She is suppose to sign the lease today with the owner.

That's why she needs to know if I can pay and stay for a year. Because she cant effor to pay the whole rent (3,300\$) by her self. She wants to make sure, I will stay.

She seems trust worthy, it is the owner who pushes on her and she need to make her decision today. Otherwise she is going to move, because she can efford to pay by her self for this.
