Transaction Costs Analysis survey

Thursday, November 3

It's tough for an investor to make a buck in these straitened times. Which makes trading costs all the more important.

In Institutional Investor's 15th annual survey of trading costs, the broad results show that brokerages having been combining high-tech trading tools with a human touch to reduce transaction expenses.

And in this year's ranking we present all of our data in a range of tables analyzing and ranking the lowest costs on transactions in the U.S. and Europe.

See our story below for the full list of tables.
