¹There is no charge from Chase, but message and data rates may apply. Such charges include those from your communications service provider. Delivery of alerts may be delayed for various reasons, including service outages affecting your phone, wireless or internet provider; technology failures; and system capacity limitations. Any time you review your balance, keep in mind it may not reflect all transactions including recent debit card transactions or checks you have written. A qualifying Chase transfer account is required to transfer funds via text.
