Hi,

Thanks for the email.

What am I up to? I continue study Business English postgraduate program. I continue Berklee since I started new courses. It's great. I take private classes too once a week with my teacher, but i practice singing everyday. I draw on wacom some stuff too and learn programs. My website is still in a progress, but only because i didn't finished all images yet. I have a feeling you would like to take a look. Here is the link to my web <http://storyboardsbyana.moonfruit.com> . There are wacom images on "max" only, but i will upload other images soon.

How are you doing? I hope it's better since our last chat. Your birthday tomorrow! :D

Best,
m
