Importance: Normal

Thank you [REDACTED] and everyone.

I am contributing to the briefing for incoming NY SAC and need to provide updates on any high profile cases being worked by the VSs. I'm thinking of the Maxwell/Epstein case for [REDACTED] do you think this hate crimes case would be the most high profile for you right now? [REDACTED] which case would you prefer I use for your AOR that would be high profile for a new SAC to learn about?

Thanks for all your hard work.

On 11/10/2020 the subject father did not return to his son to the mother who had full custody. In April 2021 the left behind mother met with SA [REDACTED] where after a IPKA case was opened with both Red and Yellow notices being issued. In October 2021 while traveling through Serbia the father was arrested on the red notice with the child being reunited with his mother. The subject is being held and extradition pending. VS [REDACTED] has been assisting both mom and minor victim regarding reunification issues and has connected both to appropriate trauma focused therapists; and has scheduled a CAFI for 12/9/21.

Training

11/30/2021 VS [REDACTED] met with the SAAVE program of Westchester Medical center to explain the NYO VAP and coordination efforts between the NYO and Westchester Medical center regarding victims appearing in the emergency department.
