hi.. just got back from australia bringing Santal back. =nbsp;Singer was an interesting evening.. It was also an intensive =iscussion... was again up all night long the night before =reparing... . though I think slightly less deep than the =iscussion with Chomsky. I liked the discussion of ethics in the =irst half.. in any case, it did go long.. and people seemed to =ave enjoyed it.. It will be online in a week or so. I will =et you know, and you will tell me what you think. :)

I want to talk to you =bout this movie with Johnny.. it is going forward.

Thanks again for the =aribbean.. the last day followed by 2 days of no sleep in Phoenix and =hen flying to australia is kind of a blur but the vacation was =reat.

btw.. here is an interview I did with nautilus magazine.. =here were some good questions.
