Subject: Sinai term sheet

Jeffrey, hope dinner with Woody went well. I just realized I can make Egg Creams with Lactaid milk. No one wants Woody to be gaseous.

Below is a new version without a hint of whining.

What do you think?

Thanks
Harry

Term Sheet changes:

Compensation:

- ***** **Benefits Base Salary of \$160,000 per Year--Raise to \$200,000**
- ***** **Clinical Supplement of \$400,000 per Year—Raise to \$440,000**
- ***** **Administrative Supplement - \$25,000 —Raise to \$40,000**
- Total Compensation of \$585,000 per Year--Raise to \$680,000**
- ***** **You can earn additional compensation at the end of each calendar year if you personally have generated more than \$1,000,000 in collections. You will receive 50% of collections above \$1,000,000. --**
- Change to Gross collections**

Mount Sinai to cover all office expenses.

The Mount Sinai academic title will be Professor of Urology, clinical title will be Director of Microsurgery (Urology)
