Hey Jeffrey,

Just back to HK. Wonderful time in Moscow (saw an Opera, front row centre at the Bolshoi - see attached, the conductor is the guy on the right) which was a highlight. Developing a project with Dmitry which may be of interest to you (I'll let him tell you about it in person). I've got the consciousness hacking group coming to HK to work out the plans for the new company. I've got a few people I'd like to introduce you to (that you may find of interest as intellectual curiosity or collaborators). Let me know if you'd like introductions:

Dmitry Kaminskiy: http://deepknowledgeventures.com/dk_bio.pdf (shot of me and the Dmitrys in Moscow attached) Also see this: http://www.forbes.com/fdc/welcome_mjx.shtml

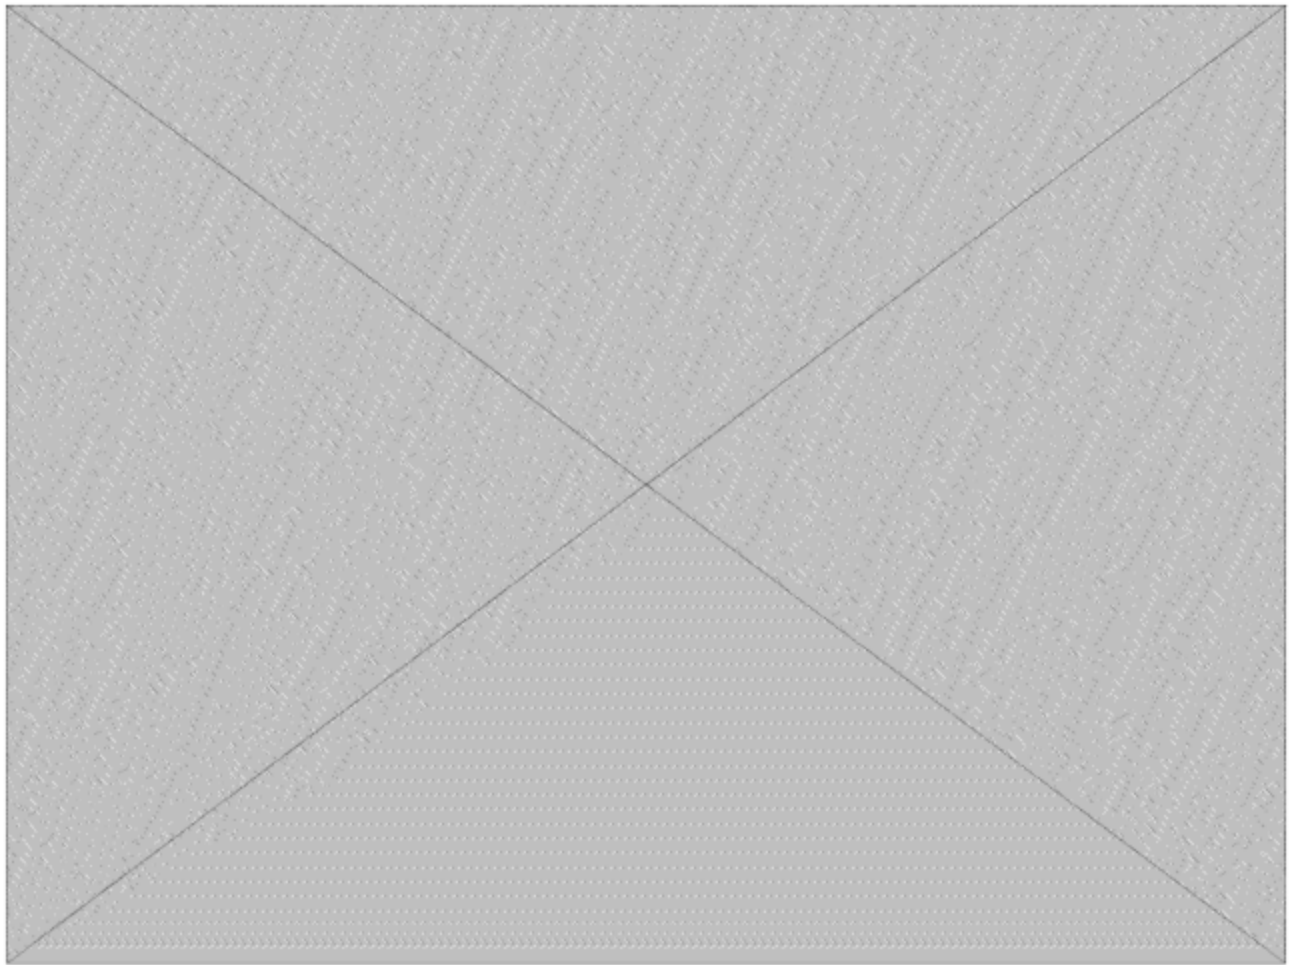

Geo Mueller: He's behind this: <http://www.furtherfuture.com> and this: <http://www.cerebellumcapital.com> and sold his first company for around \$800M USD - <http://www.xconomy.com/new-york/2011/10/20/led-lighting-company-ecosense-flush-with-13m-from-bain-capital-ventures-eyes-expansion/>

