Hi Jeffrey,

It is a great pleasure e-meeting you. [REDACTED] has already told me a lot about you and what a fabulous mentor you have been for her. I am transitioning from graduate studies at MIT to a full time role at my company in NY this winter (we are building a Github for APIs), this comes with a lot of excitement as well as challenges on scaling our team and success.

I would love to hear how my approach resonates with someone who has been extremely successful and established in his works.

Would you have time to grab a coffee sometime over the next few weeks?

Best regards,
Christian

[REDACTED] thanks for facilitating the connection!
