Actually she doesn't have to return to China, she can apply US visa in Paris, she needs to do a interview at the US consulates the visa fee is 160\$, they also ask the -

- Proof that the patient's transportation, medical, and living expenses in the United States will be paid. This may be in the form of bank or other statements of income/savings or certified copies of income tax returns (either the patient's or the person or organization paying for the treatment).
- • She can't give this proof I think for this moment (2000\$ minimum in the bank account)
- I would like to bring her with me, but I'm worried about the visa, failed or took too long. Yes I'm still with [REDACTED], she is going to London in 2 days, alone. then she will back to Hong Kong.
