Hi Jeff, I have a ask of you. The local chapter of the Organization of Black Aerospace Professionals is hosting it's 5th annual ACE Academy for 25 students aged 14 - 18 here on STT. The Academy is being held June 26th - July 1.

07:45:19 pm

GVI is going to assist this year with funds and in kind contributions. In addition WAPA, VIPA and WICO is contributing as well. The OBAP is a registered 501 (3c) entity. Could you be so kind as to contribute \$7500.00 to this year's academy?

07:47:42 pm

If so, contributions are made payable to the Organization of Black Aerospace Professionals. Thanks much in advance
