Larry
Confirming the Zorro
sony projector and spare lamp was sent to LSJ

I have the first original LSJ Sony Quallia in Palm beach office,. I tried to set up it up hanger In St Thomas but unable to get picture. I believe it was inop and needed replace. I was going to locate a shop in Florida for evaluation and possible repair, no local shops services the old Sony projector.,

I believe the old Zorro projector that was brought to LSJ may be still on LSJ., we should have two Sony qualia projectors .,
