About Constantine Calakos, D.C.

Dear Friends and Clients of Dr. Dean Constantine Calakos DC,
We are very sorry to inform you that Dr. Calakos has passed away Friday September the 14th, 2012 at 3:30AM.
He was laid to rest Monday the 17th. This was all due to his diagnosis and suffering with a rare form of bone cancer, which travelled to his lungs and inevitably led to his passing away.

With much love and appreciation.
