Authority having jurisdiction. In addition, so long as no Default or Event of Default shall have occurred and be continuing, the Grantor, at its expense, may from time to time make such modifications in and additions to any Airframe or Engine as it may deem desirable in the proper conduct of its business, provided that no such modification or addition shall diminish the value or utility of such Airframe or Engine or impair the airworthiness or operating condition thereof below the value, utility, airworthiness and condition thereof immediately prior to such modification or addition (assuming such Airframe or Engine was of the value and utility and in the condition required by the terms of this Mortgage immediately prior to such modification or addition) and any expenses incurred or related thereto are in accordance with the terms of the Credit and Security Agreement.

4.8 Inspection. Subject to the provisions of Section 6.10 of the Credit and Security Agreement, the Grantor shall permit the Mortgagee by its officers or agents to inspect the Mortgage Collateral, including the Aircraft, and the Grantor's documents and records relating thereto, at all such times during normal business hours as the Mortgagee may from time to time reasonably request; provided that so long as no Event of Default shall have occurred and is continuing such visits shall be limited to two (2) occasions per fiscal year.

4.10 Citizenship. The Grantor shall at all times be a "Citizen of the United States" as defined in 49 U.S.C. Section 40102(a)(15)(c).

4.11 Event of Loss with Respect to an Engine. Upon the occurrence of an Event of Loss with respect to an Engine under circumstances in which there has not occurred an Event of Loss with respect to the Airframe on which such Engine was originally installed, the Grantor shall give the Mortgagee prompt written notice thereof and shall, within 90 days after the occurrence of such Event of Loss, duly subject to the lien and security interest of this Mortgage, in substitution for the Engine with respect to which such Event of Loss occurred, substitute another engine of the same manufacturer and model described on Schedule 1 attached hereto (or engine of the same manufacturer of an improved model and suitable for installation and use on an Airframe or such other engine acceptable to the Mortgagee) (herein called a "Replacement Engine"), free and clear of all Liens and having a value and utility at least equal to, and being in as good operating condition as, the Engine with respect to which such Event of Loss occurred assuming such Engine was of the value and utility and in the condition and repair required by the terms of this Mortgage immediately prior to the occurrence of such Event of Loss. At the time of such replacement, the Grantor, at its expense, shall (i) furnish the Mortgagee with evidence, reasonably satisfactory to the Mortgagee, of the Grantor's title to the Replacement Engine, (ii) cause a supplement to this Mortgage describing the Replacement Engine to be duly executed and filed for recordation pursuant to the Act, (iii) furnish the Mortgagee with such evidence of compliance with the insurance provisions of subsection 4.5 hereof with respect to such Replacement Engine as the Mortgagee may reasonably request, and (iv) furnish the Mortgagee with such certificates and opinions of counsel as the Mortgagee may request in order to evidence the value, utility and operating condition of the Replacement Engine, the Grantor's title to the Replacement Engine free and clear of all Liens (other than Permitted Liens) and the subjection of the Replacement Engine to the lien and security interest of this Mortgage. Upon full compliance by the Grantor with the provisions of this subsection 4.11, the Mortgagee will deliver to the Grantor an instrument releasing the Engine with respect to which such Event of Loss occurred from the lien and security interest of this Mortgage. For all purposes of this Mortgage, each Replacement Engine shall, after being subjected to the lien and security interest hereof, be deemed an "Engine" as defined herein and shall be deemed part of the same Aircraft as was the Engine replaced thereby.

4.12 Further Assurances. The Grantor at its expense will promptly and duly execute and deliver such documents and assurances and take such action as may be necessary, or as the Mortgagee may from time to time request, in order to more effectively carry out the intent and purpose of this Mortgage, to establish, protect and perfect the rights, remedies, liens and security interests created or intended to be created in favor of the Mortgagee hereunder and to comply

with the laws and regulations of the FAA and the requirements of the Cape Town Convention with respect any International Interest of the Mortgagee with respect to the Mortgage Collateral, including the Aircraft, or the laws and regulations of any of the various states or countries in which the Mortgage Collateral, including the Aircraft is or may fly over, operate in, or become located in or any other applicable law, including, without limitation, the execution, delivery and filing of UCC financing and continuation statements with respect to the security interests created hereby, registration of any International Interest of the Mortgagee with respect to the Mortgage Collateral, including the Aircraft with the International Registry, in each case in form and substance satisfactory to the Mortgagee, in such jurisdictions as the Mortgagee may reasonably request. The Grantor hereby authorizes the Mortgagee to file any such statements without the signature of the Grantor to the extent permitted by applicable law.

4.13 Sale of Aircraft. Without the prior written consent of the Mortgagee, the Grantor shall not sell, transfer or otherwise dispose of any Mortgage Collateral, including any Aircraft or enter into any conditional sale, finance lease or any other agreement or arrangement which has the same legal effect as a sale (regardless of whether Grantor retains title to such Aircraft), except as provided in the Credit and Security Agreement.

SECTION 5
RECEIPT, DISTRIBUTION AND APPLICATION OF INCOME

5.1 Application of Proceeds and Amounts Realized On Mortgage Collateral. Whether or not an Event of Default or Default shall have occurred and be continuing hereunder and/or under the Credit and Security Agreement, all payments and proceeds related to and arising from the Mortgage Collateral shall be paid to the Mortgagee and applied in accordance with the terms of the Credit and Security Agreement.

SECTION 6
EVENTS OF DEFAULT AND REMEDIES

6.1 Remedies. If an Event of Default under the Credit and Security Agreement shall occur, the Mortgagee may, without notice of any kind to the Grantor, except as otherwise provided herein and to the extent permitted by law, carry out or enforce the actions or remedies provided in this Section 6 or elsewhere in this Mortgage, any applicable rights and remedies specified under the Cape Town Convention, and any rights and remedies otherwise available to a secured party under the UCC and/or the Uniform Commercial Code as in effect at the time in any applicable jurisdiction; provided, however, that such actions and remedies shall be in addition to, and not be deemed to limit, the remedies provided in any Security Document.

6.2 Possession of Mortgage Collateral. If an Event of Default under the Credit and Security Agreement shall occur and be continuing, the Mortgagee may, without notice, take possession of all or any part of the Mortgage Collateral, including the Aircraft and may exclude the Grantor, and all persons claiming under the Grantor, wholly or partly therefrom. In addition, the Mortgagee shall be entitled to exercise all of their respective rights and remedies as set forth in this Mortgage, under the Loan Documents, and at law with respect to the Mortgage Collateral. At the request of the Mortgagee, the Grantor shall promptly deliver or cause to be delivered to the Mortgagee or to whomsoever the Mortgagee shall designate, at such time or times and place

or places as the Mortgagee may reasonably specify, and fly or cause to be flown to such airport or airports in the continental United States as the Mortgagee may reasonably specify, without risk or expense to the Mortgagee, all or any part of the Aircraft specified by the Mortgagee. In addition, the Grantor will provide, without cost or expense to the Mortgagee, storage facilities for the Mortgage Collateral, including any Aircraft. If the Grantor shall for any reason fail to deliver any Mortgage Collateral or any part thereof after demand by the Mortgagee, the Mortgagee may, without being responsible for loss or damage, except to the extent caused by the gross negligence or willful misconduct of the Mortgagee, (i) obtain an order from any court having jurisdiction conferring on the Mortgagee the right to immediate possession or requiring the Grantor to deliver immediate possession of all or part of such Aircraft to the Mortgagee, to the entry of which the Grantor hereby specifically consents, or (ii) with or, to the fullest extent provided by law, without such judgment, pursue all or any part of such Mortgage Collateral, including the Aircraft wherever they may be found and enter any of the premises of or leased by the Grantor where such Mortgage Collateral, including the Aircraft may be and search for such Mortgage Collateral, including the Aircraft and take possession of and remove the same. The Grantor agrees to pay to the Mortgagee, upon demand, all expenses incurred in taking any such action; and all such expenses shall constitute Obligations and, until paid, be secured by the lien and security interest of this Mortgage and the Security Documents. Upon every such taking of possession, the Mortgagee may, from time to time, make all such reasonable expenditures for maintenance, insurance, repairs, replacements, alterations, additions and improvements to and of the Mortgage Collateral, including the Aircraft as it may deem proper.

