Dear [REDACTED]

Thank you so much for your wishes. Thank you also for the time you spent with my daughters, who were thrilled by their stay on the island .

I am very touched and truly appreciate Jeffrey' s and your proposal to come to help me and my family.

I must turn down your offer for several reasons. 1/ Jeff needs you more 2/ it s very tough and at times traumatising to see a sick person like Benjamin . I would feel very guilty putting you through this. 3/ i will need your help with the logistics that will have to be managed for the décoration/changes on the island and i will definitely not be able to do this alone .

In any case, the girls and I hope to see when you come to Paris (soon?), and we ll be freer to discuss it if you wish .

Amicalement,
Ariane
