Morning ladies. Since we anticipate that you may have a visit from DPNR today I wanted to let you know that if they have a cease and desist letter that they wish to deliver on the island you should direct them to deliver it to STC offices. Do not give them permission to get off the boat and search the island. I am off island but you can try and get me on my cell. I have spoken with Chris Kroblin from my office and he is aware of the situation. If you cannot get me - call Chris on his cell [REDACTED] if there is an issue or CZM arrives.
