Jeffery

Message below from Husham,, he as not responded to the email we sent Friday requesting doc regarding Aux tank removal, reason for shop visit of engine of the 12k hour engine, do they have parts for the tanks,? Etc
How should I respond?

Dear Larry

I hope you are ok

When is the DAR planned to visit the aircraft? What we were hoping for is a call during his visit to roughly understand what issues could come up if any. You think you can arrange that for us please with him?

Regards
Husham