6.3 Sale and Suits for Enforcement.

(a) If an Event of Default under the Credit and Security Agreement shall occur and be continuing, the Mortgagee, with or without taking possession of the Mortgage Collateral, including the Aircraft, may:

(i) to the extent and in the manner permitted by law, sell at one or more sales, all or any part of the Mortgage Collateral, at public or private sale, at such place or places and at such time or times and upon such terms, including terms of credit (which may include the retention of title by the Mortgagee to the property so sold), as the Mortgagee may determine, whether or not the Mortgage Collateral shall be at the place of sale; and

(ii) proceed to protect and enforce its rights under this Mortgage by suit, whether for specific performance of any covenant herein contained or in aid of the exercise of any power herein granted or for the foreclosure of this Mortgage and the sale of the Mortgage Collateral under the judgment or decree of a court of appropriate jurisdiction or for the enforcement of any other right.

(b) At any public sale of any Mortgage Collateral, including the Aircraft or any part thereof by the Mortgagee pursuant to paragraph (a)(i) above, the Mortgagee may consider and accept bids requiring the extension of credit to the bidder and may determine the highest bidder at such sale, whether or not the bid of such bidder shall be solely for cash or shall require the extension of credit.

(c) The Mortgagee, to the extent permitted by law, may from time to time adjourn any sale under paragraph (a)(i) above by announcement at the time and place appointed for such sale or for any adjournment thereof; and without further notice or publication, such sale be made at the time and place to which the same shall have been so adjourned.

(d) Upon the completion of any sale under paragraph (a)(i) above, full title and right of possession to the Mortgage Collateral, including the Aircraft so sold shall (subject to any retention of title by the Mortgagee as part of the terms of such sale) pass to the accepted purchaser forthwith upon the completion of such sale, and the Grantor shall deliver, in accordance with the instructions of the Mortgagee (including flying any Aircraft or causing the same to be flown to such airports in the continental United States as the Mortgagee may specify), such Mortgage Collateral so sold. If the Grantor shall for any reason fail to deliver such Mortgage Collateral, the Mortgagee shall have all of the rights granted by subsection 6.2 hereof. The Mortgagee is hereby irrevocably appointed the true and lawful attorney of the Grantor, in its name and stead, to make all necessary conveyances of any Mortgage Collateral so sold. Nevertheless, if so requested by the Mortgagee or by any purchaser, the Grantor shall confine any such sale or conveyance by executing and delivering all proper instruments of conveyance or releases as may be designated in any such request.

6.4 Waiver of Appraisement, etc. The Grantor agrees, to the fullest extent that it lawfully may, that it will not (and hereby irrevocably waives its right to) at any time plead, or claim the benefit or advantage of, any appraisement, valuation, stay, extension, moratorium or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Mortgage or the absolute sale of the Mortgage Collateral.

6.5 Remedies Cumulative. No remedy herein conferred upon the Mortgagee is intended to be exclusive of any other remedy, but every such remedy shall be cumulative and shall be in addition to every other remedy herein conferred or now or hereafter existing in law.

6.6 Application of Proceeds. If an Event of Default shall have occurred and be continuing, the proceeds of any sale, lease or other disposition of all or any part of the Mortgage Collateral pursuant to this Mortgage and all other sums realized or held by the Mortgagee under this Mortgage or any proceedings hereunder shall be applied in accordance with the terms of the Credit and Security Agreement.

6.7 Delay or Omission; Possession of Loan Certificates.

(a) No delay or omission of the Mortgagee to exercise any right or remedy arising upon the happening of any Default or Event of Default shall impair any right or remedy or shall be construed to be a waiver of any such Default or Event of Default or an acquiescence therein; and every right and remedy given to the Mortgagee by this Section 6, the Loan Documents or by applicable law may be exercised from time to time and as often as may be deemed expedient by the Mortgagee.

(b) All rights of action under this Mortgage may be enforced by the Mortgagee without the possession of the Notes or any other instrument or document evidencing any obligation or the production thereof in any proceeding.

6.8 Mortgagee's Right to Perform for the Grantor. From and after the occurrence and continuance of an Event of Default, if the Grantor fails to perform or comply with any of its agreements contained herein, the Mortgagee may perform or comply with such agreement, and the amount of the reasonable out-of-pocket costs and expenses incurred in connection with the performance or compliance with such agreement (together with interest thereon at the Default Rate) shall be payable by the Grantor to the Mortgagee on demand and shall be secured by the lien and security interest of this Mortgage.

6.9 Deregistration. If an Event of Default under the Credit and Security Agreement shall occur and be continuing, the Mortgagee may, without being responsible for loss or damage, except to the extent caused by the gross negligence or willful misconduct of the Mortgagee, procure the deregistration of the registration of the Aircraft and export the Aircraft to a jurisdiction of the Mortgagee's choice pursuant to the IDERA and as authorized by the Cape Town Convention. The Grantor agrees to pay to the Mortgagee, upon demand, all reasonable out-of-pocket expenses incurred in taking any such action, including reasonable attorney fees; and all such expenses and fees shall constitute Obligations and, until paid, be secured by the lien and security interest of this Mortgage. At the request of the Mortgagee, the Grantor will execute and deliver an IDERA to the Mortgagee to be filed with the FAA.

6.10 Speedy Relief Remedies. If an Event of Default under the Credit and Security Agreement shall occur and be continuing, the Mortgagee may, pending final determination of its claim in any court proceeding, obtain speedy relief in the form of on order providing for (i) preservation of the Mortgage Collateral and its value; (ii) possession, control or custody of the Mortgage Collateral; (iii) immobilization of the Mortgage Collateral; (iv) lease or, except where covered by sub-paragraphs (i) to (iii) of this subsection 6.10, management of the Mortgage Collateral and the income therefrom, and (v) sale and application of proceeds therefrom.

SECTION 7
MISCELLANEOUS PROVISIONS

7.1 Amendments, etc. No amendment or waiver of any provision of this Mortgage, nor consent to any departure by the Grantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Mortgagee and the Grantor, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

All notices, requests and demands to or upon the respective parties hereto to be effective shall be in writing or by facsimile and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered by hand, or four (4) business days after being deposited in the United States mail, certified or registered mail postage prepaid, or one (1) business day after being deposited with an overnight courier of national reputation, or upon receipt of confirmation of successful transmission with respect to any notice or communication sent via facsimile, to the addresses set forth in the Credit and Security Agreement.

7.5 Continuing Lien and Security Interest; Transfer; Release of Mortgage Collateral; Termination of Mortgage.

(a) In addition to the other Security Documents, this Mortgage shall create a continuing lien and security interest in the Mortgage Collateral and shall (i) remain in full force and effect until payment and performance in full of all of the Obligations, (ii) be binding upon the Grantor, its successors and assigns, and (iii) inure to the benefit of the Mortgagee, and its successors, transferees and assigns.

(b) Upon the indefeasible payment and performance in full of all of the Obligations, the lien and security interest granted hereby and in the Security Documents shall terminate. (b) This Mortgage is in proper form to be duly filed for recordation in accordance with the Act against the Mortgage Collateral, and this Mortgage shall constitute a duly perfected lien on and prior perfected security interest in such Mortgage Collateral, subject to no other Liens (except for Permitted Liens).

(c) (i) No International Interest or Prospective International Interest (other than that of Mortgagee) is registered with the International Registry with respect to the Aircraft; (ii) Grantor shall not consent to the registration of any International Interest or Prospective International Interest with respect to the Aircraft (other than any such interest registered in favor of Mortgagee); and (iii) Grantor has not executed an IDERA with respect to the Aircraft in favor of any person (other than Mortgagee) which has not been discharged and removed from the Civil Aircraft Registry in Oklahoma City, Oklahoma.

