Dear Martin,

I checked with Jeffrey, too. The 8th and 9th of Dec. look most promising for all of us, so lets assume those dates. I've entered into my calendar as confirmed, and will circle back with specifics closer to the time.

PS: I've also sent a brief note over to Phil Ball in London about a Harvard Visit, and see what he says and let you know the outcome... it is not contingent on him, though.

 might also be able to come, and has expressed an interested in inviting Phil Ball of Nature- do
 you know Phil? Let me know if any dates between the 5th and the 15th are good?
