Subject New accounts for Mary Casey requiring DDR waiver

Hi Amy,

Further to our phone conversation, can you please provide me the full titles for the new Epstein accounts. I will need to create a DDR for each one of those titles. I will also need the respective addresses (if different than the one I see in the existing "Jeffrey Epstein" DDR..which is, 457 Madison Ave, 4th Fl, [REDACTED])

I'll see how far I get.

....and what was the reason for opening these accounts? (I'm sorry...I was totally distracted when you called earlier and I totally forgot what you even mentioned! Yikes!)

Lucy