serviced, repaired, overhauled and tested each Airframe, Engine, and Part, or other relevant Mortgage Collateral, so as to the good operating condition as when originally mortgaged hereunder, ordinary wear and tear excepted, and, in the case of each Aircraft, in such condition as may be necessary to enable the airworthiness certification of such Aircraft to be maintained in good standing at all times under the Act and to enable such Aircraft at all times to be operated in commercial cargo service in the United States; and (iii) maintain all records, logs and other materials required by the FAA and any other Governmental Authority having jurisdiction to be maintained in respect of such Mortgage Collateral. The Grantor will comply with all material rules and regulations of the FAA. The Grantor agrees that the Airframes, Engines and Parts and any other Mortgage Collateral will not be maintained, used or operated: (A) in violation of any material law, rule, regulation or order (as defined below) of any Governmental Authority having jurisdiction (domestic or foreign), or in violation of any airworthiness certificate, license or registration relating to any Mortgage Collateral issued by any such Governmental Authority, except for any violation which, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect; (B) in any area excluded from coverage by any insurance required by the terms of subsection 4.5 hereof, except in the case of a requisition for use by the United States of America, and then only if the Grantor obtains indemnity in lieu of such insurance from the United States of America against the risks and in the amounts required by said subsection 4.5 covering such area, or as to which the Grantor has otherwise obtained the written consent of the Mortgagee; or (C) in any recognized or threatened area of hostilities unless fully covered to the Mortgagee's satisfaction by war-risk insurance, or unless such Airframe, Engine, Parts or other Mortgage Collateral are operated or used under contract with the government of United States of America under which contract said government assumes liability for any other damage, loss, destruction or failure to return possession of such Airframe, Engine, Parts or Mortgage Collateral at the end of the term of such contract and for injury to persons or damage to property of others or unless the Aircraft is only temporarily located in such area as a result of an isolated occurrence attributable to a hijacking, medical emergency, equipment malfunction, weather conditions, navigational error or other similar unforeseen circumstances and the Grantor is using its good faith efforts to remove the Aircraft from such area. For purposes of this Section 4.1, a "material" law, rule, regulation or order of the FAA or any other Governmental Authority having jurisdiction (domestic or foreign) is one the violation of which may lead to an enforcement action by the FAA or such Governmental Authority or suspension, revocation or limitation of Grantor's authority to operate as a Certificated Air Carrier.

4.2 Liens. The Grantor will not create or suffer to exist any Lien, International Interests or Prospective International Interest upon or with respect to any of the Mortgage Collateral, except for Permitted Liens and any other Liens permitted by the terms hereof and by the Credit and Security Agreement.

4.3 Taxes. The Grantor will pay, and hereby indemnifies the Mortgagee and each Lender from and against, any and all fees and taxes, levies, imposts, duties, charges or withholdings, together with any penalties, fines or interest thereon (any of the foregoing being here called a "Tax") which may from time to time be imposed on or asserted against the Mortgagee or any Airframe, Engine or Part or other Mortgage Collateral or any interest therein by any Federal, state or local government or other taxing authority in the United States or by any foreign government or subdivision thereof or by any foreign taxing authority upon or with respect to: (i) any Airframe, Engine or Part, or any interest therein, (ii) the manufacture,

purchase, ownership, mortgaging hereunder, lease, sublease, use, storage, maintenance, sale or other disposition of any Airframe, Engine or Part, or any rentals or other earnings payable therefor or arising therefrom or the income or other proceeds received with respect thereto, or (iii) this Mortgage; provided, however, that, nothing in this subsection 4.3 shall require the payment of any Tax unless proceedings shall have been commenced to foreclose any Lien which may have attached as security for such Tax, so long as the validity thereof shall be contested in good faith by appropriate proceedings and that Grantor shall have set aside and maintained on its books adequate reserves with respect thereto.

4.4 Possession. The Grantor will not, without the prior written consent of the Mortgagee, except as permitted under the Credit and Security Agreement, lease or otherwise in any manner deliver, transfer, remove or relinquish possession or control of, or transfer any right, title or interest of the Grantor in, any Mortgage Collateral, including without limitation any Airframe, Engine or Part or install any Engine or permit any Engine to be installed, on any airframe other than an Airframe, or permit any Part to be installed on or attached to any airframe or engine other than to an Airframe or Engine.

(b) Upon the occurrence and continuance of an Event of Default, all insurance payments received by the Mortgagee (or Lender) or any Grantor with respect to the Mortgage Collateral shall be (if received by the Grantor, immediately paid to the Mortgagee (or Lender)) held and applied by the Mortgagee (or Lender) against the Obligations as provided under the Credit and Security Agreement, or be retained by the Grantor for application to the repair of damage to the Aircraft, Airframe, Engine, or Part for which such insurance was paid, all in accordance with the terms of the Credit and Security Agreement.

4.6 Modification and Additions. The Grantor, at its expense, shall make such modifications in and additions to the Airframes and the Engines as may be required from time to time to meet the standards of the FAA or other Governmental Authority having jurisdiction. In addition, so long as no Default or Event of Default shall have occurred and be continuing, the Grantor, at its expense, may from time to time make such modifications in and additions to any Airframe or Engine as it may deem desirable in the proper conduct of its business, provided that no such modification or addition shall diminish the value or utility of such Airframe or Engine or impair the airworthiness or operating condition thereof below the value, utility, airworthiness and condition thereof immediately prior to such modification or addition (assuming such Airframe or Engine was of the value and utility and in the condition required by the terms of this Mortgage immediately prior to such modification or addition) and any expenses incurred or related thereto are in accordance with the terms of the Credit and Security Agreement.

Upon the occurrence of an Event of Loss with respect to an Engine under circumstances in which there has not occurred an Event of Loss with respect to the Airframe on which such Engine was originally installed, the Grantor shall give the Mortgagee prompt written notice thereof and shall, within 90 days after the occurrence of such Event of Loss, duly subject to the lien and security interest of this Mortgage, in substitution for the Engine with respect to which such Event of Loss occurred, substitute another engine of the same manufacturer and model described on Schedule 1 attached hereto (or engine of the same manufacturer of an improved model and suitable for installation and use on an Airframe or such other engine acceptable to the Mortgagee) (herein called a "Replacement Engine"), free and clear of all Liens and having a value and utility at least equal to, and being in as good operating condition as, the Engine with respect to which such Event of Loss occurred assuming such Engine was of the value and utility and in the condition and repair required by the terms of this Mortgage immediately prior to the occurrence of such Event of Loss. At the time of such replacement, the Grantor, at its expense, shall (i) furnish the Mortgagee with evidence, reasonably satisfactory to the Mortgagee, of the Grantor's title to the Replacement Engine, (ii) cause a supplement to this Mortgage describing the Replacement Engine to be duly executed and filed for recordation pursuant to the Act, (iii) furnish the Mortgagee with such evidence of compliance with the insurance provisions of subsection 4.5 hereof with respect to such Replacement Engine as the Mortgagee may reasonably request, and (iv) furnish the Mortgagee with such certificates and opinions of counsel as the Mortgagee may request in order to evidence the value, utility and operating condition of the Replacement Engine, the Grantor's title to the Replacement Engine free and clear of all Liens (other than Permitted Liens) and the subjection of the Replacement Engine to the lien and security interest of this Mortgage. For all purposes of this Mortgage, each Replacement Engine shall, after being subjected to the lien and security interest hereof, be deemed an "Engine" as defined herein and shall be deemed part of the same Aircraft as was the Engine replaced thereby.

4.12 Further Assurances. The Grantor at its expense will promptly and duly execute and deliver such documents and assurances and take such action as may be necessary, or as the Mortgagee may from time to time request, in order to more effectively carry out the intent and purpose of this Mortgage, to establish, protect and perfect the rights, remedies, liens and security interests created or intended to be created in favor of the Mortgagee hereunder and to comply

SECTION 6
EVENTS OF DEFAULT AND REMEDIES

6.1 Remedies. If an Event of Default under the Credit and Security Agreement shall occur, the Mortgagee may, without notice of any kind to the Grantor, except as otherwise provided herein and to the extent permitted by law, carry out or enforce the actions or remedies provided in this Section 6 or elsewhere in this Mortgage, any applicable rights and remedies specified under the Cape Town Convention, and any rights and remedies otherwise available to a secured party under the UCC and/or the Uniform Commercial Code as in effect at the time in any applicable jurisdiction; provided, however, that such actions and remedies shall be in addition to, and not be deemed to limit, the remedies provided in any Security Document.

(c) The Mortgagee, to the extent permitted by law, may from time to time adjourn any sale under paragraph (a)(i) above by announcement at the time and place appointed for such sale or for any adjournment thereof; and without further notice or publication, such sale be made at the time and place to which the same shall have been so adjourned.

(d) Upon the completion of any sale under paragraph (a)(i) above, full title and right of possession to the Mortgage Collateral, including the Aircraft so sold shall (subject to any retention of title by the Mortgagee as part of the terms of such sale) pass to the accepted purchaser forthwith upon the completion of such sale, and the Grantor shall deliver, in accordance with the instructions of the Mortgagee (including flying any Aircraft or causing the same to be flown to such airports in the continental United States as the Mortgagee may specify), such Mortgage Collateral so sold. If the Grantor shall for any reason fail to deliver such Mortgage Collateral, the Mortgagee shall have all of the rights granted by subsection 6.2 hereof. The Mortgagee is hereby irrevocably appointed the true and lawful attorney of the Grantor, in its name and stead, to make all necessary conveyances of any Mortgage Collateral so sold. Nevertheless, if so requested by the Mortgagee or by any purchaser, the Grantor shall confine any such sale or conveyance by executing and delivering all proper instruments of conveyance or releases as may be designated in any such request.

