Arthur Casas' office will fly Arthur to STT on afternoon of 24th..he will spend the night at a hotel and be available to meet with you on Jan. 25th from 9am on...his flight on 25th is at 5:30pm. (there is no flight that gets him in early enough on 25th so they decided better for him to arrive on 24th, meet with you on 25th, then leave 25th)

They want to make sure this all sounds good to you...May they confirm Arthur's trip?
