Classification: Public

Rich,

After a few days with Compliance I was only just told that we need a POA signed to add Darren to Jeffrey's accounts instead of the LOA. I am attaching all the docs I need and they are highlighted where necessary (the LLC and Corp docs are for the entity accounts.)

Vahe, copied here, also mentioned that it may be smart to add either you or Darren as POA's on the Brokerage side. What do you think? Either way, Vahe and I would like to stop by tomorrow as Vahe has yet to meet you in person. This way we will have a face with the name. Let us know your timing
