Subject: Victim Resource - Epstein Case

Hi Ladies,

I hope all is well with both of you. I have a request with a very quick turnaround.

One of you have a victim of Jeffrey Epstein living in your AOR ([REDACTED]). [REDACTED]. We are making individual packets for each victim and including vetted, trauma-informed counseling resources. Could you please send a resource or two (in an attachment) so we can add to this victim's folder? If you have a PDF of a brochure, that would be perfect. We'd like to have this information by Monday COB. Please let me know if you have any questions.

Thank you,
[REDACTED]
