Hi Jeffrey, how are you?? Miss you a lot!!!

Recently I received invitation to give a few concerts in NYC from mid March to beginning April 2017. They are paying for concerts but I have to cover my travel expenses and find accommodation. I was wondering if I could ask you to host me in one of your guest apartments? I still have to buy a flight ticket but I'm planning to arrive around 17th March and stay until 4/5th April.

Hope you're well and sending you many kisses!