6.4 Waiver of Appraisement, etc. The Grantor agrees, to the fullest extent that it lawfully may, that it will not (and hereby irrevocably waives its right to) at any time plead, or claim the benefit or advantage of, any appraisement, valuation, stay, extension, moratorium or redemption law now or hereafter in force, in order to prevent or hinder the enforcement of this Mortgage or the absolute sale of the Mortgage Collateral.

6.5 Remedies Cumulative. No remedy herein conferred upon the Mortgagee is intended to be exclusive of any other remedy, but every such remedy shall be cumulative and shall be in addition to every other remedy herein conferred or now or hereafter existing in law.

6.6 Application of Proceeds. If an Event of Default shall have occurred and be continuing, the proceeds of any sale, lease or other disposition of all or any part of the Mortgage Collateral pursuant to this Mortgage and all other sums realized or held by the Mortgagee under this Mortgage or any proceedings hereunder shall be applied in accordance with the terms of the Credit and Security Agreement.

6.7 Delay or Omission; Possession of Loan Certificates.

(a) No delay or omission of the Mortgagee to exercise any right or remedy arising upon the happening of any Default or Event of Default shall impair any right or remedy or shall be construed to be a waiver of any such Default or Event of Default or an acquiescence therein; and every right and remedy given to the Mortgagee by this Section 6, the Loan Documents or by applicable law may be exercised from time to time and as often as may be deemed expedient by the Mortgagee.

(b) All rights of action under this Mortgage may be enforced by the Mortgagee without the possession of the Notes or any other instrument or document evidencing any obligation or the production thereof in any proceeding.

6.8 Mortgagee's Right to Perform for the Grantor. From and after the occurrence and continuance of an Event of Default, if the Grantor fails to perform or comply with any of its agreements contained herein, the Mortgagee may perform or comply with such agreement, and the amount of the reasonable out-of-pocket costs and expenses incurred in connection with the performance or compliance with such agreement (together with interest thereon at the Default Rate) shall be payable by the Grantor to the Mortgagee on demand and shall be secured by the lien and security interest of this Mortgage.

6.9 Deregistration. If an Event of Default under the Credit and Security Agreement shall occur and be continuing, the Mortgagee may, without being responsible for loss or damage, except to the extent caused by the gross negligence or willful misconduct of the Mortgagee, procure the deregistration of the registration of the Aircraft and export the Aircraft to a jurisdiction of the Mortgagee's choice pursuant to the IDERA and as authorized by the Cape Town Convention. The Grantor agrees to pay to the Mortgagee, upon demand, all reasonable out-of-pocket expenses incurred in taking any such action, including reasonable attorney fees; and all such expenses and fees shall constitute Obligations and, until paid, be secured by the lien and security interest of this Mortgage. At the request of the Mortgagee, the Grantor will execute and deliver an IDERA to the Mortgagee to be filed with the FAA.

6.10 Speedy Relief Remedies. If an Event of Default under the Credit and Security Agreement shall occur and be continuing, the Mortgagee may, pending final determination of its claim in any court proceeding, obtain speedy relief in the form of on order providing for (i) preservation of the Mortgage Collateral and its value; (ii) possession, control or custody of the Mortgage Collateral; (iii) immobilization of the Mortgage Collateral; (iv) lease or, except where covered by sub-paragraphs (i) to (iii) of this subsection 6.10, management of the Mortgage Collateral and the income therefrom, and (v) sale and application of proceeds therefrom.

SECTION 7
MISCELLANEOUS PROVISIONS

7.1 Amendments, etc. No amendment or waiver of any provision of this Mortgage, nor consent to any departure by the Grantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Mortgagee and the Grantor, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

7.2 Indemnification. The Grantor agrees (a) to pay or reimburse the Mortgagee for all its reasonable out-of-pocket costs and expenses incurred in connection with the development, preparation and execution of, and any amendment, supplement or modification to, this Mortgage and any other documents prepared in connection herewith, and the consummation of the transactions contemplated hereby and thereby, (b) to pay or reimburse the Mortgagee for all its costs and expenses incurred in connection with the enforcement or preservation of any rights under this Mortgage and any such other documents, including, without limitation, the fees and disbursements of counsel to the Mortgagee, (c) to pay, indemnify, and to hold the Mortgagee harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying stamp, excise and other taxes, if any, that may be payable or determined to be payable in connection with the execution and delivery of, or consummation of

7.5 Continuing Lien and Security Interest; Transfer; Release of Mortgage Collateral; Termination of Mortgage.

(a) In addition to the other Security Documents, this Mortgage shall create a continuing lien and security interest in the Mortgage Collateral and shall (i) remain in full force and effect until payment and performance in full of all of the Obligations, (ii) be binding upon the Grantor, its successors and assigns, and (iii) inure to the benefit of the Mortgagee, and its successors, transferees and assigns.

(b) Upon the indefeasible payment and performance in full of all of the Obligations, the lien and security interest granted hereby and in the Security Documents shall terminate. 4.11 Event of Loss with Respect to an Engine. Upon the occurrence of an Event of Loss with respect to an Engine under circumstances in which there has not occurred an Event of Loss with respect to the Airframe on which such Engine was originally installed, the Grantor shall give the Mortgagee prompt written notice thereof and shall, within 90 days after the occurrence of such Event of Loss, duly subject to the lien and security interest of this Mortgage, in substitution for the Engine with respect to which such Event of Loss occurred, substitute another General Electric CF6-50C2 engine (or engine of the same manufacturer of an improved model and suitable for installation and use on an Airframe or such other engine acceptable to the Mortgagee) (herein called a "Replacement Engine"), free and clear of all Liens and having a value and utility at least equal to, and being in as good operating condition as, the Engine with respect to which such Event of Loss occurred assuming such Engine was of the value and utility and in the condition and repair required by the terms of this Mortgage immediately prior to the occurrence of such Event of Loss. At the time of such replacement, the Grantor, at its expense, shall (i) furnish the Mortgagee with evidence, reasonably satisfactory to the Mortgagee, of the Grantor's title to the Replacement Engine, (ii) cause a supplement to this Mortgage describing the Replacement Engine to be duly executed and filed for recordation pursuant to the Act, (iii) furnish the Mortgagee with such evidence of compliance with the insurance provisions of subsection 4.5 hereof with respect to such Replacement Engine as the Mortgagee may reasonably request, and (iv) furnish the Mortgagee with such certificates and opinions of counsel as the Mortgagee may request in order to evidence the value, utility and operating condition of the Replacement Engine, the Grantor's title to the Replacement Engine free and clear of all Liens (other than Permitted Liens) and the subjection of the Replacement Engine to the lien and security interest of this Mortgage. Upon full compliance by the Grantor with the provisions of this subsection 4.11, the Mortgagee will deliver to the Grantor an instrument releasing the Engine with respect to which such Event of Loss occurred from the lien and security interest of this Mortgage. For all purposes of this Mortgage, each Replacement Engine shall, after being subjected to the lien and security interest hereof, be deemed an "Engine" as defined herein and shall be deemed part of the same Aircraft as was the Engine replaced thereby.

4.12 Further Assurances. The Grantor at its expense will promptly and duly execute and deliver such documents and assurances and take such action as may be necessary, or as the Mortgagee may from time to time request, in order to more effectively carry out the intent and purpose of this Mortgage, to establish, protect and perfect the rights, remedies, liens and security

For purposes of this Section 4.1, a "material" law, rule, regulation or order of the FAA or any other Governmental Authority having jurisdiction (domestic or foreign) is one the violation of which may lead to an enforcement action by the FAA or such Governmental Authority or suspension, revocation or limitation of Grantor's authority to operate as a Certificated Air Carrier.

4.4 Possession. The Grantor will not, without the prior written consent of the Mortgagee, except as permitted under the Loan and Security Agreement, lease or otherwise in any manner deliver, transfer, remove or relinquish possession or control of, or transfer any right, title or interest of the Grantor in, any Mortgage Collateral, including without limitation any Airframe, Engine or Part or install any Engine or permit any Engine to be installed, on any airframe other than an Airframe, or permit any Part to be installed on or attached to any airframe or engine other than to an Airframe or Engine.

