soo sweet

Usually between 7 and 8pm - she gets -

1. fresh water
2. 1 entire little can of soft food
3. a tiny amount of dry food, like a 1/2 [REDACTED] handful (this is in a resealable packet). (If she has too much I think she gets constipated)

[REDACTED] took the food from me but I am running to her place now to see if there is any there and I can take a photo
