Subject: LSJ amp

Jef=ery,
-what was name of the 9 channel lmax =mp you recommended?

Audio Advisors=20in Palm Beach offers the McIntosh line for upscale ho=e theatre install.
The MC 207 amp is 7 chann=l, Not in stock.

Jason at A=dio Advisors can offer a 15% discount if you purchas= this package, if interested.
MC-205 5 channel am= for Front and side surround sound speaker.
MC=152 2 channel amp for rear speakers.
MX-121 =reAmp Home theatre AirPlay McIntosh processor, has built in 9=20channel EQ.

M=-152 Amp 2 channel retail price \$4,500.00
<http://www.mcintoshlabs.com/us/Products/pages/ProductDetails.aspx?CatId=amplifiers&ProductId=MC152>
&=bsp;
MC-205 Amp 5 channel retail price \$7,000.00=nbsp; (Weight 81 lbs.)
<http://www.mcintoshlabs.com/us/Products/pages/ProductDetails.aspx?CatId==mplifiers&ProductId=MC205>
<<http://www.mcintoshla=s.com/us/Products/pages/ProductDetails.aspx?CatId=Amplifiers&ProductId==C205>>

MX-1=1 PreAmp McIntosh retail price \$6,000.00
<http://www.mcintoshlabs.com/us/Products/=ages/ProductDetails.aspx?CatId=hometheaterprocessors&ProductId=MX121>

Retail price \$17,500

discounted to \$14,875.00
=div>

I will check with Miami Audio stores =or 9 channel amps for other options if you do not like =he McIntosh line.
I believe the LSJ system is = 7.1 system since we are utilizing Powered subwoofers. &nb=p;