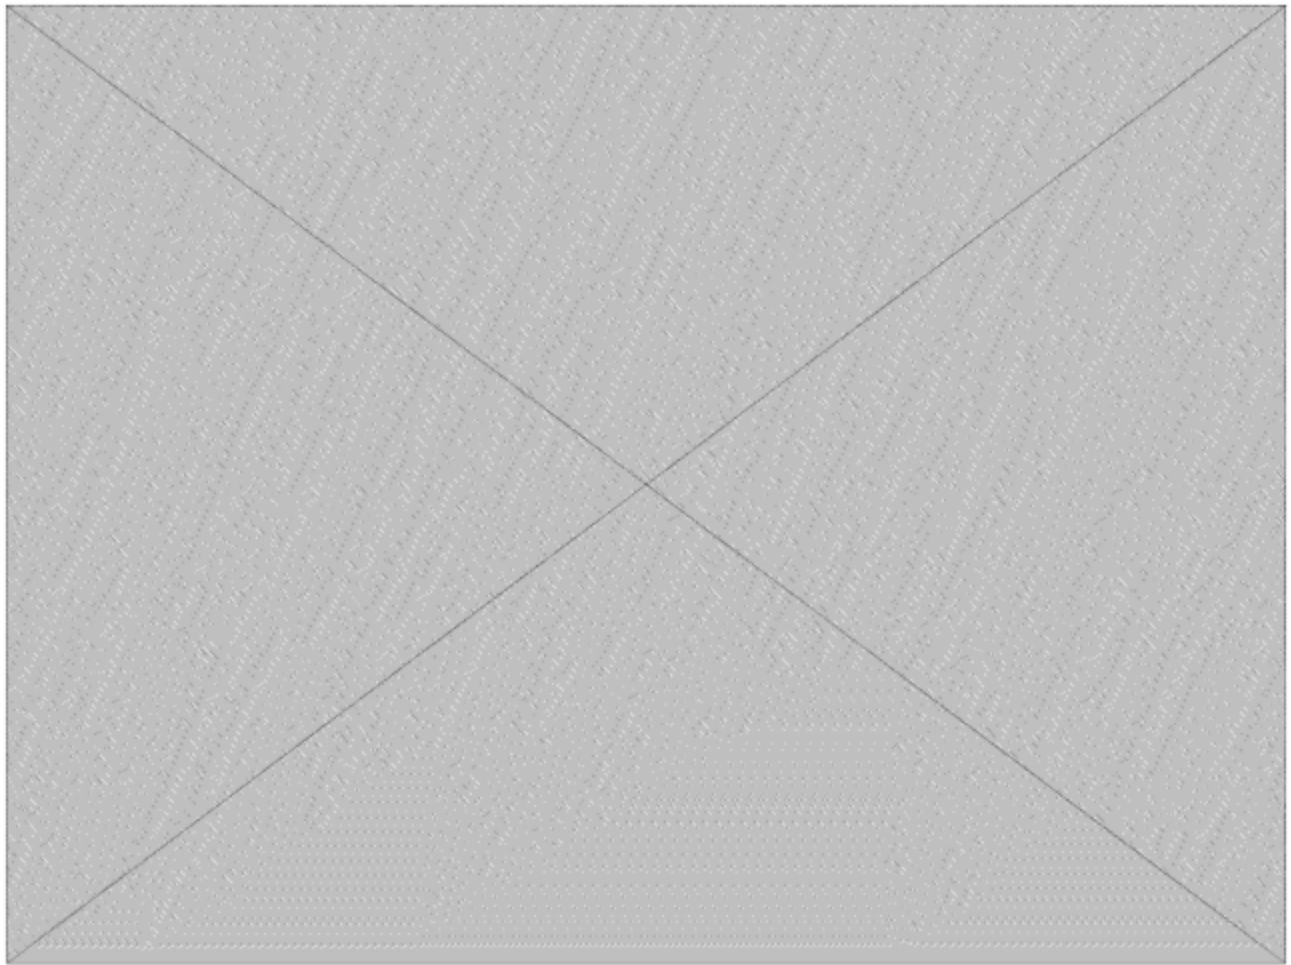

David Chalmers: https://en.wikipedia.org/?title=David_Chalmers

They are all in and out of NY. Let me know if you are interested in meeting any of them and I'll send an intro.

Would still love to follow up with you on the proposition (awakening project), and would like your thoughts on the matter.

gino
