Much enjoyed our conversation.

Some links arising from it.

The open sciences web site
<http://www.opensciences.org>
with a link to the Institute for Venture Science.

A brief overview of the state of the art in Low Energy Nuclear Reactions - rather surprisingly, from
Brockman's web site
<https://www.edge.org/response-detail/26753>

Just off to the Steve Reich concert.

To be continued...
