You are !!! Imagine you ask to borrow my car . You then take it and rent it to a stranger -take the money . IT IS CALLED THEFT . And the person who does circus a THIEF

09:21:02 pm

[REDACTED]

I am ?!!!! When did I actually did this ? NEVER. Tell others who are actually running this business, not me.

09:23:36 pm

I was talking to you about this for advice and you tell me I am a thief when I actually didn't do anything

09:24:59 pm

jeeitunes@gmail.com

You told me your plan for stealing !!!!! From people that you know . And then try to justify the disgraceful vile scheme . I asked if you would tell the people . You said No .

09:28:01 pm

Please don't respond I have to get on plane .

Sorry Jeffrey, you were right. I totally agree with you. It's wrong to do this with people I know without telling them. When I spoke to you last night it was in a generic way as a potential business in order to make money and since I know many people doing it I thought it was ok. I understand it's wrong but I don't believe "thief" is the appropriate word to describe it. When you say: "Imagine you ask to borrow my car. You then take it and rent it to a stranger -take the money . IT IS CALLED THEFT ." Didn't you do something similar with the Limousine ? When you first told me I thought it was a smart idea :)

10:21:35 am

No , I owned it . I paid for it with the money I got from passengers . No way similar , your s is simply stealing .

12:50:08 pm

And stealing from friends ---just like you did from me . Taking things from others without their consent i.e. Stealing

12:51:22 pm

And trying to be clever by your stupid response is typical . Thinking you are tricky instead of finding work

12:52:22 pm

imagine margo comes to you and says , can you help me get jeffreys credit card. I need money. you ask him for the card and then i will buy some things i need. she would be called a thief , by anyone with even half a brain. the fact that she didn't actually steal the card is irrelevant

01:36:45 pm

oC

I need to talk

03:55:48 pm

I don't understand why do you hate me so much

04:06:02 pm

You are lazy and are throwing away your future . Stubborn and unwilling to work

04:20:26 pm

oC

What you are saying is mean and sadistic

04:26:47 pm

You say that I am unwilling to work but everytime I ask you to help me for a job you say NO

04:33:18 pm

jeeitunes@gmail.com

How about its true

04:34:10 pm

I have given you more help than you deserve and you only want more and more . You quit the hotel job because you didn't like it , consequences follow

04:35:24 pm

[REDACTED]

More and more ?! Asking help to find a job is "more and more"??? I've always been super nice to you and gave you everything I could
