What would be the expectations for in-person support? How many days? How much time?

Thanks!

Hi Cristal,

Yes, I realized after I sent that it is for 9am EST. I'll follow-up with you separately on Monday.

Are you able to support the briefings in person? I'm trying to find out VS's availability.

Thank you,
Amanda

Hi Amanda,

Yes, I can support the briefing telephonically one of the two scheduled times. Please find attached the summary of the type of support I've provided for each of the victims. This information contains the victim names, services

EFTA01650214

and interaction, and referrals provided for their respective geographic location.

Will the call on Tuesday, 10/8 at 9:00 AM be PST or EST? If EST, I will not be available since that will be 6AM in CA.

Angela - feel free to take from here for the weekly updates to Executive Management.

Warm regards,
