Jeffrey

Further to last week's meeting, there are still some issues that are awaiting Leon's comments/answers per the list

Concerning taxes, we are obviously working on finishing up the two 990-pfs (due 11/15). We had drafts a while ago to which we had comments for Tom.

Also, further to that meeting, I am unclear what, if any, role you would like for me beyond Oct. 31. Let me know what you think best.

Thanks

Larry
