Hey,

All the information we have been provided is housed in that spreadsheet. As we receive questionnaires, I am updating.

Guys,

Maybe I'm confused, but the master contact sheet on the Epstein page doesn't list the addresses of the victims if they are represented by legal counsel, correct? It looks like we only have the addresses of legal counsel. If we don't have the information, we can't create an accurate list of trauma-informed therapists from where each victim currently lives. Is this information somewhere and can we add a sheet that has all of that information on it? Does it currently exist elsewhere?