4.6 Modification and Additions. The Grantor, at its expense, shall make such modifications in and additions to the Airframes and the Engines as may be required from time to time to meet the standards of the FAA or other Governmental Authority having jurisdiction. In addition, so long as no Default or Event of Default shall have occurred and be continuing, the Grantor, at its expense, may from time to time make such modifications in and additions to any Airframe or Engine as it may deem desirable in the proper conduct of its business, provided that no such modification or addition shall diminish the value or utility of such Airframe or Engine or impair the airworthiness or operating condition thereof below the value, utility, airworthiness and condition thereof immediately prior to such modification or addition (assuming such Airframe or Engine was of the value and utility and in the condition required by the terms of this Mortgage immediately prior to such modification or addition) and any expenses incurred or related thereto are in accordance with the terms of the Loan and Security Agreement.

The security interest granted herein is a purchase money security interest under the Kansas Uniform Commercial Code.

3. **Debtor's Warranty of Title and Citizenship.** Except for the security interest granted under this Security Agreement, Debtor warrants that Debtor is (or, to the extent that the Collateral is to be acquired hereafter, will be) the owner of the Collateral free from any prior security interest, lien or encumbrance. Debtor will defend the Collateral against all claims and demands of all persons claiming interest therein. Debtor further warrants that it is a citizen of the United States as defined by 49 U.S.C. § 40102.

4. **Debtor Will Execute and Deliver Documents.** Debtor will, at RACC's request, furnish RACC such information and execute and deliver to RACC such documents and do all such acts and things as RACC may reasonably request as are necessary or appropriate to assist RACC in establishing and maintaining a valid security interest in the Collateral and to assure that the Collateral is properly titled and registered and the security interest perfected to RACC's reasonable satisfaction. Debtor will pay the cost of filing all appropriate documents in all public offices where RACC deems such filings necessary or desirable.

5. **Operation, Maintenance and Repair.** Subject to the Governing Documents, Debtor shall operate, maintain and repair the Collateral and retain actual control and possession thereof in accordance with the following provisions:

5a. Subject to the Governing Documents, Debtor shall have complete use of the Collateral until default, and Debtor shall use, operate, maintain and store the Collateral, or any part thereof, properly, carefully and in compliance with all applicable statutes, ordinances, regulations, policies of insurance and manufacturer's recommendation and operating and maintenance manuals.

5b. Subject to the Governing Documents, Debtor agrees that the Collateral will be operated only by duly certificated and qualified pilots and shall maintain U.S. registry and shall be based within the geographical boundaries of the United States.

5c. Subject to the Governing Documents, Debtor shall be responsible for and pay for all expenses of owning and operating the Collateral, including but not limited to storage, fuel, lubricants, service, inspections, overhauls, replacements, maintenance and repairs, all in compliance with the manufacturer's operating and maintenance manuals and with FAA rules and regulations. Debtor shall properly maintain all records pertaining to the maintenance and operation of the Collateral.

6. **Insurance.** Subject to the Governing Documents, Debtor will, at its own expense, keep the Collateral insured at all times against loss, damage, theft, and such other casualties as RACC may reasonably require (including hull insurance) in such amounts, under such forms of policies, upon such terms, for such periods and with such companies or underwriters as RACC may (but has no obligation to) approve. RACC hereby approves the insurance provided by RTA pursuant to the Governing Documents. Losses or refunds in all cases shall be payable to RACC and Debtor as their interests may appear. In no event shall the amount of such insurance be less than the amount of indebtedness due under the Promissory Note. All policies of insurance shall provide for at least thirty (30) days prior written notice of cancellation to RACC, and shall contain a breach of warranty endorsement in favor of RACC. RACC may obtain such insurance if such insurance is not provided by Debtor. Debtor shall furnish to RACC proof satisfactory to RACC of compliance with the provisions of this paragraph. RACC, and its assigns, are hereby irrevocably appointed attorney-in-fact for Debtor to endorse for Debtor any checks, drafts or other instruments whatsoever payable to Debtor as proceeds or refunds for any such insurance and to make claims of loss and to sign proofs of loss against any insurance company and to receive all payments. Debtor will pay any deductible portion of such insurance. All risk of loss, damage, destruction or confiscation shall at all times be on Debtor.

7. **Debtor's Possession.** Until default, Debtor may have possession of the Collateral and use it in any lawful manner not inconsistent with this Security Agreement. RACC may examine and inspect the Collateral, wherever located, at all reasonable times. At its option, but without assuming any obligation to do so, RACC may discharge taxes, liens or security interests, or other encumbrances levied or asserted against the Collateral, may place and pay for insurance thereon, may order and pay for the repair, maintenance and preservation thereof, and may pay any necessary filing or recording fees. Amounts paid by RACC under the preceding sentence shall be added to Debtor's unpaid balance under the Promissory Note, shall be secured by the Collateral and shall be payable upon demand, together with interest at the rate computed as provided in Paragraph 2 of the Promissory Note until paid in full. Subject to the Governing Documents, Debtor shall at all times keep the Collateral, and any proceeds

therefrom, separate and distinct from other property of the Debtor and shall keep accurate and complete records of the Collateral and any such proceeds.

8. **Default.** Upon Default, as defined in the Promissory Note, RACC may require Debtor to assemble the Collateral and make it available to RACC at a place to be designated by RACC which is reasonably convenient to both parties. The requirements of the Kansas Uniform Commercial Code for reasonable notification to Debtor of the time and place of any proposed public sale of the Collateral or of the time after which any private sale or other intended disposition is to be made, shall be met if such notice is mailed, postage prepaid, to Debtor's address, as shown herein, at least twenty (20) days before the time of the sale or disposition. After deduction of all reasonable expenses of retaking, holding, preparing for sale or lease, selling, leasing and the like, together with reasonable costs of collection, attorneys' fees and legal expenses of RACC, and after the payment of the principal and interest due under the Promissory Note, the balance, if any, of the proceeds of the sale may be applied to the payment of any or all other indebtedness of Debtor to RACC, whether due or not, whether direct or indirect, absolute or contingent, whether now existing or hereafter arising, and whether owing individually or in connection with others not parties hereto, and to the satisfaction of indebtedness secured by any subordinate security interest in the Collateral of which RACC has received notice prior to distribution of the proceeds. Debtor shall be liable for any deficiency after application of such proceeds, to the extent permitted by law. If after a default by Debtor, the Collateral is returned to or recovered by RACC, Debtor agrees RACC may fly or otherwise move the Collateral for demonstration and other purposes reasonably related to a proposed public or private sale or other disposition of the Collateral.

9. Sale of Aircraft and/or Related Collateral. In the event the Aircraft and/or related Collateral is sold, RACC may declare all indebtedness due under the Promissory Note, as well as any other indebtedness or liability of Debtor to RACC, immediately due and payable.

In addition to the foregoing, RACC may (a) sell, or instruct any agent or broker to sell, all or any part of the Collateral, and direct such agent or broker to deliver all proceeds thereof to RACC and apply all proceeds to the payment of any or all of the unpaid balance owed pursuant to the provisions contained in this Security Agreement, in such order and manner as RACC shall choose, in its discretion, and/or (b) cause title to the Collateral to be transferred into the name of RACC or its designee.

Debtor understands and agrees that any sale by RACC of all or part of the Collateral pursuant to the terms of this Security Agreement may be effected by RACC at a time and in a manner which could result in the proceeds of such sale being significantly and materially less than might have been received if such sale had occurred at a different time or in a different manner, and Debtor hereby releases RACC and its officers and representatives from and against any and all obligations and/or liabilities arising out of or related to the timing or manner of any such sale. All rights and remedies of RACC provided herein are subject to the limitations set forth in the Governing Documents that relate to Debtor's interest in the Collateral.

10. Waiver of Default. No waiver by RACC of any default shall be effective unless in writing, nor operate as a waiver of any other default or of the same default in the future.

11. Restriction on Transfer or Liens. Debtor will not, without the prior written consent of RACC, sell or otherwise transfer or encumber the Collateral, or any interest therein, or offer to do so or, except in accordance with the Governing Documents, permanently remove or attempt to permanently remove the Collateral from the United States. Debtor will keep the Collateral free from any adverse security interest, lien or encumbrance and will not permit the Collateral to be attached or replevied.

12. Taxes. Debtor will promptly pay, or cause to be paid, when due, all taxes and assessments upon the Collateral or upon its use or operation or upon this Security Agreement and the obligations evidenced by the Promissory Note.

13. Change of Address. Debtor will notify RACC in writing of any change of address from that shown in this Security Agreement within ten (10) days of such change.

