Billy Bohlke is in Miami now, has entry leg to STT.,
He can leave today or tomorrow to STT.,
Also he has Dec 23rd or 24th date for empty leg from south Florida to STT also.,

Any need for these dates for guest?

He's flying his Astra Jet, Medium size jet, Hawker size.,
He said he'd take \$10k at least, (even less if he can't fill with Pax)

Gents,

I am in Miami with our G100 and have an empty leg South bound and we are trying to generate some revenue.

If there is any interest please let me know. Thanks.
