I pulled this off dbForce just now. Look correct? It's pulling 2 opportunities from Ed Finley when I filter for you and Stewart – should those be removed?

Melinda, we would also like to update the pipeline, do you have access? If so please print a couple copies and we can all review together

Melinda,

Let's catch up this afternoon. With JJ out, would like to get you up to speed on a few things. In the meantime, could you give me a list of companies that are covered by George Hill and Karl Keirstead in DB Research and pull the most recent reports they've written? I set up a subscription for the new ones.

Thanks
