Dear [REDACTED] students,

Our Fall 2014 courses are now up online! We're still adding a few courses as more information comes in from other departments, and we'll keep updating the website over the next week. We'll send out a more substantive course packet soon but meanwhile, we know some of you are keen to start planning for the Fall. You'll find as complete a list as is currently possible at:

Please get in touch if you have any questions, and/or come by the [REDACTED]
