Sneeeeaky!!!!!! sorry just back home and seeing it. I was at work today and went to evening classes right after and then passed by the gym.

Thank you so much it was amazing!!!!!!!!!! I had a really great time, it was beautiful event and space. I met some New York folks from Young Professionals in Foreign Policy (YPFP) who I knew through other events so that was nice. I arrived late Saturday and all museums were closed by 5:30 pm. I went instead to George Washington University and checked the Elliot School of International Affairs. I changed my ticket for a late evening train on Sunday because I wanted to use the opportunity of being there and go to museums. I went to Smithsonian museum of African American History and Culture. I believe it is a new one so the lines were ridiculous, took me half day for one museum. But it was worth it, very interesting))) Sorry I did not call you by the time I arrived to New York it was very late. Thank Thank you so much for organizing such a wonderful trip sneaky! Love you xoxoxo
