Jeffrey,
-GIV RVSM is approved, I am waiting for email LOA.

-GII Rolls Royce engine extension is possible for a minimum of 30days, firm price will issued tomorrow from Rolls Royce Germany, my Sales Rep indicted price will be \$35,000 to \$40,000 for 30 day extension. Rolls Royce prices this to deter engines to operate beyond there overhaul limit, they offer this program for emergency operations.

Should I request extension?

Thank you,
Larry
