You are absolutely right. I completely agree with you, I have to earn living from what I do and therefore I no longer accept offers to play a concert for free. Even though it's true that people need to hear me, however I cannot go on playing for free and I need to find way to make money for living. In fact, for the concert in church I did back home (the one I sent you a video in July) I will get payed 300Euro. The one I'm playing tonight is 200Euro. I know it's not a lot, but it's already something...

I'm so thankful that you are so generous, caring and loving. It really means to me so much to know that I have such an outstanding person I can trust and count on... thank you so much for everything...
