The thing is, nobody would have a dime if it wasn't for you

I know

And [REDACTED]

We are the two who cracked the case

If you didn't put your life on the line

So everyone envies our bravery I guess?

I guess

It's disgusting

The thing is when [REDACTED] is brought up in the press they say she is the most prominent figure in the case, but I just think you are

Like you're the one that went to the FBI

No she is bc she inspired me to come forward

And she endured ALL OF THEM sexually as a teenager

And she was still brave!!!

:(

[REDACTED] (a woman I have never met and only spoke to once or twice briefly bc we shared "council"/BEDWARDS, a woman whom I gifted a gorgeous portrait) somehow obtained my compensation package info (which was hacked by stalkers) and is illegally distributing it. How else did she get this? She has never forgiven me for supporting truth. [REDACTED] I WILL ALWAYS SUPPORT [REDACTED] WHO TOLD THE ENTIRE TRUTH! It is sickening DARVO for ppl to claim [REDACTED] exaggerated a thing, when she barely touched on the powerful elites who abused her. SHE BARELY HELD ANYONE TO TASK AS BOIES PROTECTED HIS BUDDIES! She tried to expose everyone and we have been GATEKEPT by power. She was soooooo brave and if FBI had done their job, [REDACTED] would be alive today. She never would have been kidnapped.

If FBI had done their job, [REDACTED] and all others after [REDACTED]/me would not have been kidnapped. The adult massage therapists like [REDACTED] would have other jobs, and wouldn't be able to abuse the living daylight out of we kidnapped victims! Most wouldn't have been kidnapped if FBI had done their job.

[REDACTED] needs to be restrained legally and once again, I wasn't given enough compensation to even cover my upcoming surgeries. I had to serve HERVEY in the UK, PREDMORE, etc...how am I to survive? BEDWARDS, you did ALL OF THIS to my tiny private life.

I'm not going to tolerate this abuse. It's disgusting I was barely compensated and she knows her fellow ADULT EPSTEIN EMPLOYEES WHO STAYED DECADES were given 8-20 times more than me. MAXWELL WAS GIVEN 20mil and BEDWARDS said, "One mil is too much for you [REDACTED] bc NOT EVEN raped." [REDACTED] has used this lie by BEDWARDS to justify her vitriol and public abuse of me the entire time. Now she's trying to take away [REDACTED] precious child ([REDACTED] life). She never wanted any of the teens nor the whistleblower to be compensated at all! This is insane.

SHE IS ABUSING [REDACTED] POST MORTEM!!! I AM DYING INSIDE WITHOUT [REDACTED] here with her three teens, and this abuser refuses to stop defaming the case hero, knowing her teens will read it all. I CANNOT HANDLE THIS TORTURE laid upon me by wealthy lawyers who abandoned me with only nightmares during cancers.

I was a professional artist working at a desk to survive (never a sex worker), studying under Eric Fischl. Had my life not been stolen by mob, I would have a phenomenal career and money would not be a worry. Instead, BEDWARDS cut me from the bank case and this stalker Sarah still wants me to have nothing from the estate?! AFTER BEING THE ONLY ONE WHO DID HER CIVIC DUTIES? This is DARVO all over again. DOING MY CIVIC DUTIES MEANS I NEVER LIVED A LIFE OUTSIDE, as Maxwell threatened my life.

MY HEART IS FAILING ME as psychopaths feed upon me bc my name was used beside Virginia's, while everyone who actively committed crimes as adults are protected/paid. HAVING had BAD LAWYERS was the death of me. Thank GOD for Jennifer Freeman and my other NEW lawyers. I WAS ENTIRELY UNSAFE until I found them.

[REDACTED] help me...when you get here we are going straight to heart hospital. [REDACTED] will also need to be buried I'm afraid, as he is slipping away from earth with seizures. 🤔💔