14. GOVERNING LAW AND CHOICE OF FORUM. THIS SECURITY AGREEMENT WAS MADE AND ENTERED INTO IN THE STATE OF KANSAS AND THE LAW GOVERNING THIS TRANSACTION SHALL BE THAT OF THE STATE OF KANSAS AS IT MAY FROM TIME TO TIME EXIST. The security interest granted herein is a purchase money security interest under the Kansas Uniform Commercial Code.

3. **Debtor's Warranty of Title and Citizenship.** Except for the security interest granted under this Security Agreement, Debtor warrants that Debtor is (or, to the extent that the Collateral is to be acquired hereafter, will be) the owner of the Collateral free from any prior security interest, lien or encumbrance. Debtor will defend the Collateral against all claims and demands of all persons claiming interest therein. Debtor further warrants that it is a citizen of the United States as defined by 49 U.S.C. § 40102.

4. **Debtor Will Execute and Deliver Documents.** Debtor will, at RACC's request, furnish RACC such information and execute and deliver to RACC such documents and do all such acts and things as RACC may reasonably request as are necessary or appropriate to assist RACC in establishing and maintaining a valid security interest in the Collateral and to assure that the Collateral is properly titled and registered and the security interest perfected to RACC's reasonable satisfaction. Debtor will pay the cost of filing all appropriate documents in all public offices where RACC deems such filings necessary or desirable.

5. **Operation, Maintenance and Repair.** Subject to the Governing Documents, Debtor shall operate, maintain and repair the Collateral and retain actual control and possession thereof in accordance with the following provisions:

5a. Subject to the Governing Documents, Debtor shall have complete use of the Collateral until default, and Debtor shall use, operate, maintain and store the Collateral, or any part thereof, properly, carefully and in compliance with all applicable statutes, ordinances, regulations, policies of insurance and manufacturer's recommendation and operating and maintenance manuals.

5b. Subject to the Governing Documents, Debtor agrees that the Collateral will be operated only by duly certificated and qualified pilots and shall maintain U.S. registry and shall be based within the geographical boundaries of the United States.

5c. Subject to the Governing Documents, Debtor shall be responsible for and pay for all expenses of owning and operating the Collateral, including but not limited to storage, fuel, lubricants, service, inspections, overhauls, replacements, maintenance and repairs, all in compliance with the manufacturer's operating and maintenance manuals and with FAA rules and regulations. Debtor shall properly maintain all records pertaining to the maintenance and operation of the Collateral.

6. **Insurance.** Subject to the Governing Documents, Debtor will, at its own expense, keep the Collateral insured at all times against loss, damage, theft, and such other casualties as RACC may reasonably require (including hull insurance) in such amounts, under such forms of policies, upon such terms, for such periods and with such companies or underwriters as RACC may (but has no obligation to) approve. RACC hereby approves the insurance provided by RTA pursuant to the Governing Documents. Losses or refunds in all cases shall be payable to RACC and Debtor as their interests may appear. In no event shall the amount of such insurance be less than the amount of indebtedness due under the Promissory Note. All policies of insurance shall provide for at least thirty (30) days prior written notice of cancellation to RACC, and shall contain a breach of warranty endorsement in favor of RACC. RACC may obtain such insurance if such insurance is not provided by Debtor. Debtor shall furnish to RACC proof satisfactory to RACC of compliance with the provisions of this paragraph. RACC, and its assigns, are hereby irrevocably appointed attorney-in-fact for Debtor to endorse for Debtor any checks, drafts or other instruments whatsoever payable to Debtor as proceeds or refunds for any such insurance and to make claims of loss and to sign proofs of loss against any insurance company and to receive all payments. Debtor will pay any deductible portion of such insurance. All risk of loss, damage, destruction or confiscation shall at all times be on Debtor.

7. **Debtor's Possession.** Until default, Debtor may have possession of the Collateral and use it in any lawful manner not inconsistent with this Security Agreement. RACC may examine and inspect the Collateral, wherever located, at all reasonable times. At its option, but without assuming any obligation to do so, RACC may discharge taxes, liens or security interests, or other encumbrances levied or asserted against the Collateral, may place and pay for insurance thereon, may order and pay for the repair, maintenance and preservation thereof, and may pay any necessary filing or recording fees. Amounts paid by RACC under the preceding sentence shall be added to Debtor's unpaid balance under the Promissory Note, shall be secured by the Collateral and shall be payable upon demand, together with interest at the rate computed as provided in Paragraph 2 of the Promissory Note until paid in full. Subject to the Governing Documents, Debtor shall at all times keep the Collateral, and any proceeds

therefrom, separate and distinct from other property of the Debtor and shall keep accurate and complete records of the Collateral and any such proceeds.

8. **Default.** Upon Default, as defined in the Promissory Note, RACC may require Debtor to assemble the Collateral and make it available to RACC at a place to be designated by RACC which is reasonably convenient to both parties. The requirements of the Kansas Uniform Commercial Code for reasonable notification to Debtor of the time and place of any proposed public sale of the Collateral or of the time after which any private sale or other intended disposition is to be made, shall be met if such notice is mailed, postage prepaid, to Debtor's address, as shown herein, at least twenty (20) days before the time of the sale or disposition. After deduction of all reasonable expenses of retaking, holding, preparing for sale or lease, selling, leasing and the like, together with reasonable costs of collection, attorneys' fees and legal expenses of RACC, and after the payment of the principal and interest due under the Promissory Note, the balance, if any, of the proceeds of the sale may be applied to the payment of any or all other indebtedness of Debtor to RACC, whether due or not, whether direct or indirect, absolute or contingent, whether now existing or hereafter arising, and whether owing individually or in connection with others not parties hereto, and to the satisfaction of indebtedness secured by any subordinate security interest in the Collateral of which RACC has received notice prior to distribution of the proceeds. Debtor shall be liable for any deficiency after application of such proceeds, to the extent permitted by law. If after a default by Debtor, the Collateral is returned to or recovered by RACC, Debtor agrees RACC may fly or otherwise move the Collateral for demonstration and other purposes reasonably related to a proposed public or private sale or other disposition of the Collateral.

9. Sale of Aircraft and/or Related Collateral. In the event the Aircraft and/or related Collateral is sold, RACC may declare all indebtedness due under the Promissory Note, as well as any other indebtedness or liability of Debtor to RACC, immediately due and payable.

In addition to the foregoing, RACC may (a) sell, or instruct any agent or broker to sell, all or any part of the Collateral, and direct such agent or broker to deliver all proceeds thereof to RACC and apply all proceeds to the payment of any or all of the unpaid balance owed pursuant to the provisions contained in this Security Agreement, in such order and manner as RACC shall choose, in its discretion, and/or (b) cause title to the Collateral to be transferred into the name of RACC or its designee.

Debtor understands and agrees that any sale by RACC of all or part of the Collateral pursuant to the terms of this Security Agreement may be effected by RACC at a time and in a manner which could result in the proceeds of such sale being significantly and materially less than might have been received if such sale had occurred at a different time or in a different manner, and Debtor hereby releases RACC and its officers and representatives from and against any and all obligations and/or liabilities arising out of or related to the timing or manner of any such sale. All rights and remedies of RACC provided herein are subject to the limitations set forth in the Governing Documents that relate to Debtor's interest in the Collateral.

10. **Waiver of Default.** No waiver by RACC of any default shall be effective unless in writing, nor operate as a waiver of any other default or of the same default in the future.

11. **Restriction on Transfer or Liens.** Debtor will not, without the prior written consent of RACC, sell or otherwise transfer or encumber the Collateral, or any interest therein, or offer to do so or, except in accordance with the Governing Documents, permanently remove or attempt to permanently remove the Collateral from the United States. Debtor will keep the Collateral free from any adverse security interest, lien or encumbrance and will not permit the Collateral to be attached or replevied.

12. **Taxes.** Debtor will promptly pay, or cause to be paid, when due, all taxes and assessments upon the Collateral or upon its use or operation or upon this Security Agreement and the obligations evidenced by the Promissory Note.

13. **Change of Address.** Debtor will notify RACC in writing of any change of address from that shown in this Security Agreement within ten (10) days of such change.

14. GOVERNING LAW AND CHOICE OF FORUM. THIS SECURITY AGREEMENT WAS MADE AND ENTERED INTO IN THE STATE OF KANSAS AND THE LAW GOVERNING THIS TRANSACTION SHALL BE THAT OF THE STATE OF KANSAS AS IT MAY FROM TIME TO TIME EXIST. THE PARTIES AGREE THAT ANY LEGAL PROCEEDING BASED UPON THE PROVISIONS OF THIS SECURITY AGREEMENT SHALL BE BROUGHT EXCLUSIVELY IN EITHER THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF KANSAS AT

take any action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

The security interest granted herein is a purchase money security interest under the Kansas Uniform Commercial Code.

