Dear Jeffrey,
there is something very special i want to ask. As I told you , my husband is organizing a different kind of events, shows, concerts he also started a Mid Summer Festival last year and I am helping him with that..it's something like Montreux Jazz Festival. :) The program is big, from opera, drama theater, to Joss Stone and ect. The Mid summer festival takes place in Vilnius in Duke Palace. Usually is on July. As i know your good friend Woody Allen plays in the orchestra! We would love to put this great adveture in the coming festival's program! Would be a great help to find a way to cantact him or his manager! Could you please help me with this?
