I checked and what they owe me in bonus decided in 2015 for year 2014 is actually :

235.000 euros

To be paid in 3 : March 2016, March 2017, March 2018.

I can't accept to lose all. It would be unfair considering also that I had to borrow 100.000 euros to pay my tax 2 months ago - simply because they forgot to warn me that this amount of 235.000 euros (257.000 euros brutto) would not be paid in 2015 but differed...

What is earned is earned. But of course the differed parts to be paid in 2017 and 2018 are something else, as I will no longer be on payroll at that time