3. Debtor's Warranty of Title and Citizenship. Except for the security interest granted under this Security Agreement, Debtor warrants that Debtor is (or, to the extent that the Collateral is to be acquired hereafter, will be) the owner of the Collateral free from any prior security interest, lien or encumbrance. Debtor will defend the Collateral against all claims and demands of all persons claiming interest therein. Debtor further warrants that it is a citizen of the United States as defined by 49 U.S.C. § 40102.

4. Debtor Will Execute and Deliver Documents. Debtor will, at RACC's request, furnish RACC such information and execute and deliver to RACC such documents and do all such acts and things as RACC may reasonably request as are necessary or appropriate to assist RACC in establishing and maintaining a valid security interest in the Collateral and to assure that the Collateral is properly titled and registered and the security interest perfected to RACC's reasonable satisfaction. Debtor will pay the cost of filing all appropriate documents in all public offices where RACC deems such filings necessary or desirable.

5. Operation, Maintenance and Repair. Subject to the Governing Documents, Debtor shall operate, maintain and repair the Collateral and retain actual control and possession thereof in accordance with the following provisions:

5a. Subject to the Governing Documents, Debtor shall have complete use of the Collateral until default, and Debtor shall use, operate, maintain and store the Collateral, or any part thereof, properly, carefully and in compliance with all applicable statutes, ordinances, regulations, policies of insurance and manufacturer's recommendation and operating and maintenance manuals.

5b. Subject to the Governing Documents, Debtor agrees that the Collateral will be operated only by duly certificated and qualified pilots and shall maintain U.S. registry and shall be based within the geographical boundaries of the United States.

5c. Subject to the Governing Documents, Debtor shall be responsible for and pay for all expenses of owning and operating the Collateral, including but not limited to storage, fuel, lubricants, service, inspections, overhauls, replacements, maintenance and repairs, all in compliance with the manufacturer's operating and maintenance manuals and with FAA rules and regulations. Debtor shall properly maintain all records pertaining to the maintenance and operation of the Collateral.

6. Insurance. Subject to the Governing Documents, Debtor will, at its own expense, keep the Collateral insured at all times against loss, damage, theft, and such other casualties as RACC may reasonably require (including hull insurance) in such amounts, under such forms of policies, upon such terms, for such periods and with such companies or underwriters as RACC may (but has no obligation to) approve. RACC hereby approves the insurance provided by RTA pursuant to the Governing Documents. Losses or refunds in all cases shall be payable to RACC and Debtor as their interests may appear. In no event shall the amount of such insurance be less than the amount of indebtedness due under the Promissory Note. All policies of insurance shall provide for at least thirty (30) days prior written notice of cancellation to RACC, and shall contain a breach of warranty endorsement in favor of RACC. RACC may obtain such insurance if such insurance is not provided by Debtor. Debtor shall furnish to RACC proof satisfactory to RACC of compliance with the provisions of this paragraph. RACC, and its assigns, are hereby irrevocably appointed attorney-in-fact for Debtor to endorse for Debtor any checks, drafts or other instruments whatsoever payable to Debtor as proceeds or refunds for any such insurance and to make claims of loss and to sign proofs of loss against any insurance company and to receive all payments. Debtor will pay any deductible portion of such insurance. All risk of loss, damage, destruction or confiscation shall at all times be on Debtor.

7. Debtor's Possession. Until default, Debtor may have possession of the Collateral and use it in any lawful manner not inconsistent with this Security Agreement. RACC may examine and inspect the Collateral, wherever located, at all reasonable times. At its option, but without assuming any obligation to do so, RACC may discharge taxes, liens or security interests, or other encumbrances levied or asserted against the Collateral, may place and

pay for insurance thereon, may order and pay for the repair, maintenance and preservation thereof, and may pay any necessary filing or recording fees. Amounts paid by RACC under the preceding sentence shall be added to Debtor's unpaid balance under the Promissory Note, shall be secured by the Collateral and shall be payable upon demand, together with interest at the rate computed as provided in Paragraph 2 of the Promissory Note until paid in full. Subject to the Governing Documents, Debtor shall at all times keep the Collateral, and any proceeds therefrom, separate and distinct from other property of the Debtor and shall keep accurate and complete records of the Collateral and any such proceeds.

8. Default. Upon Default, as defined in the Promissory Note, RACC may require Debtor to assemble the Collateral and make it available to RACC at a place to be designated by RACC which is reasonably convenient to both parties. The requirements of the Kansas Uniform Commercial Code for reasonable notification to Debtor of the time and place of any proposed public sale of the Collateral or of the time after which any private sale or other intended disposition is to be made, shall be met if such notice is mailed, postage prepaid, to Debtor's address, as shown herein, at least twenty (20) days before the time of the sale or disposition. After deduction of all reasonable expenses of retaking, holding, preparing for sale or lease, selling, leasing and the like, together with reasonable costs of collection, attorneys' fees and legal expenses of RACC, and after the payment of the principal and interest due under the Promissory Note, the balance, if any, of the proceeds of the sale may be applied to the payment of any or all other indebtedness of Debtor to RACC, whether due or not, whether direct or indirect, absolute or contingent, whether now existing or hereafter arising, and whether owing individually or in connection with others not parties hereto, and to the satisfaction of indebtedness secured by any subordinate security interest in the Collateral of which RACC has received notice prior to distribution of the proceeds. Debtor shall be liable for any deficiency after application of such proceeds, to the extent permitted by law. If after a default by Debtor, the Collateral is returned to or recovered by RACC, Debtor agrees RACC may fly or otherwise move the Collateral for demonstration and other purposes reasonably related to a proposed public or private sale or other disposition of the Collateral.

9. Sale of Aircraft and/or Related Collateral. In the event the Aircraft and/or related Collateral is sold, RACC may declare all indebtedness due under the Promissory Note, as well as any other indebtedness or liability of Debtor to RACC, immediately due and payable.

In addition to the foregoing, RACC may (a) sell, or instruct any agent or broker to sell, all or any part of the Collateral, and direct such agent or broker to deliver all proceeds thereof to RACC and apply all proceeds to the payment of any or all of the unpaid balance owed pursuant to the provisions contained in this Security Agreement, in such order and manner as RACC shall choose, in its discretion, and/or (b) cause title to the Collateral to be transferred into the name of RACC or its designee.

Debtor understands and agrees that any sale by RACC of all or part of the Collateral pursuant to the terms of this Security Agreement may be effected by RACC at a time and in a manner which could result in the proceeds of such sale being significantly and materially less than might have been received if such sale had occurred at a different time or in a different manner, and Debtor hereby releases RACC and its officers and representatives from and against any and all obligations and/or liabilities arising out of or related to the timing or manner of any such sale. All rights and remedies of RACC provided herein are subject to the limitations set forth in the Governing Documents that relate to Debtor's interest in the Collateral.

10. Waiver of Default. No waiver by RACC of any default shall be effective unless in writing, nor operate as a waiver of any other default or of the same default in the future.

11. Restriction on Transfer or Liens. Debtor will not, without the prior written consent of RACC, sell or otherwise transfer or encumber the Collateral, or any interest therein, or offer to do so or, except in accordance with the Governing Documents, permanently remove or attempt to permanently remove the Collateral from the United States. Debtor will keep the Collateral free from any adverse security interest, lien or encumbrance and will not permit the Collateral to be attached or replevied.

12. Taxes. Debtor will promptly pay, or cause to be paid, when due, all taxes and assessments upon the Collateral or upon its use or operation or upon this Security Agreement and the obligations evidenced by the Promissory Note.

14. GOVERNING LAW AND CHOICE OF FORUM. THIS SECURITY AGREEMENT WAS MADE AND ENTERED INTO IN THE STATE OF KANSAS AND THE LAW GOVERNING THIS TRANSACTION SHALL BE THAT OF THE STATE OF KANSAS AS IT MAY FROM TIME TO TIME EXIST. THE PARTIES AGREE THAT ANY LEGAL PROCEEDING BASED UPON THE PROVISIONS OF THIS SECURITY AGREEMENT SHALL BE BROUGHT EXCLUSIVELY IN EITHER THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF KANSAS AT WICHITA, KANSAS, OR IN THE EIGHTEENTH JUDICIAL DISTRICT COURT OF SEDGWICK COUNTY, KANSAS, TO THE EXCLUSION OF ALL OTHER COURTS AND TRIBUNALS. Debtor shall not sell, assign, transfer, encumber or convey any of its interests in the Collateral or in this Security Agreement without the prior written consent of RACC.

