Hey Jeffrey - long time no kibbutz - how are you?

- Was visiting your Foundation website and wanted to thank you for highlighting the Infant Pain Project and Parkinson Disease Project you helped make possible at The Institute for Music & Brain Science, now a California non-profit...
- Lot's going on here - just received a Univ of California President's Research Catalyst Award from Janet Napolitano to build a state-wide multi-campus research initiative on music experience and communication. Submitting a multi-yr multi-million dollar grant to her office in a couple of months...

- I miss our stimulating chats! Are you available for a phone call? My cell is [REDACTED].

Yours, as always,
Mark
