I have to hand it to ms roberts. I'm sure she d=serves the pretty penny she has made for her effort . Sh= has certainly caught the imagination of a public hungry for salacious fic=ion. To suggest her story is anything other than that, a =fiction , is ludicrous. Presidents at dinner on caribbean islands. =A0 (clinton was never ever there, easy to confirm). Sh=ring a bath with a Prince (bathtub too small even for one adult =A0). sex slave being paid thousands of dollars. (while =A0 at the exact same time, she was working as a hostess in a b=rger bar). being lent out to a prime minister though th=s prime mininster, never out of sight of his massive security detail also =ever visited the island, , sex on a small airplane with a famo=s lawyer while the other passengers must have been all looking out t=e window during the event . I would have thought that h=r fabrications were readily apparent , but now , being asked to den= what the press has termed her " allegations " is frankly=C2 silly. ok, to play along I deny each and every allegatio=. The only person she didn't suggest she was forced to ha=e sex with , was Bilbo Baggins. , maybe its in the seque=.