18. Entire Agreement. This Security Agreement, the Promissory Note and the Governing Documents constitute the entire agreement between and among the parties with respect to the subject matter hereof. There are no verbal understandings, agreements, representations or warranties not expressly set forth herein. Neither this Security Agreement nor the Promissory Note shall be changed orally, but only by writing signed by the parties hereto.

DEBTOR HEREIN ACKNOWLEDGES THAT DEBTOR HAS READ AND FULLY UNDERSTANDS ALL OF THE TERMS AND CONDITIONS OF THIS SECURITY AGREEMENT. BY EXECUTION HEREOF, THE UNDERSIGNED HEREBY CERTIFIES THAT HE/SHE IS DULY AUTHORIZED TO EXECUTE THIS SECURITY AGREEMENT IN THE CAPACITY STATED BELOW.

take any action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

The security interest granted herein is a purchase money security interest under the Kansas Uniform Commercial Code.

3. Debtor's Warranty of Title and Citizenship. Except for the security interest granted under this Security Agreement, Debtor warrants that Debtor is (or, to the extent that the Collateral is to be acquired hereafter, will be) the owner of the Collateral free from any prior security interest, lien or encumbrance. Debtor will defend the Collateral against all claims and demands of all persons claiming interest therein. Debtor further warrants that it is a citizen of the United States as defined by 49 U.S.C. § 40102.

4. Debtor Will Execute and Deliver Documents. Debtor will, at RACC's request, furnish RACC such information and execute and deliver to RACC such documents and do all such acts and things as RACC may reasonably request as are necessary or appropriate to assist RACC in establishing and maintaining a valid security interest in the Collateral and to assure that the Collateral is properly titled and registered and the security interest perfected to RACC's reasonable satisfaction. Debtor will pay the cost of filing all appropriate documents in all public offices where RACC deems such filings necessary or desirable.

5. Operation, Maintenance and Repair. Subject to the Governing Documents, Debtor shall operate, maintain and repair the Collateral and retain actual control and possession thereof in accordance with the following provisions:

5a. Subject to the Governing Documents, Debtor shall have complete use of the Collateral until default, and Debtor shall use, operate, maintain and store the Collateral, or any part thereof, properly, carefully and in compliance with all applicable statutes, ordinances, regulations, policies of insurance and manufacturer's recommendation and operating and maintenance manuals.

5b. Subject to the Governing Documents, Debtor agrees that the Collateral will be operated only by duly certificated and qualified pilots and shall maintain U.S. registry and shall be based within the geographical boundaries of the United States.

5c. Subject to the Governing Documents, Debtor shall be responsible for and pay for all expenses of owning and operating the Collateral, including but not limited to storage, fuel, lubricants, service, inspections, overhauls, replacements, maintenance and repairs, all in compliance with the manufacturer's operating and maintenance manuals and with FAA rules and regulations. Debtor shall properly maintain all records pertaining to the maintenance and operation of the Collateral.

6. Insurance. Subject to the Governing Documents, Debtor will, at its own expense, keep the Collateral insured at all times against loss, damage, theft, and such other casualties as RACC may reasonably require (including hull insurance) in such amounts, under such forms of policies, upon such terms, for such periods and with such companies or underwriters as RACC may (but has no obligation to) approve. RACC hereby approves the insurance provided by RTA pursuant to the Governing Documents. Losses or refunds in all cases shall be payable to RACC and Debtor as their interests may appear. In no event shall the amount of such insurance be less than the amount of indebtedness due under the Promissory Note. All policies of insurance shall provide for at least thirty (30) days prior written notice of cancellation to RACC, and shall contain a breach of warranty endorsement in favor of RACC. RACC may obtain such insurance if such insurance is not provided by Debtor. Debtor shall furnish to RACC proof satisfactory to RACC of compliance with the provisions of this paragraph. RACC, and its assigns, are hereby irrevocably appointed attorney-in-fact for Debtor to endorse for Debtor any checks, drafts or other instruments whatsoever payable to Debtor as proceeds or refunds for any such insurance and to make claims of loss and to sign proofs of loss against any insurance company and to receive all payments. Debtor will pay any deductible portion of such insurance. All risk of loss, damage, destruction or confiscation shall at all times be on Debtor.

7. Debtor's Possession. Until default, Debtor may have possession of the Collateral and use it in any lawful manner not inconsistent with this Security Agreement. pay for insurance thereon, may order and pay for the repair, maintenance and preservation thereof, and may pay any necessary filing or recording fees. Amounts paid by RACC under the preceding sentence shall be added to Debtor's unpaid balance under the Promissory Note, shall be secured by the Collateral and shall be payable upon demand, together with interest at the rate computed as provided in Paragraph 2 of the Promissory Note until paid in full. Subject to the Governing Documents, Debtor shall at all times keep the Collateral, and any proceeds therefrom, separate and distinct from other property of the Debtor and shall keep accurate and complete records of the Collateral and any such proceeds.

8. Default. Upon Default, as defined in the Promissory Note, RACC may require Debtor to assemble the Collateral and make it available to RACC at a place to be designated by RACC which is reasonably convenient to both parties. The requirements of the Kansas Uniform Commercial Code for reasonable notification to Debtor of the time and place of any proposed public sale of the Collateral or of the time after which any private sale or other intended disposition is to be made, shall be met if such notice is mailed, postage prepaid, to Debtor's address, as shown herein, at least twenty (20) days before the time of the sale or disposition. After deduction of all reasonable expenses of retaking, holding, preparing for sale or lease, selling, leasing and the like, together with reasonable costs of collection, attorneys' fees and legal expenses of RACC, and after the payment of the principal and interest due under the Promissory Note, the balance, if any, of the proceeds of the sale may be applied to the payment of any or all other indebtedness of Debtor to RACC, whether due or not, whether direct or indirect, absolute or contingent, whether now existing or hereafter arising, and whether owing individually or in connection with others not parties hereto, and to the satisfaction of indebtedness secured by any subordinate security interest in the Collateral of which RACC has received notice prior to distribution of the proceeds. Debtor shall be liable for any deficiency after application of such proceeds, to the extent permitted by law. If after a default by Debtor, the Collateral is returned to or recovered by RACC, Debtor agrees RACC may fly or otherwise move the Collateral for demonstration and other purposes reasonably related to a proposed public or private sale or other disposition of the Collateral.

9. Sale of Aircraft and/or Related Collateral. In the event the Aircraft and/or related Collateral is sold, RACC may declare all indebtedness due under the Promissory Note, as well as any other indebtedness or liability of Debtor to RACC, immediately due and payable.

In addition to the foregoing, RACC may (a) sell, or instruct any agent or broker to sell, all or any part of the Collateral, and direct such agent or broker to deliver all proceeds thereof to RACC and apply all proceeds to the payment of any or all of the unpaid balance owed pursuant to the provisions contained in this Security Agreement, in such order and manner as RACC shall choose, in its discretion, and/or (b) cause title to the Collateral to be transferred into the name of RACC or its designee.

Debtor understands and agrees that any sale by RACC of all or part of the Collateral pursuant to the terms of this Security Agreement may be effected by RACC at a time and in a manner which could result in the proceeds of such sale being significantly and materially less than might have been received if such sale had occurred at a different time or in a different manner, and Debtor hereby releases RACC and its officers and representatives from and against any and all obligations and/or liabilities arising out of or related to the timing or manner of any such sale. All rights and remedies of RACC provided herein are subject to the limitations set forth in the Governing Documents that relate to Debtor's interest in the Collateral.

10. Waiver of Default. No waiver by RACC of any default shall be effective unless in writing, nor operate as a waiver of any other default or of the same default in the future.

11. Restriction on Transfer or Liens. Debtor will not, without the prior written consent of RACC, sell or otherwise transfer or encumber the Collateral, or any interest therein, or offer to do so or, except in accordance with the Governing Documents, permanently remove or attempt to permanently remove the Collateral from the United States. Debtor will keep the Collateral free from any adverse security interest, lien or encumbrance and will not permit the Collateral to be attached or replevied.

12. Taxes. Debtor will promptly pay, or cause to be paid, when due, all taxes and assessments upon the Collateral or upon its use or operation or upon this Security Agreement and the obligations evidenced by the Promissory Note.
